# RESTAURANT, HOSPITALITY, AND RETAIL MANAGEMENT

## ASSOCIATE OF APPLIED SCIENCE

21 Months

The Restaurant, Hospitality, and Retail Management program provides training in the various concepts and skills necessary for working in the restaurant, hospitality, tourism, and retail industries. The program provides in-depth training in industry related technology, security, marketing, human resources, sales, and customer service skills. The program utilizes a combination of lecture, demonstration and/or simulations to reinforce concept comprehension.

The objective of this program is to prepare graduates for entry-level positions in the Tourism, Restaurant Management, Hospitality, and Retail Management fields. This program also prepares individuals for advancement opportunities in these industries and related fields. Potential places of employment would be in tourism sales, event planning and management, various hotel, retail and restaurant positions, general management, casino and entertainment operations, catering companies, and a variety of tourism related positions.

The program requires completion of a minimum of 101 Quarter Credit Hours including any credits that have been accepted for transfer credit. Program completion normally requires 21 months.

The program is delivered in a system of seven, three-month quarters, which are delivered in a hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line).

Upon successful completion of all areas of this program, graduates will be awarded an Associate of Applied Science Degree.
