ADDITIONAL MODIFICATIONS

Page 3: The following paragraph has been added to Item 2) of the Admissions Requirements and Procedures.

Student with Foreign High School Transcripts
Applicants for admission who have obtained a high school diploma outside of the United States must provide proof that they hold the equivalent of a U.S. high school diploma, prior to attending class. This proof must be obtained by having the high school diploma translated to English, evaluated, and certified as equivalent to a U.S. high school diploma by a foreign evaluation service which is recognized by the National Association of Credential Evaluation Services (http://naces.org/members.html). The applicant is responsible for paying all fees associated with the evaluation, which is to be sent directly to the Chief Academic Officer. The Chief Academic Officer, or his or her designee, will review the evaluation results to determine if the foreign high school transcript is deemed equivalent.

Page 3: The third sentence of item 3) has been revised to read as follows:

The required passing score for the Wonderlic exam will be 17 or higher for the Computer and Network Administration associate degree program and 10 or higher for all other programs.

Page 4: The Attendance Requirements section of the Activation policy has been replaced with the following Attendance Requirements:

Attendance Requirements
In order to be eligible for activation, all applicants must meet the following attendance requirements for the term in which they begin classes:

- Attend at least one class on the first day of the term,
- Attend at least one class on at least 50% of the days classes are scheduled in the activation period, and
- Attend at least one class on at least 50% of the days classes are scheduled in the second week of the term.

Page 4: The following paragraph has been added to the Transfer of Credit for Programs Other than the Cosmetology Program section, under the General Discussion of Transfer Credit Determinations and Values subsection.

No more than 50% of a program’s total credit hour requirements may be satisfied with transfer credits. Credit hours earned at a Remington College location other than the Tampa Campus are not deemed to be transfer credits for purposes of applying this transfer credit limitation, and the grades earned therein shall be included in the calculation of the student’s CGPA.

Page 7: The Re-Enrollment Policy has been replaced with the following Re-Enrollment and Re-Entry policy:

RE-ENROLLMENT AND RE-ENTRY POLICY
Former students of Remington College who have dropped or been dropped and who wish to return to Remington College to re-enroll into the same program in which they were previously enrolled, or to re-enter Remington College in a different program are generally eligible to re-enroll or re-enter provided that:

- It has been less than 10 years since the date on which the former student ceased enrollment at Remington College,
- The program into which the former student wishes to re-enroll or to enter is being offered by the Campus at the time, and
- He or she meets the eligibility requirements for enrolling in the program that are applicable at the time.

Former students who have been out of Remington College for more than one year but less than ten years and who earned a cumulative GPA of less than 2.5 during their prior enrollment will be eligible to re-enroll or re-enter only with the express written approval of the Chief Academic Officer, which approval shall be at the sole discretion of the Chief Academic Officer.

Former students wishing to re-enroll or re-enter must have completed an Application no later than the close of business on the Tuesday preceding the start date of the term into which they seek to re-enroll or re-enter.

Note: Program requirements of the various programs may change over time. Accordingly, students wishing to re-enroll should be aware that some or all of the credit hours earned during their prior enrollments may not qualify for credit toward the current program requirements.

The eligibility of the Applicant seeking to re-enroll or re-enter is subject to the following criteria:

ACADEMIC CRITERIA
1) Former students who were dropped for violating the Student Code of Conduct (“SCC”) are not eligible to re-enroll or re-enter.
2) Former students who were dropped for failure to maintain Satisfactory Academic Progress (“SAP”) are not eligible to re-enroll.
3) Former students must have completed and executed both an Application and an Enrollment Agreement which has been executed by an authorized representative of Remington College and both documents must have been fully executed prior to the beginning (start time) of the class or term into which the Applicant is attempting to re-enroll or re-enter.

4) Former students who have dropped three times are not eligible to re-enroll or re-enter except this limitation can be waived in rare and special circumstances ONLY by the Chief Executive Officer of Remington College.

Note: Occasionally, students will be dropped by Remington College for administrative reasons, such as when a class needed by the student is not being offered in the upcoming term. Such drops will be recorded as “Administrative Drops” and will NOT be counted as a “drop” for purposes of the three drop limitation described above.

FINANCIAL CRITERIA
1) Former students seeking to re-enroll or re-enter must have made satisfactory financial arrangements in order to be eligible to re-enroll or re-enter. Generally the financial arrangements will be deemed satisfactory if the Applicant has demonstrated his or her ability to pay his or her cost of attendance for the re-enrollment or re-entry and satisfactorily address any outstanding balances from their prior enrollment.

2) Former students whose re-enrollment start date is equal to or less than 180 days from their last day of attendance will be charged the Tuition rate that was in effect during their enrollment. Former students whose re-enrollment start date is greater than 180 days from their last day of attendance will be charged the current Tuition rate effective for the term in which their re-enrollment begins.

OTHER CONSIDERATIONS
Notwithstanding the above provisions, the Campus President has the authority to determine that a former student is not eligible to re-enroll or re-enter if, in the opinion of the Campus President, the re-admittance of the former student would be detrimental to the Campus and its students.
