LEAVE OF ABSENCE

Remington College will allow a student enrolled in a program to apply for a leave of absence (“LOA”) from their program of up to one hundred fifty (150) calendar days from the students last date of attendance prior to the commencement of the LOA. A student is only eligible for one LOA during each program of study. A LOA may only start at the beginning of a module. A written request for a LOA must be submitted by the student on an LOA Application Form which may be obtained from the Campus Dean or Administrator. An LOA will not be granted unless Remington College’s Provost (or designee) determines that there is a reasonable expectation the student will resume their program within the LOA period. Students enrolled in programs that are being discontinued will not be granted a leave of absence if, upon returning from a leave of absence, the student will not be able to complete the program prior to its termination because of limited course availability. All LOA requests must be reviewed and approved by Remington College’s Provost (or designee). If a medical emergency prevents the student from applying in writing in advance, the Provost (or designee) may approve an exception, in his/her sole discretion, based on the individual circumstances. A student’s failure to return from a leave of absence may impact the loan repayment terms of a student’s Title IV program loans including the exhaustion of the student’s entire grace period.

Grade Adjustments for Participation in Residential Courses

The maximum grade a student will be eligible to receive for each course in the student’s program will be based upon class participation. Students should monitor their participation grades in their canvas course. Active participation in the course includes participating in classroom discussions, lab participation, and attending class regularly.

Page 39: The Remington College Grievance Procedures section has been amended by replacing the first five paragraphs with the following procedures.

A grievance is defined as any dispute between the student and the Campus. Should a student have a grievance concerning any aspect of his or her recruitment, enrollment, attendance, education, or career services assistance, the student should first contact the faculty or staff member to whom the grievance or complaint refers.

If a solution satisfactory to the student is not reached with the faculty or staff member, the student may submit his or her grievance, in writing, to the Campus Dean, clearly describing the grievance. The Campus Dean will notify the Remington College Department of Student Affairs of the grievance, review the grievance, seek resolution, and notify the student of the remedy within ten business days of receipt of the grievance, unless it is determined more time is necessary to perform a thorough and objective investigation into the allegations raised in the grievance, in which case the student will be notified of that fact by the Campus Dean. In the event the student is not satisfied with the resolution provided by the Campus Dean, the student may appeal to the Director of Campus Administration in writing within ten days of receiving the decision of the Campus Dean.

The Director of Campus Administration will notify the Department of Student Affairs of the appeal and will review the pertinent facts and evidence presented. The Director of Campus Administration will formulate a resolution within ten business days of receipt of the student appeal, unless it is determined more time is necessary to perform a thorough and objective review of the pertinent facts and evidence presented, in which case the student will be notified of that fact by the Director of Campus Administration. Students who wish to contest the Director of Campus Administration's/Campus Director's resolution may submit a written appeal to the Remington College Department of Student Affairs as the final entity seeking a resolution to a reported grievance.

The Department of Student Affairs will review the facts and evidence presented and, if necessary, will conduct additional investigation into the allegations raised in the grievance. The Department of Student Affairs will formulate a resolution, within ten business days of receipt of the student appeal, unless it is determined more time is necessary to perform a thorough and objective review of the pertinent facts and evidence presented, in which case the student will be notified of that fact by the Department of Student Affairs. Once the review is complete, the Department of Student Affairs will promptly inform the student of the decision, including what steps, if any, the Campus will take to resolve the allegations raised in the grievance.

At any time in the grievance process, the student may contact the Remington College Department of Student Affairs for additional support via email at student.affairs@remingtoncollege.edu.

Notwithstanding the foregoing, if the grievance involves discrimination including sexual harassment, the grievance should be immediately reported to the person stated below who has been designated to handle grievances regarding violations of Remington College's non-discrimination policies and the student should submit any such grievance to this person as well as any person indicated above. Any sexual harassment grievance will be handled in accordance with the Campus' sexual harassment policy as set forth herein.

SATISFACTORY ACADEMIC PROGRESS POLICY AND REQUIREMENTS

All students must meet the Remington College's minimum standards of academic achievement and course completion progress requirements while enrolled at Remington College. Remington College will provide for electronic notification to students via email or posting to the student portal of the results of a SAP evaluation that impacts Title IV eligibility, which includes notification to any student that may be eligible for Title IV aid, regardless of whether they currently receive aid. Remington College's satisfactory academic progress standards ("SAP") have two primary components: one is qualitative and the other is quantitative. The qualitative component requires certain minimum cumulative grade point averages be achieved as of certain measuring points and the quantitative component requires completing courses at a certain pace in order to complete an educational program within the allowed maximum timeframe. The qualitative and quantitative components of SAP are evaluated as of each Minimum Measurement Point based upon grades, credit hours attempted and credit hours completed as indicated on a student's transcript as of the end of the Grading Period ending contemporaneously with the most recent Minimum Measurement Point being reached. Minimum Measurement Points occur at the end of each Quarter and in addition thereto, at the applicable Minimum Measuring Point as a percent of Program Length indicated in the charts below.

