ADDITIONAL MODIFICATIONS

Page 3: The following requirement has been added to the Admissions Requirements and Procedures policy:

For programs that include distance education components, applicants must complete the Wonderlic Admissions Risk Profile Survey and successfully complete a non-credit, online orientation to become acquainted with the virtual classroom environment in which courses will be delivered. The asynchronous online orientation is available to applicants once Remington College has received an Application for Admission executed by the applicant and must be completed prior to the beginning of classes.

Page 3: Item 4) of the admissions requirements has been amended to include the Medical Office Administration diploma program. Applicants without a high school diploma or equivalent may be admitted to the program under an Ability-to-Benefit determination and must meet and comply with all applicable requirements and policies as set forth in the Catalog.

Page 10: The Tuition and Additional Fees policy has been amended to include the following:

- *Replacement of Degree/Diploma Fee: Graduates will be charged \$45.00 for a duplicate copy of their degree/diploma.*
- *Transcript Fee: Upon completion of the program, graduates will receive one official transcript free of charge, unless the graduate has unpaid financial or other remaining obligations to Remington College. Any additional transcript requests will be charged \$45.00 per transcript for official transcripts and \$25.00 per transcript for unofficial transcripts.*
- *Student Verifications: Students will be charged \$25.00 per enrollment verification.*

Page 17: The Educational Equipment section has been amended to include the item below.

- *Facility maintenance course equipment may include: water heater(s), electrical board(s), trainer(s), appliances, HVAC/R equipment, and boiler(s).*

Pages 22: The program description and course descriptions for the Heating, Ventilation and Air Conditioning program have
& 47-48 been amended to include the course number and title changes outlined below.

- HV115 Introduction to HVAC and Refrigeration is now HV102 Basic Refrigeration Theory
- HV135 HVAC Automation Controls is now HV132 Basic Electricity
- HV155 Residential Systems I is now HV152 Residential Heating
- HV165 Residential Systems II is now HV162 Residential AC
- HV175 Commercial HVAC Systems is now HV172 Introduction to Air Conditioning and Major Components

Page 37: The prerequisites for CAD155 have been changed to CAD115 and CAD125.

Pages 51-52: The prerequisites for the MOA prefix courses have been removed.

Page 58: The Leaves of Absence policy has been amended to read as follows.

Remington College will allow a student enrolled in a program to apply for a leave of absence ("LOA") from their program of up to one hundred fifty (150) calendar days from the students last date of attendance prior to the commencement of the LOA. A student is only eligible for one LOA during each program of study. A LOA may only start at the beginning of a module. A written request for a LOA must be submitted by the student on an LOA Application Form which may be obtained from the Campus Dean or Administrator. An LOA will not be granted unless Remington College's Provost (or designee) determines that there is a reasonable expectation the student will resume their program within the LOA period. Students enrolled in programs that are being discontinued will not be granted a leave of absence if, upon returning from a leave of absence, the student will not be able to complete the program prior to its termination because of limited course availability. All LOA requests must be reviewed and approved by Remington College's Provost (or designee). If a medical emergency prevents the student from applying in writing in advance, the Provost (or designee) may approve an exception, in his/her sole discretion, based on the individual circumstances. A student's failure to return from a leave of absence may impact the loan repayment terms of a student's Title IV program loans including the exhaustion of the student's entire grace period.

Page 60: The 24 months and 18 months program length section of the Minimum Satisfactory Academic Progress Requirement Chart (Programs other than Cosmetology and Nail Technician Diploma Programs) has been amended to include the program length of 21 months.

Page 65: The Grade Adjustments Due to Excessive Absences in Residential Courses section of the Attendance Policy for Programs other than the Cosmetology Program has been replaced with the policy provided below.

Grade Adjustments for Participation in Residential Courses

The maximum grade a student will be eligible to receive for each course in the student's program will be based upon class participation. Students should monitor their participation grades in their canvas course. Active participation in the course includes participating in classroom discussions, lab participation, and attending class regularly.
