

REAL SKILLS FOR

THE REAL WORLD.

Remington's career-relevant degree and diploma programs are developed with your success in mind. Our instructors bring personal industry experience and hands-on training into the classroom.

AT REMINGTON COLLEGE, YOU'RE NEVER ON YOUR OWN— you have the support of our staff, instructors, and community connections. We offer assistance with financial aid and scholarship options for those who qualify, along with varied program start times and class schedules in select programs. While employment is not guaranteed for students or graduates, as you near the graduation, our career services team assists with training to help craft effective resumes and help prepare for that all important job interview.

SINCE 1985,

REMINGTON COLLEGE HAS FOCUSED ON
ENHANCING THE QUALITY OF LIFE OF OUR
STUDENTS THROUGH EDUCATION AND
TRAINING. AS A LOCALLY-BASED, NON-
PROFIT COLLEGE, WE WORK TO BENEFIT
THE COMMUNITIES WE SERVE. WE TAILOR
OUR PROGRAM OFFERINGS TO FULFILL
THE NEEDS OF AREA EMPLOYERS.

REMINGTON COLLEGE IS DEDICATED *to Your* SUCCESS.

Remington College is **non-profit** and community-focused. Remington College is accredited by the Accrediting Commission of Career Schools and Colleges. The Accrediting Commission of Career Schools and Colleges is listed by the U.S. Department of Education as a nationally recognized accrediting agency.

Why ACCSC Matters

ACCSC's scope of recognition with the U.S. Department of Education includes the accreditation of postsecondary, non-degree-granting institutions and degree-granting institutions that are predominately organized to educate students for occupational, trade, and technical careers.

CAREER SERVICES DEPARTMENT

Your future is important to us at Remington College. Although no reputable college can guarantee employment, we do take a proactive approach with your career planning and development — offering reliable coaching and putting our knowledge and resources to work for you in several ways.

Employment Applications and Résumés.

We'll help you design your résumé, offer tips on writing it, assist in completing employment applications, and more.

Connection with Potential Employers and Potential Jobs.

Our goal is to get local employers to know you. We invite them to visit our campuses as guest speakers and job fair participants. We also share current and future job leads and job openings and help set up interviews or pre-employment screenings for you.

Interview Techniques - Professional Development Activities.

By offering career development coursework and opportunities to take part in mock interviews, we'll help you fine-tune your interviewing skills, give you tips on professional appearance and how to build your confidence and readiness for interviews, and offer valuable advice on how to follow up after your interviews.

Help for Every Graduate.

You're not just a number, and you won't have to get on a waiting list to speak with our Career Services Representatives. In fact, we may even reach out to you first!

STUDENT FINANCE DEPARTMENT

If you're worried about how you'll pay for college, know that if you qualify for financial aid, you might just have a variety of options to help you cover the cost.¹

All Remington College campuses participate in the Title IV Federal Student Financial Aid Program. Our Student Finance Associates are ready to talk with you about your specific needs and the types of college financing options that could be available to you if you qualify and meet eligibility requirements.

We can also help you complete your Free Application for Federal Student Aid (FAFSA), along with scholarship, grant, and loan applications, at no cost to you.

REAL HELP TO MAKE COLLEGE MORE AFFORDABLE.

Grants/Other Scholarships

These monetary awards are available to qualifying students and generally don't have to be paid back. Grants are offered by the U.S. government (Federal Pell Grants), and many states also have grant and scholarship programs. Certain qualifications apply.

Loans

Long-term loans (offered either by the U.S. government or by lenders receiving government guarantees) generally have low-interest rates. Loans must be repaid, and they're generally scheduled to be repaid over ten years or more.

You typically don't start making loan payments until about six months after you leave school (whether or not you graduate).

Different types of loans include the subsidized loan, which doesn't charge you interest while you are in

school at least half-time, for the first months after you leave school, or during a period of deferment, and the unsubsidized loan, which you start owing interest on once the loan is disbursed to your student account. Certain qualifications apply.

Private loans may also be available to you through local banks, credit unions, or other student loan providers.

Other Resources

If you're currently working, your employer may offer tuition assistance. If you're a veteran or an active member of the military, you may be eligible for tuition assistance and other GI Bill benefits, too.²

We know it's easy to feel overwhelmed by all this, but that's where we come in. We'll help you wade through the language, the process, and the paperwork of financial aid, so you don't have to go at it alone.

²VA benefits available for those that qualify.

A REAL COMMUNITY CONNECTION.

Remington College believes a better world is within reach if we put our collective minds, hands, and hearts together. So we try to instill a real sense of giving back — for the good of our neighboring communities, and for your personal and professional growth and enrichment, too.

THESE ARE JUST SOME OF THE OUTREACH SERVICES AND CAUSES OUR PEOPLE ARE COMMITTED TO:

Community Services

Anywhere you find a Remington College campus; you will find multiple programs and events aimed at engaging you as a student, encouraging you to network and build connections and relationships and empowering your own future by giving back to the people in your local community.