Remington College's satisfactory academic progress standards are the same for all students without regard to whether they receive financial assistance under Title IV, HEA programs ("Title IV") or other financial aid and applied consistently to all students without regard to whether they are a full-time or part-time student. A student that fails to satisfy the SAP requirements at any Minimum Measuring Point and is not placed on either Financial Aid Warning or Financial Aid Probation status shall no longer be eligible to receive assistance under the Title IV programs.

SATISFACTORY ACADEMIC PROGRESS DEFINITIONS

"Appeal" means the appeal by a student of a determination by the School that a student has not meet the SAP requirements and is commenced by submitting an Appeal Request in compliance with the Appeal Procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog.

"Appeal Procedures" means the procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog that a student must follow to Appeal a determination that a student has failed to satisfy SAP standards and to obtain Financial Aid Probation status.

"Appeal Request" means a written document that contains the information required by the Appeal Procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog.

"CGPA" means a student's cumulative grade point average calculated as set forth below in the Qualitative Component of Satisfactory Academic Progress section of this Catalog.

"Grading Period" is a period of instruction for which the student receives a final grade that is recorded on a student's transcript for a particular course.

"Financial Aid Probation" means the status assigned by the School to a student who (i) is on Financial Aid Warning status and fails to make satisfactory academic progress at the end of the first Quarter or other Minimum Measuring Point occurring after student was placed on Financial Aid Warning status; (ii) has appealed the SAP failure determination made by the School and (iii) after considering the Appeal, the School has determined the student should be able to meet SAP requirements in the next Quarter or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.

"Financial Aid Warning" means the status assigned to a student who is on SAP Met status and subsequently fails to satisfy SAP requirements at the end of a Quarter or as of any other Minimum Measuring Point.

"Minimum CGPA" shall have the meaning consistent with the set forth below in the Qualitative Component of Satisfactory Academic Progress section of this Catalog, which is the minimum cumulative grade point average.

"Minimum Pace of Completion" shall have the meaning consistent with the meaning set forth below in the Quantitative Component of Satisfactory Academic Progress section of this Catalog, which is the minimum number of credits hours earned after attempting a certain number of credit hours. The specific Minimum Pace of Completion Requirement as of each Minimum Measuring Point for various programs are delineated in the Minimum Satisfactory Academic Progress charts set forth below.

"Minimum Measurement Point" shall mean the end of each Quarter as defined herein for each program classification and in addition thereto the applicable Minimum Measuring Point as a percent of Program Length and Minimum Measuring Point in Credit Hours Attempted indicated in the charts set forth below.

"MTF" shall have the meaning consistent with the meaning set forth below in the Satisfactory Academic Progress section of this Catalog, which is maximum timeframe for completion of a program.

Quarter Definitions

The term "Quarter" is defined differently for students based upon program type or date the student starts class. "Quarter" means a period of time which generally consists of twelve (12) weeks of instructional time, but never less than ten (10) weeks of instructional time.

QUALITATIVE COMPONENT OF SATISFACTORY ACADEMIC PROGRESS

The qualitative component of SAP requires the achievement of specified minimum cumulative grade point average ("Minimum CGPA") as of certain measuring points which are defined above as the Minimum Measuring Points. Except as provided below, the cumulative grade point average, CGPA, is calculated using the grades for all courses for which a grade was received, other than a "W", or "I" during the Grading Periods in which the courses were completed as of the time a Minimum Measurement Point is reached.

If a student receives the temporary grade of "I", the grade received upon completion of the course or "F" if the course is not completed within time allowed for completion will be used to calculate the CGPA. However, if a student repeats a course, without regard to whether the previous grade was a failing or a passing grade, the new grade will be used and all prior grades for the repeated will not be included in the grades used to calculate the CGPA. The grades received for credit or clock hours from another institution, other than another Remington College campus, that are accepted for transfer towards a student's program will not be included in the calculation of the CGPA but will be included in the determination of the Minimum Measurement Point. The grades received for credit or clock hours from another Remington College campus, that are accepted for transfer towards a student's program will be included in the calculation of the CGPA and will be included in the of the determination of the Minimum Measurement Point. The Minimum Satisfactory Academic Progress chart below lists program lengths and the Minimum CGPA required at the end of the Grading Period wherein each of the Minimum Measurement Points is initially met or exceeded.

