INTRODUCTION

Thank you for your interest in Remington College.

For those of you considering attending Remington College’s Houston North Campus (Greenspoint Area) (“Campus”), we encourage you to read this Catalog to gain a full understanding of the various programs and services offered by Remington College, and to talk with Campus Representatives.

For those of you who have made the decision to attend Remington College, congratulations! We hope that you will find your time at Remington College to be both educational and rewarding, and that your efforts will help you on your way to a better career and a more fulfilling and enjoyable life. Please take the time to read this entire Catalog to obtain a thorough understanding of the programs and services.

By way of introduction, Remington College is a common name used by all campuses of a group of affiliated companies of nonprofit post-secondary educational institutions. Remington College, and the predecessor owners, have operated the colleges since 1985. Currently Remington College has one or more campus locations in the following states: Alabama, Arkansas, Florida, Hawaii, Louisiana, Ohio, South Carolina, Tennessee, and Texas.

Remington College offers both degree and non-degree (diploma) programs of study intended to provide students with the education and training needed for entry-level positions in a variety of career fields including: business, computers/information technology, criminal justice, electronics, graphic arts and health sciences (sometimes referred to as “allied health programs”).

Financial aid is available for those who qualify. (For a detailed discussion of available financial aid and financial assistance programs, refer to the Financial Aid section of this Catalog.)

In addition to financial aid and financial assistance services, each Remington College campus also offers placement assistance to assist students in their effort to find suitable employment upon completion of their program of study. (For more information see the Student Services section of this Catalog.)

CAMPUS LOCATION AND FACILITIES

The Campus is located at 11310 Greens Crossing Boulevard, Suite 300, Houston, TX and is comprised of approximately 43,000 square feet, including 18 lecture classrooms that are networked and can be used for laptop programs, eight computer labs, three medical labs, one X-ray lab, two dental labs, one pharmacy lab, one forensics/crime scene lab, four cosmetology lecture rooms, a student salon, a pedicure/manicure area, two facial rooms, an Information Resource Center, an indoor and outdoor student break area, one faculty work room, and administrative offices. Information regarding relevant local safety and health standards, such as fire, building, and sanitation is available to students upon request.

ACCREDITATION, AFFILIATIONS AND LICENSING

The Campus:
- Is eligible for participation in Title IV programs. Financial aid is available for those who qualify.
- Is approved for the training of veteran and eligible persons under the provisions of Title 38, United States Code.
- Provides training services for vocational rehabilitation programs where available.

ACCSC Accreditation

The Campus is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). The ACCSC is located at 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201, phone number (703) 247-4212. The Accrediting Commission of Career Schools and Colleges is recognized by the U.S. Department of Education as a national accrediting agency.

Remington College’s GED Test Preparation Course is not within the Campus’ scope of accredited programs.

STATE LICENSURE

State licensure does not constitute accreditation, guarantee the transferability of credit, nor signify that programs are certifiable by any professional agency or organization. The Campus holds a Certificate of Authorization issued by the Texas Higher Education Coordinating Board (THECB). The Certificate of Authorization legally authorizes the Campus to grant degrees, grant credits toward degrees, and to use certain protected academic terms in the State of Texas. Specifically, the institution has qualified for an exemption as defined in Chapter 7.3 of the THECB’s rules. Authority for this exemption is based on the institution’s accreditation with the ACCSC. The Cosmetology and Nail Technician diploma programs are licensed and regulated by the Texas Department of Licensing and Regulation.
CONTRACTUAL RELATIONSHIPS
A student contracting with Remington College has a legal relationship only with Remington College and has no legal relationship with other affiliated companies. Students agree and acknowledge by the signing of their Application and Enrollment Agreement (and such other documents as may be required for admission to Remington College), that no legal relationship exists between the students and any legal entity other than Remington College.

EDUCATIONAL PHILOSOPHY AND OBJECTIVES/MISSION STATEMENT
The vision of Remington College is to operate at all times in accordance with the highest ethical standards while continually striving to improve the quality of education, services and value provided to our students, employers and the community, and to provide security to our employees and their families by ensuring the long-term viability of our Campuses.

The mission of Remington College is to contribute to the public good by providing relevant, career-focused education designed and intended to help students acquire the knowledge and develop the skills and abilities necessary for successful entry into their chosen career fields. Remington College believes that a well-educated workforce contributes to the economic and social vibrancy of the diverse communities in which its students, faculty, and staff live. To accomplish its mission, Remington College is committed to providing a caring learning environment in which a technically rich, intellectually stimulating, quality education is delivered by a dedicated faculty and staff.
ADMISSIONS REQUIREMENTS AND PROCEDURES

Applicants for admission must visit the campus, meet with an Admissions Representative, and tour the facilities.

To be admitted an applicant must:

1) Execute an Application and Enrollment Agreement with Remington College. If the applicant is under 18 years of age, the Application and Enrollment Agreement must be signed by the parent, guardian, or other person with the legal authority to act on behalf of the minor applicant.

Applicants for the Cosmetology programs, who do not hold an active cosmetology operator license issued by the Texas Department of Licensing and Regulation, must also complete a Notice to Prospective Students Regarding Licensing Requirements for Cosmetology Positions in Texas form.

Applicants for the Criminal Justice programs must also complete a Notice to Prospective Students Regarding Minimum Licensure Requirements for Law Enforcement Positions in Texas form.

Applicants for the Dental Assisting and Medical Assisting with X-Ray Tech (Limited Scope) programs must also (i) complete a Criminal History Acknowledgement and Self-Disclosure Form and (ii) execute a Consent for Release of Criminal Background Information authorizing a criminal background check prior to executing an Application and Enrollment Agreement.

Applicants for the Nail Technician diploma program must also complete a Notice to Prospective Students Regarding Licensing Requirements for Nail Technician Positions in Texas form.

Applicants for the Pharmacy Technician program must also (i) complete a Criminal History Acknowledgement and Self-Disclosure Form; (ii) execute a Consent for Release of Criminal Background Information authorizing a criminal background check; (iii) execute a State Licensure Acknowledgement and Disclosure Form; and (iv) execute a Drug Screening Acknowledgement and Disclosure Form prior to executing an Enrollment Agreement.

2) Provide documentation of high school graduation or equivalent (such as a GED) prior to enrollment (i.e., before the Enrollment Agreement is signed by the accepting school official and before being allowed to start classes).

The high school diploma or equivalent must be from a high school or GED testing center recognized by Remington College and the documentation must be in English or have been translated to English by a recognized translator or by the office of the Provost for Remington College. Satisfactory documentation includes, but is not limited to, any of the following items:

a) Copy of the high school diploma or equivalent, such as a GED.

b) Copy of a high school or college transcript indicating high school graduation status.

c) Copy of form DD214 indicating graduation status.

d) Copy of a letter indicating graduation status and graduation date from an appropriate school official or state official.

e) Such other documentation as deemed acceptable by the Provost for Remington College.

Student with Foreign High School Transcripts
Applicants for admission who have obtained a high school diploma outside of the United States must provide proof that they hold the equivalent of a U.S. high school diploma, prior to attending class. This proof must be obtained by having the high school diploma translated to English, evaluated, and certified as equivalent to a U.S. high school diploma by a foreign evaluation service which is recognized by the National Association of Credential Evaluation Services (http://naces.org/members.html). The applicant is responsible for paying all fees associated with the evaluation, which is to be sent directly to the Provost. The Provost, or his or her designee, will review the evaluation results to determine if the foreign high school transcript is deemed equivalent.

3) Take and pass a standardized entrance exam. The Wonderlic Scholastic Level Exam (SLE) exam will be used as the sole acceptable entrance exam for all applicants other than those seeking admission under the Ability-to-Benefit determination, who will be subject to the exam procedures described in items 4 or 5 below. The required passing score for the Wonderlic exam will be 13 or higher for the Paralegal associate degree program and 10 or higher for all other programs. Applicants will be allowed to take the entrance exam a maximum of three times. If an applicant must take the entrance exam a third time it may not be administered until 12 hours after taking the second exam. Applicants who fail to achieve a passing score after the third exam will never be eligible for admission into any Remington College campus. The Wonderlic exam is not required for students entering a program who can show proof of an associate’s degree or higher from an accredited college.
4) For the Nail Technician diploma program, an applicant may be admitted under an Ability-to-Benefit determination that allows admission without requiring the applicant to have a high school diploma or equivalent, provided that the applicant is at least 19 years of age and has met the criteria to establish that he or she has the ability to benefit from the program. To be admitted as an Ability-to-Benefit student, an applicant must achieve a passing score established by Remington College on a test approved by the United States Department of Education. Remington College uses the Wonderlic Basic Skills Test, Quantitative Form QS-1 or QS-2, and Verbal Form VS-1 or VS-2. A minimum score of 210 must be obtained on the quantitative test and a minimum score of 200 must be obtained on the verbal test in the same test administration. If an applicant does not pass both tests, the applicant may be eligible for re-testing. Retests are administered at the discretion of the Independent Test Administrator and the applicant must be retested on both the quantitative and verbal tests.

5) For the Medical Assisting diploma program and Medical Office Administration diploma program, an applicant may be admitted under an Ability-to-Benefit determination that allows admission without requiring the applicant to have a high school diploma or equivalent, provided that the applicant is at least 19 years of age, has met the criteria to establish that he or she has the ability to benefit from the program and is also concurrently enrolled in Remington College’s GED Test Preparation Course. Applicants who intend to use Veteran’s Benefits must hold a high school diploma or equivalent and are not eligible to be admitted under the Ability-to-Benefit determination.

To be admitted as an Ability-to-Benefit student, an applicant must achieve a passing score established by Remington College on a test approved by the United States Department of Education. Remington College uses the Wonderlic Basic Skills Test, Quantitative Form QS-1 or QS-2, and Verbal Form VS-1 or VS-2. A minimum score of 210 must be obtained on the quantitative test and a minimum score of 200 must be obtained on the verbal test in the same test administration. If an applicant does not pass both tests, the applicant may be eligible for re-testing. Retests are administered at the discretion of the Independent Test Administrator and the applicant must be retested on both the quantitative and verbal tests.

