ADDITIONAL MODIFICATIONS

Page 3: The first paragraph in Item 4 of the Admissions Requirements and Procedures has been amended to read as follows:

For the Heating, Ventilation and Air Conditioning diploma program and Medical Assisting diploma program, an applicant may be admitted under an Ability-to-Benefit determination that allows admission without requiring the applicant to have a high school diploma or equivalent, provided that the applicant is at least 19 years of age, has met the criteria to establish that he or she has the ability to benefit from the program and is also concurrently enrolled in Remington College's GED Test Preparation Course. Applicants who intend to use Veteran's Benefits must hold a high school diploma or equivalent and are not eligible to be admitted under the Ability-to-Benefit determination.

Page 4: Item 6 of the Admissions Requirements and Procedures has been amended to remove the fourth sentence, which states all applicants must attend classes on the first scheduled class date for the program they are enrolled.

Page 11: The Transcript Fee policy has been replaced with the following policy:

Upon completion of the program, graduates will receive one official transcript free of charge, unless the graduate has unpaid financial or other remaining obligations to Remington College. Any additional transcript requests will be charged \$15.00 per transcript for official or unofficial transcripts.

Page 50: The correct course description for PTA1333 is provided below.

This course includes a study of the structure and function of the endocrine, circulatory, immune, respiratory, digestive, excretory, and reproductive systems.