National Multiple Sclerosis Society Partnership

Remington College, a non-profit college, has partnered with the National Multiple Sclerosis Society for a volunteer initiative across its campuses nationwide. As part of the partnership, Remington College will help promote awareness, volunteer for National Multiple Sclerosis Society such as Bike MS and Walk MS and fundraiser. The effort underscores Remington College's numerous community offerings as a non-profit institution.

By giving back, you can gain much in return, including invaluable, résumé-enriching experience and a brighter, more compassionate outlook — creating a chain of hope that will serve to make our world a better place, one day at a time.

HEALTH & BEAUTY

ASSOCIATE
DEGREE
PROGRAM

COSMETOLOGY

Cosmetologists provide clients with a number of beauty-enhancing services including hair styling, makeup application, hair removal, and nail and skin care.

CURRICULUM

COURSE CONTENT INCLUDES:

- Introduction to the Cosmetology Industry and Basic Services
- Basic Anatomy and Physiology
- Principles and Techniques of Chemical Relaxing, Permanent Waving, and Hair Color
- Study and Practice of Hair Design, Hair Shaping, and Thermal Styling
- Client Protection and Safety
- Frosting, Tipping, Foil Highlighting, and Framing
- Manicure and Pedicure Techniques
- Facial Make-up and Artistry
- Introduction to Salon Management

As a Cosmetologist, you can express your creativity through hair, makeup, and skincare techniques. You have the opportunity to work closely with clients to help them reach their personal aesthetic goals through hair styling, cutting, coloring, and texturing; manicures and pedicures; makeup application; massage techniques and more.

Administrative and organizational tasks may also include ordering supplies, conducting client consultations, and scheduling appointments.

Cosmetologists often work in beauty salons, resorts, or day spa environments. Wherever you choose to practice your craft, cosmetology gives you the opportunity to help people in your community to look and feel their best every day.

With Remington College's Cosmetology program, you can get the training you may need to work in the beauty industry.¹

¹Employment not guaranteed for students or graduates.

COSMETOLOGY

CAREER POSSIBILITIES²

Cosmetologists may practice in a variety of settings associated with the beauty or fashion industry, including:

- Full-service Salons
- Nail Salons
- Day Spas

HEALTHCARE

DIPLOMA
PROGRAM

DENTAL ASSISTING

Dental Assistants help keep a dental office running by performing essential office and procedural tasks, as well as working with patients to improve their level of dental care.

CURRICULUM

COURSE CONTENT INCLUDES:

- Basic Body Systems and Functions
- Oral Anatomy
- Oral Radiology
- Chairside Assisting
- Dental Science
- Dental Materials
- Dental Office Emergencies
- Computer Applications
- Office Applications
- Career Development
- Externship¹
An externship allows students to practice their skills in an actual dental setting.

As a Dental Assistant, your day may consist of supporting the office staff by scheduling patient appointments, keeping records of dental treatments, and working with billing and payment.

Dental Assistants also prepare patients for treatments and procedures, create impressions and casts, sterilize dental instruments, set up and assist dentists during procedures, create temporary crowns and process x-rays and labs.

If working in the dental field appeals to you, Remington's Dental Assistant Diploma Program can help you on your way to a new career.²

¹Must meet minimum GPA requirements to qualify for externship program. Certain Restrictions may apply.

²Employment not guaranteed for students or graduates.

DENTAL ASSISTING

CAREER POSSIBILITIES³

Dental Assistants may work in a wide variety of medical offices and facilities, including:

- Private Practice Dental Office
- Dental Clinic
- General Dentistry
- Pediatric Dentistry
- Periodontics
- Endodontics
- Prosthodontics

HEALTHCARE

9-MONTH
DIPLOMA
PROGRAM

MEDICAL ASSISTING

Accelerate your career in the healthcare industry
with Remington College's 9-month Medical Assisting
Diploma Program.¹

CURRICULUM

COURSE CONTENT INCLUDES:

- Introduction to Healthcare Services
- Health Science Procedures
- Clinical Procedures
- Pharmacology
- Anatomy and Physiology
- Insurance Applications, Billing and Coding
- Capstone and Certification
- Clinical Experience²

As a Medical Assistant, your daily tasks may include scheduling appointments, performing routine tests, handling patient billing and insurance claims, preparing examination rooms, recording vital information, maintaining inventory, and ordering supplies.

Medical Assistants are important members of any healthcare team, as they assist doctors and nurses in performing their duties more efficiently. They may also serve as the first point of contact with a patient by performing initial point-of-care testing, including collecting intake forms and samples.

Over the course of your 9-month diploma program, you will complete 8 classroom academic periods and a one-month externship module.^{1,2} This program is specifically designed to prepare graduates for entry-level positions in a number of healthcare settings, such as hospitals, clinics, nursing homes, and home health agencies.³

¹Program completion times may vary based on individual performance/circumstances.

²Must meet minimum GPA requirements to qualify for externship program.
Certain Restrictions may apply.

³Employment not guaranteed for students or graduates.