One of the requirements to remain enrolled in the Medical Assisting diploma program and Medical Office Administration diploma program is to be concurrently enrolled in Remington College’s GED Test Preparation Course until you successfully pass the GED test. Otherwise, failure to remain concurrently enrolled in Remington College’s GED Test Preparation Course will result in the termination of your enrollment with Remington College meaning you will be dropped from both the GED Test Preparation Course AND the corresponding career training program.

Students who do not maintain satisfactory attendance in the GED Test Preparation Course will be dropped from both the GED Test Preparation Course AND the corresponding career training program. Additionally, students enrolled in the Medical Assisting diploma program will be required to sit for the GED test (at no charge) no later than the end of the eighth module of the Program. Failure to take the GED test before the end of the eighth module will result in the student being dropped from both the GED Test Preparation Course AND the Medical Assisting diploma program. As a condition of graduation from the Medical Office Administration program, each student must make at least one attempt at the GED test prior to completing the postsecondary training.

6) For admission to the Cosmetology associate degree program, applicants must provide proof of successful completion of a cosmetology training program and an active cosmetology operator license issued by the Texas Department of Licensing and Regulation.

7) For admission into the Criminal Justice bachelor degree program, applicants must have an associate’s degree in Criminal Justice or a related field as determined by the Provost (or his/her designee) for Remington College with a minimum of 90 quarter credit hours in lower-level coursework, of which a minimum of 24 credit hours must be in general education in fields such as math, English, social sciences, and communications, or the equivalent from a nationally or regionally accredited institution.

8) No later than 30 days after the class start date the student must have made satisfactory financial arrangements to provide for complete payment of all amounts expected to be due to the institution for Tuition and fees. This requirement may include, but is not limited to, the completion of credit applications, financial aid applications and forms (if the applicant wishes to apply for financial aid), and the execution of promissory notes or other documents necessary to obtain the requisite financial aid or other financial assistance. Students who have not met this requirement to the satisfaction of Remington College will be dropped, and any Tuition charged up to this date will be the responsibility of the student. Any exceptions to this requirement must be approved in writing by the Director of Financial Aid (or his/her designee) for Remington College.
9) Applicants are enrolled for class starts on a space-available basis. In order to be eligible for enrollment, the applicant must have executed an Application and Enrollment Agreement prior to the first scheduled class of the program for which the applicant is applying. If this requirement is not met, the applicant will not be eligible to enroll in that program for that term. Any exceptions to this requirement must be approved in writing by the President (or his/her designee) of Remington College.

**ACTIVATION**

In order to be activated (to officially become a student), applicants must meet the minimum requirements as set forth below. Applicants who do not meet the activation criteria will be canceled.

**CRITERIA FOR ACTIVATION**

- Satisfy the requirements for admissions as set forth above, and
- Satisfy the attendance requirements as set forth below.

In addition to the above, the criminal background check performed on Dental Assisting, Medical Assisting with X-Ray Tech (Limited Scope), and Pharmacy Technician applicants must reflect no prior criminal history or the activation must be approved by Remington College’s Legal Department.

**Activation Period**

The activation period begins the first day classes are scheduled to begin and ends at the close of the last day of scheduled classes in the second week of the term in which the applicant begins classes. Any exceptions to the activation deadline must be approved by the Provost (or his/her designee) for Remington College.

**Attendance Requirements for Activation**

In order to be eligible for activation, all applicants must meet the following attendance requirements for the term in which they begin classes:

For Programs Other than the Cosmetology and Nail Technician Diploma Programs

- For applicants enrolled in courses delivered residentially: Attend at least one class on at least 50% of the days classes are scheduled in the first or second week of the term.
- For applicants enrolled in only courses delivered via distance education (on-line): log into the online classroom at least once during first two weeks of the term.

Applicants enrolled in courses delivered both residentially and via distance education (on-line) will be required to meet the activation requirements for applicants enrolled in courses delivered residentially. However, please note that failure to attend any scheduled distance education (on-line) courses during the first two weeks may result in the applicant being dropped from those courses. Please see the Procedures-Drop/Add Period and Adding or Dropping Courses policies for additional information.

For the Cosmetology Diploma Program

- Attend at least 50 clock hours during the first two weeks of the term.

For the Nail Technician Diploma Program

- Attend at least 40 clock hours during the first two weeks of the term.

Exceptions to the Attendance Requirements for Activation may be granted only upon written request from the Director of Campus Administration or Campus Dean and with the written approval of the Provost (or his/her designee) for Remington College.

In the event any scheduled classes are canceled due to weather or other reasons during the first two weeks of the term, the College Head Registrar of Remington College and the Director of Campus Administration shall determine the percentage of class attendance required for activation for the term in which the cancellations occurred.

**PROCEDURES-DROP/ADD PERIOD**

For “new students” (i.e., individuals beginning their program of study), and for former students who are “re-enrolling” in a program of study in which they were previously enrolled, the drop/add period is equal to the “activation period”.

For continuing students beginning a new term, the drop/add period is one week (ending at 11:59 PM Central time on the seventh day of the term). The drop/add period is the same for all programs.
Adding or Dropping Courses
Students may add a course(s) or drop from a course(s) during the drop/add period. Additionally, a student will be dropped from any course in which the student has no positive attendance recorded during the drop/add period. No grade will be recorded and no Tuition will be charged for courses dropped during the drop/add period. A student who was dropped from a course for having no positive attendance recorded during the drop/add period, may request to be reinstated into the course. Such request must be made in writing and submitted to the Campus Dean within 72 hours of the end of the drop/add period and, in order to be granted, requires the approval of the Provost (or his/her designee).

Students may drop courses after the drop/add period, however, a grade will be recorded and Tuition will be charged. Students who drop or are dropped from a course(s) after the drop/add period will receive the following grade(s):
- A “W” if student drops/is dropped before 50% of Grading Period is completed.
- A “W” if more than 50% of the Grading Period has been completed AND student has a passing grade at the point in time when student drops/is dropped.
- An “F” if failing after 50% of Grading Period.

PRIOR LEARNING CREDIT
After being admitted as a student at Remington College, the student can request a Course Challenge. A Course Challenge is a request to complete an exam similar to the final exam for the course. Some exams may require a lab demonstration component. The test will be a proctored exam, administered by a program specific representative.

Successful completion of the exam with a grade of 70% or higher will qualify for Prior Learning Credit. The course grade will show on the students transcript as “TO” to document course completion. Once enrolled, the student can request the Course Challenge Request Form from the Director of Campus Administration or Campus Dean. A Course Challenge is not eligible once a student attempts the course. The completed form must be submitted and the Course Challenge exam must be completed prior to attempting or attending the course for which the student is requesting the challenge.

A student is no longer eligible to request a Course Challenge once the student attempts 50% of the program credits.

Not all courses are eligible for Prior Learning Credit and certain programs may require a higher passing grade to fulfill the program specific requirements. The Provost can authorize approval for a Course Challenge when mitigating circumstances are presented. Prior Learning Credit will be counted as attempted and earned credit for the purpose of measuring the qualitative component of Satisfactory Academic Progress, but will not be calculated in the student’s Grade Point Average for the purpose of measuring the quantitative component of Satisfactory Academic Progress.

TRANSFER CREDIT FOR PROGRAMS OTHER THAN THE COSMETOLOGY DIPLOMA AND NAIL TECHNICIAN DIPLOMA PROGRAMS
This section does not apply to recipients of military/veteran education benefits. Transfer credits for students eligible to receive Veteran Education Benefits are governed by the Transfer of Credit Policy for Recipients of Military/Veteran Education Benefits section of this Catalog.

Remington College may accept transfer credits into certain programs, as set forth in more detail below. Remington College will consider accepting transfer credits only from accredited colleges and universities, Joint Services Transcript (JST), Defense Activity for Non-Traditional Education Support (DANTES/DSST) transcript, College Level Examination Program (CLEP) score, and/or Community College of the Air Force (CCAF).

In order for credits from another accredited college or university to be accepted as transfer credits:
- The credits must have been determined by the appropriate campus administrator and the Campus registrar, or his or her designee, to be at the appropriate level and “equivalent” to the course or courses being obviated by virtue of transfer credit being accepted;
- Remington College must be provided with an official transcript directly from the “sending” institution;
- The student must have earned a grade of “C” or higher, and;
- The determination that a transfer credit will be accepted must be made prior to attempting 50% of the program credits and at least one week before the term in which the student is scheduled to take the course or courses to be obviated. A student who enrolls/registers in a course that may be awarded later as transfer credit will not be issued a refund for that course in which he/she was enrolled prior to receiving transcripts if the course proves to be unnecessary.
In some instances Remington College may determine that a credit accepted for transfer credit will satisfy the requirement for replacement for a course or courses, even though the exact amount of credit hours may exceed or be less than the credit hours of the course being replaced by a small margin. For example, if Remington College has a course with a seven (7) quarter credit hour value, and the course being excepted for transfer was four (4) semester hours, then Remington College may, at the discretion of the Provost, or his or her designee, award seven (7) quarter credit hours for the transferred course and consider the seven (7) quarter credit hour requirement to have been met, even though the course transferred in converts to only six (6) quarter credit hours. The determination to award a credit hour value higher than the calculated converted value, or “rounding up,” requires the written concurrence and approval of the Provost of Remington College, and the final determination of whether such “rounding-up” is approved shall be based solely on his or her professional judgment. Conversely, the course being transferred in may convert to a higher quarter credit hour value than the course being replaced, in which case the transfer credit awarded will be only the amount of the course being replaced/obviated by the transfer credits (“rounding down”). For purposes of calculating the conversion of Semester credit hours into Quarter credit hours, the ratio of one semester credit hour to one and one-half quarter credit hours (1:1.5) shall be applied.