If a student's CGPA falls below the minimum required CGPA at any Minimum Measuring Point, the student will be notified in writing of the consequences of not maintaining satisfactory academic progress including if such failure will impact a student's Title IV eligibility, cause the student to receive a Financial Aid Warning or require student to Appeal the determination to be placed on Financial Aid Probation to have Title IV eligibility reinstated.

QUANTITATIVE COMPONENT OF SATISFACTORY ACADEMIC PROGRESS

The quantitative component of SAP requires the completion, as of the Minimum Measuring Points, of a minimum number of credits hours after attempting a certain number of credit hours. The Quantitative Component is measured at each Minimum Measuring Point as a percentage credits earned out of the total credits attempted in the program. The quantitative component of SAP measures whether a student is progressing through the program at a rate that will ensure the student graduates within a maximum timeframe. The maximum timeframe ("MTF") for completion of a program is one and one-half times the program length. The MTF is measured in credit hours for credit hour courses and clock hours for clock hour courses.

The number of credit hours or clock hours required to be completed depends upon the length of the program. A credit hour or clock hour is completed when a grade other than "W" or "I" is assigned to the credit or clock hour. If a student receives the temporary grade of "I", the grade received upon completion of the course or "F", if the course is not completed within time allowed for completion, will be used to determine the number of completed credit or clock hours used to measure whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measuring Point. The credit or clock hours assigned to courses for which a student receives a "W" will be included in the determination of the number of credit or clock hours attempted that is used to measure whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point. The credit or clock hours from another institution, including another Remington College campus, that are accepted for transfer towards a student's program will be included as both credit or clock hours attempted and completed in the determination of whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point. Courses repeated will be included as both credit or clock hours attempted and completed in the determination of whether the Minimum Percentage of Total Program Credit Hours Completed Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point. The number of credit or clock hours completed and attempted as indicated on a student's transcript at the end of the Grading Period ending contemporaneously with the most recent Minimum Measurement Point being reached will be used to determine if the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point.

The Minimum Satisfactory Academic Progress Requirement chart below lists program lengths and the Minimum Pace of Completion Requirement that must be satisfied as of each respective Quarter for degree and diploma students.

MINIMUM SATISFACTORY ACADEMIC PROGRESS REQUIREMENT

Program Length <i>(Minimum # of Weeks/Months Required to Complete Program)</i>	Minimum CGPA Requirement	Minimum Pace of Completion (% of credits earned versus completed)	Minimum Measurement Point in Quarters
18 Months	1.00	33%	End of Quarter 1
	1.20	50%	End of Quarter 2
	1.40	55%	End of Quarter 3
	1.60	60%	End of Quarter 4
	1.80	60%	End of Quarter 5
	2.00	66.67%	End of Quarter 6 and each Quarter thereafter

If a student cannot complete the program within the MTF, the student will be notified in writing that the student will not be able to meet the SAP requirements and that as a consequence the student will be dropped and such failure will impact a student's eligibility to receive assistance under the Title IV programs.

Satisfactory Academic Progress Statuses

SAP Met Status

A "SAP Met" status indicates that at the established measurement points the student satisfied all SAP evaluation criteria. A student with SAP Met status remains eligible for Title IV funding.

Financial Aid Warning Status

A Financial Aid Warning status indicates a student who was on SAP Met status subsequently fails to satisfy satisfactory academic progress standards at the end of a Quarter or any other Minimum Measuring Point.

Financial Aid Probation Status

A Financial Aid Probation status indicates a student who is on Financial Aid Warning status fails to meet satisfactory academic progress standards at the end of the Quarter or other Minimum Measuring Point first occurring after student was placed on Financial Aid Warning status; that has appealed the SAP failure determination and the School has determined the Student should be able to meet SAP requirements in the next Quarter or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.

Financial Aid Warning

A student on SAP Met status who subsequently fails to meet a qualitative or quantitative component of the SAP requirements set forth above will be placed on Financial Aid Warning status. If the student satisfies the requirements of a failed SAP component as of the next Minimum Measuring Point for the component failed, the student will be acknowledged as having met SAP requirements for that component. If a student fails both components the student must satisfy the SAP requirements applicable to each component to be removed from Financial Aid Warning and gain SAP Met status. A student removed from Financial Aid Warning will be classified as SAP Met status. The student remains eligible for Title IV while on Financial Aid Warning status.

Financial Aid Probation

If a student on Financial Aid Warning status does not meet the minimum SAP requirements for a failed component at its next Minimum Measuring Point and the student Appeals the determination that the student failed to meet SAP standards, the student will be placed on Financial Aid Probation status if the School determines the student should be able to meet the SAP requirements by the end of the next Quarter or other Minimum Measuring Point or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.