MEDICAL ASSISTING

CAREER POSSIBILITIES⁴

Medical Assistants may work in a wide variety of medical offices and facilities, including:

- Individual Private Practice
- Physician Groups
- Clinics

⁵Certain restrictions may apply.

HEALTHCARE

DIPLOMA
&
DEGREE
PROGRAM

MEDICAL ASSISTING WITH X-RAY TECH (LIMITED SCOPE)

Medical Assistants with X-ray Tech training work to assist physicians who use diagnostic imaging examinations in hospitals or clinic settings.

CURRICULUM

COURSE CONTENT INCLUDES:

- Career Development Fundamentals
- Health Science Essentials (includes CPR certification exam)
- Patient Care and Communication
- Medical Laboratory Procedures
- Cardiac Specialty Procedures
- Radiographic Imaging
- Externship (160 hours; gain practice in an actual medical setting)¹
- Capstone and Certification Preparation (prepare for the CCMA exam)

Medical Assistants with X-ray Tech training often perform various clinical and administrative duties in a healthcare setting. Daily tasks include taking patient medical history, answering questions, working with insurance and billing, and assisting in the use of specialized radiological imaging equipment and technology.

Those in this field may work in a variety of settings, including hospitals, clinics, or physicians' offices.

At Remington College, you can get the hands-on training and clinical experience you may need for a career in healthcare as a Medical Assistant with X-Ray Tech.²

¹Must meet minimum GPA requirements to qualify for externship program. Certain Restrictions may apply.

²Employment not guaranteed for students or graduates. State certification/ licensure may be required. This program should not be confused with an x-ray technologist program.

MEDICAL ASSISTING WITH X-RAY TECH (LIMITED SCOPE)

CAREER POSSIBILITIES³

Medical assistants who have the additional skills of X-ray may work in the following settings:

- Radiology Clinics
- Physicians' Offices
- Clinics

HEALTHCARE

DIPLOMA
PROGRAM

MEDICAL OFFICE ADMINISTRATION

Medical Administrative Assistants work alongside doctors and nurses in various healthcare settings to fulfill medical office administrative tasks.

CURRICULUM

COURSE CONTENT INCLUDES:

- Fundamentals of Medical Office Administration
- Healthcare Business Management
- Structure and Function of the Human Body
- Law, Ethics, and Medical Records
- Fundamentals of Practice Management
- Introduction to Coding
- Basic Medical Coding Applications
- Medical Terminology

As a Medical Office Administration graduate,

you may work in locations such as hospitals, clinics, nursing homes, medical supply businesses, home health agencies, and general offices. Though most Medical Office Administration professionals execute similar job responsibilities, your day-to-day role will depend on your particular workplace environment.

Medical Administrative Assistants often answer phone calls, schedule appointments, communicate with insurance companies, communicate test results, order medical supplies, update patient records, and more. Specific jobs in this healthcare field include medical administrative assistant, medical billing specialist, collections clerk, or patient services representative.

With Remington College's diploma program in Medical Office Administration, students will be able to study the fundamentals of medical office administration, healthcare practices, medical terminology, and the basics of medical coding.¹

¹Employment not guaranteed for students or graduates.

MEDICAL OFFICE ADMINISTRATION

CAREER POSSIBILITIES²

A Medical Office Administration diploma may lead to an entry-level position such as:

- Medical Administrative Assistant
- Medical Billing Specialist
- Medical Collections Clerk
- Patient Services Representative
- Admissions Clerk
- Front Office Assistant
- Medical Record Clerk
- Medical Claims Clerk
- Insurance Coordinator
- Insurance Verification Clerk

PROCESS TECHNOLOGY

Process Control Technicians monitor and control processing equipment such as pumps, compressors, heat exchangers, distillation columns, boilers, and furnaces.

CURRICULUM

COURSE CONTENT INCLUDES:

- Introduction to Process Control
- Process Technology Equipment
- Process Instrumentation
- Process Technology Systems
- Introduction to Chemistry
- Instrumentation
- Safety, Health and Environment
- Equipment Startup, Operation, and Shutdown
- Quality Control

As a Process Control Technician,

you may seek employment in a number of careers in manufacturing, chemical processing, or waste and water treatment. Specific day-to-day duties vary depending on the workplace and type of process you oversee.

Process Technicians play a number of roles to ensure the smooth operation of an industrial plant, including monitoring, controlling, and troubleshooting instrumentation boards, pumps, compressors, heat exchangers, controls, alarms, and other specialized equipment. They may also engage in administrative work including reviewing production schedules, reporting data and documenting manufacturing process information.

Remington College's Process Technology degree program provides training relevant to a number of promising careers in this technology-driven industry.¹

¹Employment not guaranteed for students or graduates.

PROCESS TECHNOLOGY

CAREER POSSIBILITIES²

Process Control Technicians may work in the following settings:

- Manufacturing Plants
- Food Processing Plants
- Power Plants
- Wastewater Treatment Plants
- Petroleum Refineries
- Chemical Manufacturers

EQUIPMENT

Train on industry-standard engineering and process control training equipment

- Level Measurement Trainer
- Analytic Process Trainer
- Process Equipment Cutaway Series