No more than 50% of a program’s total credit hour requirements may be satisfied with transfer credits. Exceptions to extend up to 75% transfer credit must be approved by the Provost. Credit hours earned at a Remington College location other than the Houston North Campus (Greenspoint Area) are not deemed to be transfer credits for purposes of applying this transfer credit limitation, and the grades earned therein shall be included in the calculation of the student’s CGPA.

TRANSFER CREDIT FOR THE COSMETOLOGY DIPLOMA PROGRAM

Remington College may accept students who have attended other (non-Remington College) cosmetology programs or schools provided that the student meets Remington College’s Admissions Criteria. Prospective students may be eligible to receive a limited amount of “transfer credits” provided that the prospective student demonstrates an acceptable level of knowledge and competence in the subject matter taught at Remington College to the satisfaction of a Remington College Cosmetology Instructor and the Cosmetology Program Chair, who will jointly conduct an assessment of the prospective student’s skills and knowledge.

The Instructor and the Program Chair will recommend the amount of transfer credit to be awarded by Remington College and the Campus Dean will approve, reject or modify that recommendation. The determination of the Campus Dean shall be final. Prospective students who will not be receiving Veteran’s Benefits may receive transfer credits for a maximum of 50% of the clock hours of the program. Exceptions may be granted by the Provost to extend transfer credit up to 75% of the total program clock hours.

Transfer credits must be applied prior to the first day of attendance in the program. No partial module credits will be transferred. Prospective students who will be receiving Veteran’s Benefits will be subject to the Veteran’s Administration Transfer of Credit Policy.

TRANSFER OF CREDIT POLICY FOR RECIPIENTS OF MILITARY/VETERAN EDUCATION BENEFITS (TUITION ASSISTANCE, POST 9/11 GI BILL, ETC.)

All applicants eligible to receive military/veteran education benefits must complete and sign a “Record of Previous Education and Training for Military/Veteran Students” form and identify any previous education and/or training, prior to being activated, so the Campus can evaluate whether any credit should be given for the previous education and/or training identified by the applicant. In order to receive credit for previous education and/or training (and remain eligible for military/veteran education benefits), the Campus must receive an official transcript or a notarized equivalent from each previous postsecondary institution and/or military training facility attended with respect to the courses/training identified by the applicant on the “Record of Previous Education and Training for Military/Veteran Students” form.

All applicants with previous education and/or training identified must also complete and sign a “FERPA – Consent to Release of Personally Identifiable Information and Education Records,” authorizing each previous postsecondary institution and/or military training facility to release the applicant’s transcripts to the Campus. The Campus will attempt to obtain these transcripts (or notarized equivalents) by sending a written request to each previous postsecondary institution and/or military training facility identified by the applicant on the “Record of Previous Education and Training for Military/Veteran Students” form. To the extent the Campus and/or applicant have difficulty in obtaining any transcript(s), the Campus will work with the Department of Defense, applicable military branch and/or Department of Veteran’s Affairs in a further effort to obtain these transcripts. While the Campus will attempt to obtain these transcripts, assistance from the applicant may be necessary, including but not limited to, the payment of any outstanding balance or fees owed to the previous postsecondary institution and/or military training facility required for the release of the transcripts.
All transcripts (or notarized equivalents) must be received by the Campus by the end of the activation period. If all transcripts are not received in time to be evaluated by the end of the activation period, the applicant will not be activated as an official student, and the student will not be charged any tuition. The only exception to providing all transcripts by the end of the activation period is if/when the transcripts pertain solely to prior training that is not applicable to the program for which the student has applied as determined by Remington College’s Provost. In that case, upon approval of the Provost, the applicant can be activated as a student and will have two quarters to provide the transcripts; however, if all transcripts are not received in time to be evaluated during the student’s first two quarters of enrollment, the student may not be certified to receive military/veteran education benefits, and the student will be personally responsible for all tuition associated with his/her enrollment.

Upon receipt of the transcripts for the identified training, the Campus will evaluate them to determine whether any credit should be given for the previous education and/or training identified by the student with respect to the program in which student has enrolled, as well as determine whether a skills test evaluation is required to demonstrate the requisite proficiency in the applicable field of study. Following the evaluation(s), the Campus will issue the appropriate credit(s) toward the student’s program. The Campus will maintain a written record of previous education and training of any student eligible for military/veteran education benefits, as well as the Campus’ evaluation of the student’s previous education and training that clearly indicates that appropriate credit has been given for all previous education and/or training identified by the student.

LIMITATIONS ON TRANSFERABILITY OF CREDITS TO NON-AFFILIATED EDUCATIONAL INSTITUTIONS

The decision of whether an educational institution will accept transfer credits is made at the sole discretion of the “accepting institution.” Remington College has no ability to influence whether a non-affiliated college or educational institution will accept the transfer of credits from Remington College. Accordingly, Remington College does not make any representation that credits from Remington College will be transferable to any non-affiliated college or educational institution, nor is any representative of Remington College authorized to make any such representation or promise of transferability.

Remington College offers programs that are career-focused. The courses that comprise the programs are designed to offer training considered to be required or desired for a specific career. Accordingly, the courses may be very different from courses that might be offered by an educational institution that offers more traditional, and therefore, more generalized education.

The student is advised that Remington College accepts no liability if credits earned at Remington College will not transfer to another educational institution, except that such credits may be accepted by other Remington College campuses. It is the student’s responsibility to confirm whether or not credits will be accepted by another institution of the student’s choice. Prospective students are advised not to attend this Campus if their intention is to obtain credits for the purpose of transferring those credits to a non-affiliated educational institution. Remington College does not promise, represent or guarantee that credits from Remington College will transfer to any non-affiliated college or educational institution.

As previously described in this Catalog, Remington College is a member of a group of affiliated campuses. Each of the affiliated campuses accepts transfer credits from other affiliated campuses to the extent that the receiving campus offers identical or substantially similar programs or courses.

While some non-affiliated educational institutions may accept the transfer of credits from the programs offered by Remington College, students and prospective students should assume that credits from Remington College will not transfer to non-affiliated educational institutions. The Application and Enrollment Agreement contains language advising students that credits from Remington College are not likely to be accepted by non-affiliated educational institutions and that Remington College accepts no liability related thereto.

FULL-TIME STUDENTS

Students enrolled in degree programs are considered to be full time if they are enrolled for twelve (12) or more Credit Hours at the end of the add/drop period of a Quarter or scheduled for eighteen (18) or more Credit Hours for the Term.

Students enrolled in diploma programs other than the Cosmetology program are considered to be full time if they are scheduled for 20 classroom or laboratory hours per week.

Students enrolled in the Cosmetology diploma program are considered to be full time if they are scheduled for 24 clock hours per week.
RE-ENROLLMENT AND RE-ENTRY POLICY

Former students of Remington College who have dropped or been dropped and who wish to return to Remington College to re-enroll into the same program in which they were previously enrolled, or to re-enter Remington College in a different program are generally eligible to re-enroll or re-enter provided that:

- It has been less than 10 years since the date on which the former student ceased enrollment at Remington College,
- The program into which the former student wishes to re-enroll or to enter is being offered by the Campus at the time, and
- He or she meets the eligibility requirements for enrolling in the program that are applicable at the time.

Former students who have been out of Remington College for more than one year but less than ten years and who earned a cumulative GPA of less than 2.5 during their prior enrollment will be eligible to re-enroll or re-enter only with the express written approval of the Provost, which approval shall be at the sole discretion of the Provost.

Former students wishing to re-enroll or re-enter must have completed an Application no later than the close of business on the Tuesday preceding the start date of the term into which they seek to re-enroll or re-enter.

Note: Program requirements of the various programs may change over time. Accordingly, students wishing to re-enroll should be aware that some or all of the credit hours earned during their prior enrollments may not qualify for credit toward the current program requirements.

The eligibility of the Applicant seeking to re-enroll or re-enter is subject to the following criteria:

ACADEMIC CRITERIA

1) Former students who were dropped for violating the Student Code of Conduct ("SCC") are not eligible to reenroll or re-enter.
2) Former students who were dropped for failure to maintain Satisfactory Academic Progress ("SAP") are not eligible to re-enroll.
3) Former students must have completed and executed both an Application and an Enrollment Agreement which has been executed by an authorized representative of Remington College and both documents must have been fully executed prior to the beginning (start time) of the class or term into which the Applicant is attempting to re-enroll or re-enter.
4) Former students who have dropped three times are not eligible to re-enroll or re-enter except this limitation can be waived in rare and special circumstances ONLY by the President of Remington College.

Note: Occasionally, students will be dropped by Remington College for administrative reasons, such as when a class needed by the student is not being offered in the upcoming term. Such drops will be recorded as "Administrative Drops" and will NOT be counted as a "drop" for purposes of the three drop limitation described above.

FINANCIAL CRITERIA

Former students seeking to re-enroll or re-enter must have made satisfactory financial arrangements in order to be eligible to re-enroll or re-enter. Generally the financial arrangements will be deemed satisfactory if the Applicant has demonstrated his or her ability to pay his or her cost of attendance for the re-enrollment or re-entry and satisfactorily address any outstanding balances from their prior enrollment.

OTHER CONSIDERATIONS

Notwithstanding the above provisions, the Director of Campus Administration has the authority to determine that a former student is not eligible to re-enroll or re-enter if, in the opinion of the Director of Campus Administration, the re-admittance of the former student would be detrimental to the Campus and its students.