A student on Financial Aid Probation will have their Title IV eligibility reinstated and be eligible to receive Title IV disbursements.

If a student placed on Financial Aid Probation status satisfies the requirements of a failed component as of the next Minimum Measuring Point for the component failed occurring after the student is placed on Financial Aid Probation status, the student will be acknowledged as having met SAP requirements for that component. If a student fails both components the student must satisfy the SAP requirements applicable to each component to gain SAP Met status and be removed from Financial Aid Probation status. A student removed from Financial Aid Probation status will be classified as SAP Met status.

If a student placed on Financial Aid Probation status does not meet the minimum SAP requirements for a failed component at its next Minimum Measuring Point or the time specified in the student's academic plan if the plan specifies a date beyond the next Minimum Measuring Point, the student will be Dropped for failing to meet SAP requirements unless a waiver is granted by the Provost for Remington College.

A student Dropped for failing SAP requirements will not be eligible to re-enroll or re-enter in any program at any Remington College campus. (See Re-Enrollment and Re-Entry Policy regarding application to Satisfactory Academic Progress Policy.)

SATISFACTORY ACADEMIC PROGRESS APPEALS AND WAIVERS

Students may Appeal a determination that they have not met SAP requirements by submitting an Appeal in writing to the Provost for Remington College or his/her designee in accordance with the Appeal Procedures set forth below. The determination of the Provost for Remington College or his/her designee is final.

Appeal Procedures

To Appeal a determination that SAP requirements have not been met a student must submit a written Appeal request to Provost for Remington College. The Appeal request may be sent by email to academic.sap@remingtoncollege.edu, mailed to the Provost, 1800 Eastgate Drive, Garland, TX 75041 or hand-delivered to the Campus Dean at the campus the student attends. The Appeal request must be received by the School on or before end of the Drop/Add period of applicable to the class start date following the notice given to student of their failure to meet SAP requirements. A student on Financial Aid Warning status that fails to satisfy the SAP requirements as of the end of the Quarter during which the student was on Financial Aid Warning status or by the next Minimum Measuring Point if it occurs before the end of said Quarter must file an Appeal in order to be placed on Financial Aid Probation status and have their Title IV eligibility reinstated. For an Appeal to be granted, the Appeal must be based upon the death of a relative, an injury or illness of the student, or other special circumstances. The student must set forth in the Appeal Request the basis for the Appeal, why the student failed to make satisfactory academic progress, and what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation point.

Waiver Procedures

Students who fail to meet SAP requirements while on Financial Aid Probation status, as a result of failing to meet the terms and conditions of the academic plan agreed to as a condition to being placed on Financial Aid Probation status, will be Dropped unless the Student is granted a waiver by the Provost of Remington College. A Student must submit a written request for a waiver to the Campus Dean at the Campus. If the Campus Dean at the Campus determines the waiver request has merit, the waiver request shall be forwarded to the Provost of Remington College for review.

A Student will not be eligible to participate in Title IV programs if the waiver is granted until the Student regains eligibility to participate in Title IV programs. See Regaining Title IV Eligibility Section below.

Regaining Title IV Eligibility with Remington College

Students who lose eligibility to participate in Title IV programs as a result of failure to meet SAP requirements after being placed on Financial Aid Probation status can regain eligibility to participate in Title IV programs at Remington College as follows:

1. Absent a change of programs, eligibility to participate in Title IV programs can only be reinstated for a Quarter that occurs after the Student has completed a Quarter while being ineligible to participate in Title IV programs. Students will therefore have to complete at least one Quarter without being eligible to participate in Title IV financial aid programs to regain eligibility to participate in Title IV programs. The determination of the amount of Title IV funds a Student that regains eligibility to participate in Title IV programs after having lost eligibility is eligible to have disbursed will not include the charges incurred while the student had no Title IV eligibility.
2. Students who have two or more Quarters remaining after the Quarter in which the Student lost eligibility to participate in Title IV programs may regain eligibility by meeting SAP requirements at the end of Quarter that occurs after the Quarter in which the Student's eligibility to participate in Title IV programs terminated.
3. Students who do not have two or more Quarters remaining after the Student lost eligibility to participate in Title IV programs may regain eligibility by enrolling in a different program.
4. Students successfully appealing a determination that the student was not making satisfactory progress.

Students who elect to enroll in a program that is different from the one in which the Student was enrolled at the time the Student lost eligibility to participate in Title IV programs will be eligible to participate in Title IV financial aid programs for all Quarters in the new program provided the Student meets the SAP and all other eligibility requirements while enrolled in the new program.

Regaining Title IV Eligibility at Another Post-Secondary Educational Institution

Students may be eligible to regain Title IV eligibility at another post-secondary educational institution.