NONDISCRIMINATION POLICY

The Campus does not deny admission or discriminate on the basis of age, race, sex, religion, national origin, veteran’s status, disability, or sexual orientation. The Campus does not make any pre-admission inquiries regarding an individual’s disability. The Campus admits students of any race, color, national and ethnic origin or other protected characteristic to all rights privileges, programs and activities generally accorded or made available to students at the Campus. The Campus does not discriminate on the basis of race, color, national and ethnic origin or other protected characteristic in the administration of its educational polices, scholarship and loan programs and other Campus administered programs. In addition, the institution complies with the Civil Rights Act of 1964, related Executive Orders 11246 and 11375, Title IX of the Education Amendments Act of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Americans with Disabilities Act of 1990 and all applicable state civil rights laws.
ADMISSION OF DISABLED INDIVIDUALS
Remington College does not discriminate against persons with disabilities that can satisfy Remington College’s admission requirements and recognizes such person’s right to participate in or benefit from the educational programs offered by Remington College. When necessary, Remington College will make reasonable accommodations to enable students to participate in the programs offered by Remington College.

ACCOMMODATIONS FOR DISABLED INDIVIDUALS
When necessary, Remington College will make reasonable accommodations to enable students with disabilities to participate in the programs offered by Remington College. If an applicant or current student has a disability that might require an accommodation, notice must be given to Remington College so that the disability can be evaluated and reasonable methods for accommodating the disability can be investigated and developed. While Remington College will make an effort to accommodate all disabilities, certain disabilities may not be capable of a reasonable accommodation.

Applicants for admission should notify their Admissions Representative of their disability and immediately schedule a meeting with the Director of Campus Administration. The Director of Campus Administration will assist them in having their disability evaluated and in determining what reasonable accommodations can be made to enable them to participate in the programs offered by Remington College. Some accommodations may take time to implement, and thus, applicants must give Remington College notice of their disability sufficiently in advance of their selected start date to enable Remington College to provide an accommodation timely. If Remington College does not receive sufficient advance notice of a disability, the applicant’s start date may be delayed. Students that have been attending classes and subsequently need to have a disability accommodated must notify the Campus Dean at Remington College and schedule a meeting with the Director of Campus Administration. The Director of Campus Administration will assist them in having their disability evaluated and in determining what reasonable accommodations can be made to enable them to continue to participate in the programs offered by Remington College. Some accommodations take time to implement, and thus, students must give Remington College notice sufficiently in advance of the date when an accommodation needs to be made to enable Remington College to make an accommodation that will meet the students’ needs and avoid the interruption of their participation in a program.

Remington College has certain facilities and services available to enable disabled individuals who are otherwise qualified for admission to Remington College to participate in Remington College’s educational programs. The facilities physical accommodations for disabled students include, but are not limited to: disabled student parking, wheelchair ramps for access to the facility, accessibility for disabled students to classrooms, laboratories, the Information Resource Center, student break rooms, restrooms, and support services areas at Remington College. If Remington College has multiple floors either an elevator is available or classes will be taught on floors accessible by disabled students or some other accommodation will be made.

Any student with an impairment of sensory, manual, or speaking skills will be assisted with the provision of auxiliary educational aids when necessary. Auxiliary aids include interpreters or other effective methods of making orally delivered materials available to students with hearing impairments. Remington College accepts third-party payment for auxiliary aids and services from agencies such as rehabilitation services or charitable organizations.

The use of the grievance procedure set forth in this Catalog is also available to address the concerns and needs of disabled students. Remington College has designated the Director of Campus Administration to function as the “Campus Section 504 Coordinator” to both receive discrimination complaints from disabled students and to coordinate with Remington College’s Title IX Civil Rights Coordinator/Section 504 Compliance Coordinator regarding Remington College’s compliance with the Rehabilitation Act of 1973 (504), 29 U.S.C. §794, as amended and the American with Disabilities Act of 1990. The Title IX Civil Rights Coordinator/Section 504 Compliance Coordinator’s address is: Remington College, 7131 Business Park Lane, Lake Mary, FL 32746, and the toll-free telephone number is 800-333-2755.

TUITION AND ADDITIONAL FEES
PROGRAM TUITION
Tuition is the amount students will be charged in accordance with the terms of the Application and Enrollment Agreement as the cost of program in which they have enrolled and includes books, supplies and equipment necessary for the program. Tuition charges, application fees, and any additional fees applicable are set forth in the addendum to the Catalog provided during the enrollment process and are set forth specifically in the Application and Enrollment Agreement.

18 MONTH ASSOCIATE DEGREE PROGRAMS (QUARTERLY CALENDAR START DATES)
Tuition for a Full-Time Student (i.e. enrolled for twelve (12) or more Credit Hours at the end of the add/drop period of a Quarter) is posted to the student’s account based on the cost per quarter rate specified in the Application and Enrollment Agreement. Tuition for students enrolled in less than twelve (12) Credit Hours at the end of the add/drop period of a Quarter is posted to the student’s account based on the cost per credit hour rate specified in the Application and Enrollment Agreement. If the student drops or is dropped before the completion of the payment period, then an adjustment to the posted amount will be made in accordance with the applicable refund policy.
18 MONTH ASSOCIATE DEGREE PROGRAMS (MID–QUARTER CALENDAR START DATES)
Tuition for a Full-Time Student (i.e., scheduled for eighteen (18) or more Credit Hours for the Term) is posted to the student’s account based on the cost per term rate specified in the Application and Enrollment Agreement. Tuition for students scheduled for less than eighteen (18) Credit Hours for the term is posted to the student’s account based on the cost per credit hour rate specified in the Application and Enrollment Agreement. If the student drops or is dropped before the completion of the payment period, then an adjustment to the posted amount will be made in accordance with the applicable refund policy.

COSMETOLOGY DIPLOMA AND NAIL TECHNICIAN DIPLOMA PROGRAMS
Tuition is posted to the student’s account based on the amount calculated by multiplying the scheduled clock hours in a payment period (term) at the cost per clock hour rate specified in the Application and Enrollment Agreement. If the student drops or is dropped before the completion of the payment period (term), then an adjustment to the posted amount will be made in accordance with the applicable refund policy.

ALL OTHER PROGRAMS
Tuition is posted to the student’s account based on the amount calculated by multiplying the scheduled credit hours in a payment period (term) at the cost per credit hour rate specified in the Application and Enrollment Agreement. If the student drops or is dropped before the completion of the payment period (term), then an adjustment to the posted amount will be made in accordance with the applicable refund policy.

DAMAGED PROPERTY FEES
Students will be charged for the repair or replacement of any Remington College property lost or damaged by a student or stolen while in the student’s custody. This includes damage to any part of the building or its immediate surroundings, as well as to damage to instructional equipment, including computers.

NON–SUFFICIENT FUNDS FEES
A fee of $25.00 will be charged on all checks returned by the bank for non-sufficient funds.

PRIOR LEARNING CREDIT COURSE CHALLENGE Fee
Students requesting a course challenge under the Prior Learning Credit policy will be charged $150.00 per course. This fee is non-refundable once the course challenge request has been approved. If the request is denied, the fee will be refunded.

REPLACEMENT OF DEGREE/DIPLOMA Fee
Graduates will be charged $25.00 for a duplicate copy of their degree/diploma.

TRANSCRIPT Fee
Upon completion of the program, graduates will receive one official transcript free of charge, unless the graduate has unpaid financial or other remaining obligations to Remington College. Any additional transcript requests will be charged $15.00 per transcript for official or unofficial transcripts.

PAYMENT POLICY
All Tuition and fees shall be due and payable in accordance with the terms of the Application and Enrollment Agreement executed by the student, which provides that Tuition and fees for the program are due and payable in full prior to the first day of classes. As set forth in the Application and Enrollment Agreement, Remington College may permit the student to make payment of some or all of the Tuition at a later date but shall have no obligation to do so, and any decision to allow payment at a later date shall be in the sole discretion of Remington College.

Remington College will grant students a Tuition payment deferral if, and only if, Remington College has a reasonable basis to believe that the student will receive financial aid or other financial assistance from a funding source acceptable to Remington College, in its sole discretion, in an amount acceptable to Campus.

The student’s obligation to pay Tuition under the Application and Enrollment Agreement is not contingent upon the student receiving financial aid or financial assistance. Stated otherwise, the student will owe the Tuition due under the Application and Enrollment Agreement for the period the student attends, even if the student does not receive financial aid or other financial assistance or if the financial aid or other financial assistance received is inadequate to pay the student’s Tuition obligations in full.
FINANCIAL AID AND OTHER FINANCIAL ASSISTANCE

GENERAL INFORMATION
Financial aid, as the term is used in this document, means funds made available to assist students through governmental programs. Financial assistance means non-governmental sources of funds made available to assist students.

The purpose of financial aid is to assist those students who, without such aid, would be unable to attend college. Eligibility for financial aid is determined by the department or agency responsible for administration of the financial aid program, for example, the United States Department of Education ("USDE") administers the Title IV financial aid programs. This Campus participates in the Title IV programs, but it does so only to assist students in obtaining financial aid available under the Title IV programs. Remington College has no role in determining whether a student is eligible for financial aid.

Applications for financial aid are accepted at any time, and students are encouraged to apply in advance of the beginning of their program and academic years in order to allow adequate time for the USDE to determine the amount of financial aid, if any, that the student is eligible to receive. Students may only apply for, be accepted in, be actively registered in, and receive financial aid for one program at a time.

FINANCIAL NEED, EXPECTED FAMILY CONTRIBUTION ("EFC"), AND ELIGIBILITY AMOUNT
A student's financial need is used to determine what financial aid a student may be eligible to receive under the financial aid programs administered by the USDE. Financial need is the difference between the costs of attendance (as defined by the regulations governing the financial aid program), less the financial resources available to the student. The costs of attendance include Tuition and fees, and may include other costs such as books, supplies, room and board, personal expenses, and related expenses of the students' dependents, if any.

The EFC is a measure of the students financial strength and indicates how much of the students and the students family financial resources (for dependent students) should be available to help pay for educationally related expenses. The EFC is calculated from the information students report on the FAFSA and according to a formula established by law. The student’s family income (taxable and untaxed) and assets are considered in determining the EFC. Family size and the number of family members who will be attending college are also considered.

Remington College will provide the student with a preliminary estimate of the Title IV financial aid the student may be eligible to receive. This preliminary estimate will be based on the information provided to Remington College by the student or the student’s parents. Remington College cannot assure the student that the estimates provided will be the amount the student is ultimately determined to be eligible to receive. The failure of the student or student's parent to provide any required or requested information necessary to make an application for or to receive financial aid could prevent the student from receiving such financial aid. The amount of financial aid a student is eligible to receive can change each academic or financial aid award year.

Remington College makes no guarantee of the amount of financial aid a student will receive, if any. The determination of whether a student is eligible to receive and the amount of such aid, if any, a student may receive is made by the USDE, and Remington College does not have any influence over that determination. Continuation of financial aid awards is contingent upon continued government funding of financial aid programs.

TITLE IV AWARDS
All Title IV financial aid awards are made for one financial aid award year or less. The amount of financial aid a student is eligible to receive can change each financial aid award year. To continue eligibility for Title IV financial aid, a student must submit all required financial aid documents each financial aid award year, continue to demonstrate financial need, and:
1) Remain in good standing with Remington College,
2) Maintain Satisfactory Academic Progress ("SAP"), and
3) Not have a drug-related criminal conviction which renders them ineligible.

FEDERAL TITLE IV FINANCIAL AID, ELIGIBILITY REQUIREMENTS AND APPLICATION PROCEDURES

STUDENT ELIGIBILITY
In order to receive aid from Federal Student Aid Programs, students must meet certain criteria as noted below:

Financial Need
Except for some loan programs, students must show that they have financial need according to the USDE requirements. See Financial Need and Expected Family Contribution section of this Catalog for further information on this topic.
Education Requirements

- Must demonstrate by one of the following means that they are qualified to enroll (and therefore may be eligible) for Federal Student Aid (FSA) Programs:
  - Have a high school diploma or General Educational Development (GED) certificate;
  - Pass an approved ability-to-benefit (ATB) test;
  - Meet other standards a specific state has established and has been approved by the USDE;
  - Complete a high school education in a home school setting approved under state law.
- Must be enrolled or accepted for enrollment in an eligible program at an eligible institution.
- Must meet satisfactory academic progress standards established by the institution.

Legal and Other Requirements

- Must be a U.S. Citizen or eligible non-citizen.
- Must have a valid Social Security number (SSN), unless you are from the Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic of Palau.
- Must have certified when applying for FSA that these funds will be used for educational purposes only, and that there is no current default on a federal student loan, and that no refund is due on a federal student grant.
- Must comply with Selective Service registration. If the student is a male aged 18 through 25 and has not registered, the student can (at the same time the FAFSA is completed) give the Selective Service System permission to register by means of completing the FAFSA. Students can also register for Selective Service online at www.sss.gov.
- Generally, must not have been convicted for the possession or sale of illegal drugs for an offense that occurred while receiving FSA funds.
- Must not be incarcerated in a federal or state penal institution.

Application for Title IV financial aid and the determination of whether an applicant qualifies for such financial aid and the amount thereof involves the following procedures:

**COMPLETION OF APPLICATION**
The applicant must complete the Free Application for Federal Student Aid ("FAFSA") and provide any additional required documents or information for each financial aid award year of their enrollment. All Title IV financial aid awards are made for one financial aid award year or less, and eligibility determinations for Title IV financial aid awards are made each award year. Continuation of financial aid awards is contingent upon continued government funding of financial aid programs and student eligibility for such programs.

**DETERMINATION OF NEED, COST OF ATTENDANCE, AND ELIGIBILITY AMOUNT**
Congress has established a formula that calculates the amount of Title IV financial aid a student is eligible to receive. A student’s Title IV financial aid may not exceed the “cost of attendance” as defined by applicable Title IV regulations. The information contained in the FAFSA will be used to make this calculation. Remington College will provide the student with a preliminary estimate of the Title IV financial aid the student may be eligible to receive. This preliminary estimate will be based on the information provided to Remington College by the student or the student’s parents. Remington College cannot assure the student that the estimates provided will be the amount the student is ultimately determined to be eligible to receive. The failure of the student or student’s parent to provide any required or requested information necessary to make an application for or to receive financial aid could prevent the student from receiving such financial aid. The amount of financial aid a student is eligible to receive can change each academic or financial aid award year. Remington College makes no guarantee of the amount of financial aid a student will receive, if any. The determination of whether a student is eligible to receive and the amount of such aid, if any, that a student may receive, is made by the USDE, and Remington College does not have any influence over that determination.

**VERIFICATION**

- All applicants are subject to being selected by the USDE for verification and, if selected, will be required to submit the information necessary to verify their eligibility to receive Title IV financial aid.
- Selected applicants must submit the information required to complete their verification no later than 14 days from the date of notification. Applicants who have been selected for verification will be notified by the Student Finance Department.
- If the applicant or student fails to provide required documentation within the established time frame, then the applicant or student may be treated as a student not eligible for Title IV funds. In such event, Remington College may require the student to pay the current amount owed to Remington College, and the student’s failure to make such payments may result in the student being dropped.
- Students will be notified by mail of the results of verification if it results in a change of the student’s scheduled award.
- If there is reason to believe the student is attempting to engage in financial aid fraud, the student will be reported
to the Regional Office of the Inspector General or the USDE, or if appropriate, the state or local law enforcement
agency having jurisdiction to investigate the matter. Criminal referrals to local or state agencies will be reported on
an annual basis to the Inspector General.
- No disbursements of Title IV financial aid will be made prior to the completion of verification.

**Entrance and Exit Interview and Loan Notification**
The USDE requires that any students receiving a Federal Direct Loan be notified that their funds have been received by
Remington College. The USDE requires that students withdrawing or graduating receive exit counseling. A representative
of Remington College will conduct exit counseling with each student who withdraws or graduates either by telephone, mail,
or by other electronic communication. The purpose of exit counseling is to inform the student of the amount of loans
Remington College has received on behalf of the student while the student was enrolled at Remington College, any refunds
that may have been or will be made, and the estimated repayment schedule for the student’s loans.

**Types of Financial Aid Available to Those Who Qualify**

**Federal Pell Grant**
This grant is designed to assist students in need and who desire to continue their education beyond high school. Federal
Pell Grants are awarded by the USDE to undergraduate students who have not earned a bachelor or professional degree.
The amount of the grant is determined by a standard formula and calculated by the USDE. The amount of the grant
available to the student, if any, will depend on the Expected Family Contribution (“EFC”) and the cost of attendance.

**Federal Direct Subsidized Stafford Loan**
Federal Direct Subsidized Stafford Loans are low interest loans that are made to eligible students directly from the U.S.
Department of Education. The Federal Direct Subsidized Stafford Loan is awarded based on financial need. Interest
charges are not incurred for amounts borrowed under the Subsidized Stafford Loan program until the student enters
“repayment period,” which as a general rule begins six months after the student leaves school.

**Federal Direct Unsubsidized Stafford Loan**
Federal Direct Unsubsidized Stafford Loans are loans made to eligible students directly from the U.S. Department of
Education. The term “unsubsidized” means that interest expense is incurred from the time advances are made under the
loan, even though no payments are due until the student enters the repayment period.

**Federal Direct PLUS Loan**
Federal Direct PLUS Loans are available to parents of dependent students to help pay for the educational expenses of the
student. Federal Direct PLUS loans are not based on need, but when combined with other financial resources, cannot
exceed the student's cost of attendance. Repayment begins within 60 days of the final loan advance (disbursement), unless
the parent qualifies for and is granted a deferment by the lender. Interest begins to accrue when disbursements are made.
- There is an origination fee charged on the loan amount at a rate determined by the regulations.
- The yearly limit on a Federal Direct PLUS Loan is equal to the student's cost of attendance minus any other
  financial aid received or financial resources available.
- The parent must pass a credit check to qualify for a Federal Direct PLUS Loan.

**Non-Federal Loan Options**
In addition to the federal loans referenced above, Remington College can provide students with information on other loan
programs available. These loan programs, commonly referred to as “alternative loans” or “private financing,” are offered by
banks or other financial institutions, and eligibility determinations are made by the banks or financial institutions and are not
within the control or influence of Remington College. Accordingly, Remington College cannot guarantee a student’s
eligibility to participate in any private financing programs.

**Veteran’s Benefits**
The Campus is approved for veterans training. Applications for veteran’s benefits may be obtained at the Campus or from
the Veterans Administration (“VA”). Approval of a student’s eligibility to receive any veteran’s benefits is within the sole
discretion of the Veterans Administration, and the Campus has no ability to influence such determinations.

**Other Financial Aid Programs**
Students may also, if eligible, receive financial aid from various other state or federal agencies, departments, or programs
including, but not limited to: the Bureau of Indian Affairs, the Trade Readjustment Allowances (“TRA”), the Division of
Vocational Rehabilitation, or under the Workforce Investment Act (“WIA”). The Campus may be able to provide additional
information about these financial aid programs. Students should thoroughly investigate the availability of other sources of
financial aid or assistance and should not rely upon the Campus as being their sole source of all information regarding the
availability of such programs, if any.
**Academic Achievement Scholarship**
The Academic Achievement Scholarship is available to students enrolling for the first time in one of the programs designated for participation in the Academic Achievement Scholarship program, and who satisfy the eligibility requirements set forth below and begin their course of study on or after December 3, 2012. The Academic Achievement Scholarship is not available to re-enrolling or re-entering students.

The amount of an Academic Achievement Scholarship is $500 per academic year (typically 9 months). To be eligible to receive an Academic Achievement Scholarship, a student must have 1) graduated from high school in 2008 or later with a cumulative high school grade point average of 3.00 or higher based on a 4.00 scale and 2) submitted an Academic Achievement Scholarship Application.

For a list of the programs designated for participation in the Academic Achievement Scholarship program or to obtain additional information or an application form, contact the Student Finance Department.

**Campus High School Scholarship Program**
The Campus offers one $500 (for diploma programs) or one $1,000 (for associate’s degree programs) Tuition credit, non-renewable, campus-funded scholarship to each participating high school in its local area which the high school can award to a current student or recent graduate who plans to attend Remington College. Scholarship recipients are selected by the high school in the spring of each year. Interested students should contact their high school counselor for information and applications. Scholarships are not transferable nor can they be exchanged for cash. The Campus may elect to discontinue the scholarship program at any time without prior notice.

**Career Ready Scholarship**
The Career Ready Scholarship is available to students enrolling in one of the programs designated for participation in the Career Ready Scholarship program, and who satisfy the eligibility requirements set forth below. The amount of a Career Ready Scholarship is $1,500, which is awarded upon successful completion of the student’s program and is applied towards the student’s balance, if any, at the time of graduation. To be eligible to receive a Career Ready Scholarship, a student must 1) be a civil servant, a first responder, a law enforcement officer, active military, reservist, or government agency employee; 2) provide proof of employment from an approved agency at enrollment or at re-enrollment/re-entry and upon completion of the program; 3) enroll in and graduate from a Remington College program designated for participation in the Career Ready Scholarship program; and 4) have submitted a Career Ready Scholarship Application prior to enrollment. For a list of the programs designated for participation in the Career Ready Scholarship program or to obtain additional information or an application form, contact the Student Finance Department.

**New Career Success Scholarship**
The New Career Success Scholarship is available to students enrolling in Remington College for the first time that can satisfy the eligibility requirements set forth below and begin their course of study in one of the programs designated for participation in the New Career Success Scholarship program on or after December 3, 2012. The New Career Success Scholarship is not available to re-enrolling or re-entering students.

The New Career Success Scholarship provides either 1) $1,500 per academic year (typically 9 months) to students enrolled in eligible degree programs or 2) $1,000 per program to students enrolled in eligible diploma programs. To be eligible to receive a New Career Success Scholarship, a student must a) demonstrate Financial Need, as determined by the Student Finance Department at the Remington College Campus the student attends and b) submit a New Career Success Scholarship Application and satisfy the eligibility criteria set forth therein.

Financial Need means that the Total Income reflected on the student’s Institutional Student Information Report (ISIR) is less than or equal to the Median Family Income in the state in which the Campus is located. The Median Family Income is obtained from information published by the U.S. Census Bureau.

For a list of the programs designated for participation in the New Career Success Scholarship program or to obtain additional information or an application form, contact the Student Finance Department.
STUDENT SERVICES

ACADEMIC ADVISEMENT
Students’ primary sources of assistance with regard to their academic program are the Program Chairpersons and the Campus Dean. Concerns or questions regarding specific courses can be directed to the instructors.

Students who are experiencing difficulty with a course are urged to seek assistance from their instructor. Campus faculty members, along with the Program Chairperson and Campus Dean, are typically available for academic advisement to discuss a student’s academic progress, tutoring opportunities, or other topics related to a student’s program of study.

CAREER SERVICES
REMINGTON COLLEGE CANNOT AND DOES NOT GUARANTEE EMPLOYMENT BEFORE OR AFTER GRADUATION.

The Campus has a Career Services Department that is available to assist students in their efforts to obtain employment after graduation. The availability of the Career Services Department and the assistance it provides is not a guarantee or assurance that the student will obtain employment.

The Career Services Department offers the following services:

- Assistance to students with the design of résumés as well as the completion of employment applications for both full-time and part-time employment opportunities.
- Assistance to students with job interviewing techniques, advice on professional appearance, and job interview follow-up techniques.
- Extends invitations to prospective employers to visit the Campus, interview graduating students, present employment opportunities, administer employment tests, and offer employment applications to graduating students.

COUNSELING
The Campus does not employ a licensed counselor but maintains a resource guide that includes agencies that provide counseling services to assist students with coping skills, who are in abusive relationships, have a drug dependency, etc. The resource guide is located in the student resource center and a copy may be obtained from the librarian.

HEALTH, SECURITY, AND SAFETY
Students are responsible for their own security and safety both on Campus and off Campus, and must be considerate of the security and safety of others. Remington College accepts no responsibility or obligation whatsoever for any student’s personal belongings that are lost, stolen, or damaged, whether on or off Campus premises or during any Campus activities. Remington College accepts no responsibility or obligation with respect to any alterations or disputes between students, whether on or off Remington College’s premises or for any damages or injuries arising therefrom. Students should immediately report any medical, criminal, or other emergency occurring on the Campus premises to the Director of Campus Administration or the Campus Dean (or any other Campus official if the Director of Campus Administration or Campus Dean are not available). Upon receipt of any report of a medical or criminal emergency, Remington College may, on behalf of the student, obtain the services of medical or security professionals, as required. Following a criminal emergency, Remington College may require the reporting student to confirm in writing the details of the criminal emergency reported.

Classrooms and laboratories are designed to meet the requirements of the various federal, state and local building codes, and the board of health and fire marshal regulations.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires Remington College to provide information on its security policies and procedures and specific statistics for criminal incidents and arrests on Campus to students and employees, and to make such information and statistics available to prospective students and employees upon request. Students or prospective students may obtain this information from the Campus Dean or the Director of Campus Administration.

Students may also obtain this information at any time by visiting the following website: http://studentinfo.remingtoncollege.edu/.
HOUSING
Remington College does not operate its own housing facilities, nor does it endorse or supervise any particular housing complex.

LIBRARY OR INFORMATION RESOURCE CENTER
The Information Resource Center ("IRC") maintains materials which support the academic programs of the Campus. The IRC is located in the same facility as the Campus and is accessible to students during and outside classroom hours on all regularly scheduled class days. Students also have access to a collegiate-level online library at Remington College or may log in from locations outside the Campus. (The terms “library,” “Information Resource Center,” “Learning Resource System,” “Learning Resource Center,” or other similar designations may be used interchangeably by Remington College.)

ORIENTATION
Staff and faculty members conduct one or more orientation sessions for new students. Orientation sessions generally provide information on program schedules, Campus policies and procedures, overview of student’s financial aid responsibilities, services offered by the Career Services Department, the Code of Student Conduct, and other issues which may be of interest to students.

PROFESSIONAL ASSOCIATIONS OR CLUBS
If a student is interested in membership in professional associations or clubs, he or she can meet with the Campus Dean to discuss and arrange for such memberships.
PROGRAMS OF STUDY

This catalog lists programs offered by the Campus as of the date this catalog was published. Any additions or changes to the catalog's required disclosures will be published as an addendum to this catalog.

COURSE DELIVERY METHODS

Courses offered may be delivered exclusively in person (residentially), exclusively online, or via a combination of both modalities.

CLASS SCHEDULING/HOURS OF OPERATION/CLASS SIZE

Typical class schedules for residential courses are:

<table>
<thead>
<tr>
<th>Program Type</th>
<th>Monday through Thursday-Mornings</th>
<th>Monday through Thursday-Evenings</th>
</tr>
</thead>
<tbody>
<tr>
<td>Programs Other Than the Cosmetology Program</td>
<td>8:00 AM to 12:50 PM</td>
<td>6:00 PM to 10:50 PM</td>
</tr>
<tr>
<td>Cosmetology Diploma Program</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Monday through Friday</td>
<td>8:30 AM to 3:35 PM</td>
<td></td>
</tr>
<tr>
<td>Nail Technician Diploma Program</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Monday through Friday</td>
<td>8:30 AM to 2:00 PM</td>
<td></td>
</tr>
</tbody>
</table>

The break times may occur each hour (as in 50 minutes of class time followed by 10 minutes of break time). The instructors and the class are provided flexibility in determining exactly when the break periods will occur.

From time to time alternative days may be substituted, particularly in the event that scheduled class days fall on a holiday or to make up for days on which the campus may be closed for inclement weather or as a result of a force majeure (damage to or mechanical problems with the campus facility, local power outages, etc.).

Occasionally, in response to space constraints, higher than anticipated enrollments in a particular program, or for other reasons, the campus will schedule Diploma or Degree program class sessions on an alternative schedule. When alternative days or session start times are used, the number of minutes of actual class time and break time will remain consistent with the typical schedule (250 minutes of class time and 40 minutes of break time).

In the event that Remington College determines to provide an extended meal break time in conjunction with an alternative schedule that might bridge a normal mealtime (such as a 10:00 AM to 2:50 PM schedule), the provision of an extended meal break will not change the actual number of minutes of class time, but would extend the total length of the session by the number of additional break time minutes provided for a meal break. The scheduled program meeting hours are provided on the Application and Enrollment Agreement.

Administrative office hours may differ from scheduled class hours. The administrative offices at the campus are generally open from 8:00 a.m. to 10:50 p.m. Monday through Thursday, 8:00 a.m. to 4:00 p.m. on Friday and 9:00 a.m. to 1:00 p.m. on Saturday.

Classes are offered and scheduled Remington College in sequences or combinations to allow the student to complete the program in a timely manner. Remington College reserves the right to alter schedules so that proper facilities, equipment, and faculty are available. The sequence in which courses are taught during the program may change at the discretion of the Education Department. Prerequisites for all courses are listed in the Course Description Section of this Catalog.

For programs of study other than the Cosmetology and Nail Technician diploma programs, the maximum session size (number of students) permitted in the classroom setting of a residential course is typically 30, and in a laboratory setting a maximum of 24 students per instructor. The maximum number of students permitted in an online class session is 30. As a general rule, classes are usually smaller than the maximum. For the Cosmetology and Nail Technician diploma programs, the maximum number of Cosmetology students in a course session is 25 for each full-time licensed instructor.
EXPLANATION OF COURSE NUMBERING SYSTEM
The course numbering system is a classification system based on course content and level of degree program. A course is identified by a prefix and level code.

- **Prefix** – An abbreviation is used to identify the program or content area. For example: MA represents Medical Assisting.
- **Level** – A number follows the prefix.

Admissions Criteria 100 and 200 Level Courses – The associate degree or diploma programs use 100 or 1000 and 200 or 2000 level numbers. The first digit typically indicates the level of the course. Lower division courses in the associate degree or diploma programs are given a 100 or 1000 level number. Courses in the upper division of the associate degree or diploma programs that may have a prerequisite requirement are given a 200 or 2000 level number.

Admissions Criteria 300 and 400 Level Courses – The bachelor degree programs use 300 or 3000 and 400 or 4000 level numbers. Lower division courses in the bachelor degree programs are given a 300 or 3000 level number. Courses in the upper division of the bachelor degree programs that may have a prerequisite requirement are given a 400 or 4000 level number.

EDUCATIONAL EQUIPMENT
The following equipment is available for various educational programs. Remington College reserves the right to change the educational equipment list below to meet current program objectives.

- **Business/Management course equipment** may include the following depending on program area: computer(s), software, printer(s), scanner(s), and calculator(s).
- **Computer-Aided Design and Drafting equipment** may include: drafting tables, drafting kits with tools for basic board drafting, computer(s), computer-aided drafting software, and printer(s).
- **Cosmetology equipment** may include: mannequins, hydraulic styling chairs, shampoo bowls, manicure tables, foot spas, and facial beds.
- **Criminal Justice equipment** may include: Narcotics Investigation Kits, evidence markers, fingerprint powder, sketching templates and cameras.
- **Dental Assisting equipment** may include: operators with fully positional dental chairs, panoramic x-ray developing equipment, model trimmers, high speed and low speed hand pieces.
- **Medical Assisting equipment** may include: exam tables, phlebotomy chairs, microscopes, EKG machines, X-ray equipment, otoscopes/ophthalmoscopes with thermometers, blood pressure cuff sets, skeletons, defibrillators, and stethoscopes.
- **Medical Office Administration course equipment** may include: computer(s) with medical office simulation software.
- **Medical Billing and Coding equipment** may include: computer(s) with current medical insurance coding software.
- **Nail Technician equipment** may include: manicure tables and foot spas.
- **Pharmacy Technician equipment** may include: drug carts, laminar hoods, spill clean-up kits, digital thermometers, cylinders, ribbed funnels, tablet counters, and draining/drying racks.

Remington College will provide the online learning management system ("LMS") via which online courses will be delivered. At the time of the printing of this Catalog, Remington College intends to use the Canvas LMS, but reserves the right to change the LMS platform at its discretion.

The Campus’ computer labs are available for student use. Students who wish to access the LMS off campus will need to do so with a computer that is compatible with the LMS system. Below are the current requirements and recommendations.

Computer Requirements:
- Computer less than 5 years old preferred for optimal use
- Valid email address
- Color monitor
- Sound card with speakers or headphones
- 4 GB of RAM
- 1 GB of free disk space
- Broadband Internet connection (DSL or cable recommended)
- Web browser (Chrome is highly recommended)
- Cookies must be enabled
  - **JavaScript must be enabled**
  - **Pop-up blocker is turned off**
Software Recommendations:

- Chrome
- Adobe Acrobat Reader
- Adobe Flash
- Word Processing Software will be needed to view some course documents. Microsoft Office is preferred. OpenOffice is acceptable. OpenOffice is free software available at [http://www.openoffice.org](http://www.openoffice.org). Google Docs is also acceptable.

Students with technical questions or who are experiencing technical difficulties accessing the LMS or online library resources should contact their instructor for technical assistance or direction to someone who can provide technical assistance.
The Computer-Aided Design and Drafting Diploma Program provides training in the application of drafting skills to mechanical, electrical, piping, civil, structural and architectural disciplines. The curriculum also covers information in related fields, with the intent to position students to work effectively with engineers, technologists, architects, and other professional staff.

The objective of this Program is to prepare graduates for entry-level draftsperson positions in which computer programs and/or a manual drafting board are used.

Program completion normally requires 12 months for full-time students.

The Computer-Aided Design and Drafting Diploma Program is divided into 12 monthly academic periods.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Computer-Aided Design and Drafting.

The Cosmetology Diploma Program provides training in various phases of cosmetology, including manicures, pedicures, facials, and wig care.

The objective of this Program is to prepare graduates for entry-level positions as cosmetologists in work locations such as licensed beauty salons, day spas, or nail salons.

The Cosmetology Program is offered on a daytime schedule, which consists of 12 monthly academic periods. Program completion normally requires 48 weeks for full-time students.

Students must successfully complete the academic periods with a minimum cumulative GPA of 2.0 in order to be eligible to participate in the clinic practices.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Cosmetology.

Job Placement and Employment: The placement rate reported to the Texas Department of Licensing and Regulation for the 2015 calendar year was 67% (22 graduates employed in-field out of 33 graduates).

The Dental Assisting Diploma Program provides training in performing invasive procedures, such as placing retraction cords and dental dams, as well as non-invasive procedures, such as patient education. The Program also provides training in preparing operatories for dental patient treatment, taking dental impressions, and identifying oral disease indications.

The objective of this Program is to prepare graduates for entry-level positions as dental assistants in work locations such as dentist offices.

Program completion normally requires eight months for full-time students (assuming the externship is completed at 40 hours per week).

The Dental Assisting Diploma Program is divided into seven monthly (28 weeks) academic periods and one externship period. Students must successfully complete the academic periods with a minimum cumulative GPA of 2.0 in order to be eligible to participate in the externship period.

Each state has a dental practice act that governs the duties dental assistants can perform. According to the Texas Workforce Commission: Effective September 1, 2006, to become a registered dental assistant in the state of Texas, a student must complete a mandatory short course approved by The Texas State Board of Dental Examiners (TSBDE). An approved provider list can be found on the TSBDE website: [http://www.tsbde.state.tx.us](http://www.tsbde.state.tx.us). By law, a dental assistant must be registered with TSBDE in order to take X-rays at a dentist’s office.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Dental Assisting.

The Medical Assisting Diploma Program provides training in both administrative and clinical procedures, including the basic elements of coding for the healthcare and insurance industries. The objective of this Program is to prepare graduates for entry-level positions such as medical assistant, clinical or medical administrative assistant, insurance billing clerk, medical biller, collections and billing clerk, or medical receptionist in work locations such as hospitals, clinics, nursing homes, medical supply businesses, and home health agencies.

Program completion normally requires 12 months for full-time students. The Program is divided into 12 monthly academic periods (modules) comprised of 11 months of classroom and laboratory instruction and one externship period.

In order to be eligible for the externship period, students must successfully complete all courses in the academic periods and must have earned a minimum cumulative GPA of 2.0.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Medical Assisting.

MEDICAL ASSISTING WITH X-RAY TECH (LIMITED SCOPE)
DIPLOMA
12 Months

The Medical Assisting with X-Ray Tech (Limited Scope) Diploma Program provides training in administrative and clinical procedures, including limited radiography. The objective of this Program is to prepare graduates for entry-level positions such as medical assistant, medical administrative assistant, or clinical medical assistant in work locations such as hospitals, clinics, nursing homes, medical supply businesses, and home health agencies. The Program may lead to entry-level positions as Non-Certified Radiologic Technicians. Students are prohibited from performing radiologic procedures which have been identified as dangerous or hazardous in accordance with Section 143.16 of Title 25, Texas Administrative Code (relating to Dangerous or Hazardous Procedures) unless they become an LMRT, MRT or practitioner, refer to Section 143.17(f)(11)(B).

Program completion normally requires 12 months for full-time students. The Program is divided into 12 monthly academic periods (modules) comprised of 11 months of classroom and laboratory instruction and one externship period.

In order to be eligible for the externship period, students must successfully complete all courses in the academic periods and must have earned a minimum cumulative GPA of 2.0.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Medical Assisting with X-Ray Tech (Limited Scope). Graduates may be eligible to apply for the Non-Certified Radiologic Technician Registry (NCT Registry) through the Texas Medical Board. A record of criminal activity may impact/limit a graduate’s ability to be listed on the NCT Registry in Texas. A disclosure/caution to prospective students is available from Admissions Department. Also, information regarding the process of applying for the NCT Registry is available at http://www.tmb.state.tx.us/page/non-certified-radiological-technicians.

MEDICAL BILLING AND CODING

DIPLOMA
9 Months

The Medical Billing and Coding Diploma Program provides training in the basic elements of coding for the healthcare and insurance industries. The curriculum covers medical terminology and abbreviations, computerized medical billing, medical records management, compliance, and coding for medical office applications and hospital applications.

The objective of this Program is to prepare graduates for entry-level positions such as insurance billing clerk, medical biller, and collections and billing clerk in work locations, such as doctors’ offices and clinics.

Program completion normally requires 9 months for full-time students.

The Medical Billing and Coding Diploma Program is divided into eight monthly academic periods and one externship period. Students must successfully complete the academic periods with a minimum cumulative GPA of 2.0 in order to be eligible to participate in the externship period.

Graduates may qualify to take the examinations to become a Certified Coding Associate (CCA) through the American Health Information Management Association (AHIMA); and a Certified Professional Coder-Apprentice (CPC-A), Certified Professional Coder-Hospital-Apprentice (CPC-H-A), or Certified Professional Coder-Payer-Apprentice (CPC-P-A) through American Academy of Professional Coders (AAPC). Graduates must become members of AAPC to take the AAPC examinations. Additional information is available at http://www.ahima.org/certification and http://www.aapc.com.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Medical Billing and Coding.

MEDICAL OFFICE ADMINISTRATION
DIPLOMA
8 Months

The Medical Office Administration Diploma Program provides training in administrative procedures used in medical offices, many of which are also applicable to other office settings. The training includes, but is not limited to, instruction and training in scheduling, medical records management, billing and collection, and the basic elements of billing and coding for the healthcare and insurance industries, as well as general organizational and office skills.

The objective of this Program is to prepare graduates for entry-level positions such as admissions clerk, front office assistant, insurance coordinator, insurance verification clerk, medical administrative assistant, medical assistant, medical office administrator, medical office assistant, medical billing clerk, medical billing specialist, medical collections clerk, medical claims collector, medical receptionist, medical records clerk, patient access representative, patient account representative, or patient services representative, in work locations such as hospitals, clinics, nursing homes, medical supply businesses, and home health agencies.

This Program requires completion of a minimum of 48 quarter credit hours. Program completion normally requires 8 months for full-time students. The Program is divided into eight monthly academic periods (modules).

Upon successful completion of all areas of this Program, graduates will be awarded Diploma in Medical Office Administration.

NAIL TECHNICIAN
DIPLOMA
6 Months

The Nail Technician program provides theory and hands-on training on a variety of skills and techniques commonly used in the manicure and pedicure profession. The program develops knowledge and skills used to diagnose and apply cosmetic procedures to hands, feet, and nails.

The objective of this Program is to prepare graduates for entry-level positions in the beauty and wellness industry in areas such as spas, salons, nail salons, and various other locations providing manicure and pedicure procedures. Potential positions include: Manicurist, Pedicurist, Nail Salon Owner, Product Sales and Demonstrator for products related to the hands, feet, and nails, or similar positions.

Program completion normally requires 6 months (24 weeks) for full-time students.

The Nail Technician program is divided into 6 monthly academic periods. Upon successful completion of all areas of this Program, graduates will be awarded a Diploma as a Nail Technician.

PHARMACY TECHNICIAN
DIPLOMA
13 Months (53 Weeks)

The Pharmacy Technician Diploma Program provides training in the basic elements of the field of pharmacy such as medical abbreviations, prescription writing and interpretation, drug forms and routes of administration, sterile product mixtures and compounding, as well as developing relationships between the pharmacist and the pharmacy technician. The objective of this Program is to prepare graduates for entry-level positions such as pharmacy technician, pharmacy service representative, outpatient pharmacy technician, and inpatient pharmacy technician in work locations such as retail or mail-order pharmacies, hospitals, nursing homes, and assisted-living facilities.

Program completion normally requires 49 weeks of instruction for full-time students, which are delivered over a 53 week period that includes scheduled break times. The Program is divided into 12 monthly academic periods (modules) comprised of 11 months of classroom/laboratory instruction and one 200 hour externship period.

In order to be eligible for the externship period, students must successfully complete all courses in the academic periods and must have earned a minimum cumulative GPA of 2.0. Students must complete a minimum of 160 hours at their externship site to earn a passing grade in PT120.

Students enrolling in the Pharmacy Technician Program will be subject to one or more background check(s) and drug screening(s). All students in the Pharmacy Technician Program must register as pharmacy technician trainees with the Texas State Board of Pharmacy, which includes submitting to a criminal background check, in order to participate in the clinical externship and complete the Pharmacy Technician Program. Pharmacy technician trainee registrations expire two years from the date of registration. For individuals not certified as a pharmacy technician in another state, in order to become a registered pharmacy technician with the Texas State Board of Pharmacy, which includes submitting to a criminal background check. The above is only a summary of the requirements for pharmacy technician trainees and pharmacy technicians. Additional information can be found on the Texas State Board of Pharmacy website: www.TSBP.state.tx.us.

Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Pharmacy Technician.

BUSINESS OFFICE MANAGEMENT
ASSOCIATE OF APPLIED SCIENCE
18 Months

The Business Office Management Degree Program provides training in business related accounting software and various business office computer applications such as Word, Excel, and Access. Students will also be trained in the fundamentals of payroll administration, employee benefits, bookkeeping, accounting, event planning, and coordination.

The objective of this Program is to prepare graduates for entry-level positions, such as general office specialist, bookkeeper, accounting assistant, payroll office clerk, and administrative assistant.

This Program requires completion of a minimum of 92 credit hours, including any transfer credits that have been accepted. Program completion normally requires 18 months for full-time students.

The Business Office Management Degree Program is delivered in a system of six three-month quarters, which are delivered in a hybrid format. Some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line).

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science in Business Office Management.

The Cosmetology Degree Program provides training in various phases of cosmetology, including manicures, pedicures, facials, and wig care.

The objective of this Program is to prepare graduates for entry-level positions as cosmetologists in work locations such as licensed beauty salons, day spas, or nail salons, and to introduce students to the basic concepts of starting and/or managing a cosmetology salon or other small business.

See Admissions Requirements and Procedures for the prerequisite for admission to this Program.

The Program consists of 108 academic quarter credit hours and is designed to be delivered over twenty-four months, which are divided into eight three-month quarters. The first four quarters consist of 12 one-month modules and are delivered residentially. The final four quarters are delivered as four 12-week quarters, and are entirely on-line.

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Cosmetology.

CRIMINAL JUSTICE
ASSOCIATE OF APPLIED SCIENCE
18 Months

The Criminal Justice Associate’s Degree Program provides training in components of the criminal justice system, correctional systems, and security management. The curriculum also covers the basics of criminal law, crime scene processing, forensic science, law enforcement operations and ethics. The objective of this Program is to prepare graduates for entry-level positions, such as corrections, loss prevention, and security.

This Program requires completion of a minimum of 92 credit hours, including any transfer credits that have been accepted. Program completion normally requires 18 months for full-time students. The Program is delivered in a system of six three-month quarters, which are delivered in a hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line).

Optional non-credit practicum experience(s) may be available as part of this program for students who have successfully completed the first two quarters of program coursework.* If available, qualified students can participate in one, two, or three practicum experiences. No additional Tuition charges apply to practicum experience(s).

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Criminal Justice.

* Practicum experiences are subject to availability and subject to change. Space may be limited and there is no guarantee that students will be able to participate in one or more practicum experiences. If there are more students interested in practicum experiences than there are available practicum experiences, the school and the agency offering the practicum experience will determine which student(s) will be able to participate in practicum experiences based on one or more of the following criteria: cumulative grade point average, recommendations from faculty, community service, membership in student organization(s), and/or any limitations set forth by the agency offering the practicum experience. Certain restrictions apply. Participation in practicum experiences is at your own risk. Remington College is not responsible for any damage, loss, or injury during practicum experiences. Contact the Campus for more information.

The Medical Assisting Degree Program provides training in both administrative and clinical procedures, including the basic elements of coding for the healthcare and insurance industries. The objective of this Program is to prepare graduates for entry-level positions such as medical assistant, clinical or medical administrative assistant, insurance billing clerk, medical biller, collections and billing clerk, or medical receptionist in work locations such as hospitals, clinics, nursing homes, medical supply businesses, and home health agencies.

The Program consists of 90 academic quarter credit hours and is designed to be delivered over twenty-four months, which are divided into eight three month quarters. The first four quarters consist of 12 one-month modules delivered in hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line). Some of the courses delivered residentially may contain on-line/distance education components, exercises, learning resources, assignments, etc. The final four quarters are delivered as four 12-week quarters, and are entirely on-line.

In order to be eligible for the externship period, students must successfully complete all other 100- and 200-level courses and must have earned a minimum cumulative GPA of 2.0.

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Medical Assisting.

**MEDICAL ASSISTING WITH X-RAY TECH (LIMITED SCOPE)**  
**ASSOCIATE OF APPLIED SCIENCE**  
24 Months

The Medical Assisting with X-Ray Tech (Limited Scope) Degree Program provides training in administrative and clinical procedures, including limited radiography. The objective of this Program is to prepare graduates for entry-level positions such as medical assistant, medical administrative assistant, or clinical medical assistant in work locations such as hospitals, clinics, nursing homes, medical supply businesses, and home health agencies. The Program may lead to entry-level positions as Non-Certified Radiologic Technicians.

Students are prohibited from performing radiologic procedures which have been identified as dangerous or hazardous in accordance with Section 143.16 of Title 25, Texas Administrative Code (relating to Dangerous or Hazardous Procedures) unless they become an LMRT, MRT or practitioner, refer to Section 143.17(l)(11)(B).

The Program consists of 90 academic quarter credit hours and is designed to be delivered over twenty-four months, which are divided into eight three month quarters. The first four quarters consist of 12 one-month modules delivered in hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line). Some of the courses delivered residually may contain on-line/distance education components, exercises, learning resources, assignments, etc. The final four quarters are delivered as four 12-week quarters, and are entirely on-line.

In order to be eligible for the externship period, students must successfully complete all other 100- and 200-level courses and must have earned a minimum cumulative GPA of 2.0.

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Medical Assisting with X-Ray Tech (Limited Scope). Graduates may be eligible to apply for the Non-Certified Radiologic Technician Registry (NCT Registry) through the Texas Medical Board. A record of criminal activity may impact/limit a graduate’s ability to be listed on the NCT Registry in Texas. A disclosure/caution to prospective students is available from Admissions Department. Also, information regarding the process of applying for the NCT Registry is available at [http://www.tmb.state.tx.us/page/non-certified-radiological-technicians](http://www.tmb.state.tx.us/page/non-certified-radiological-technicians).

Paralegals typically assist attorneys in conducting legal research and analysis, drafting legal documents, preparing for trial, maintaining client files, and performing related tasks and duties.

The Paralegal Associate of Applied Science Degree Program includes specific, in-depth professional courses, as well as general education courses. The Program provides training in legal research and writing, civil litigation and trial preparation, business and contracts law, bankruptcy law, family and probate law, real estate law, and legal liability and ethics. The objective of this Program is to help prepare graduates for entry-level positions as paralegals to assist lawyers in law firms, corporations, and government agencies.

This Program requires completion of a minimum of 90 quarter credit hours. Program completion normally requires 18 months for full-time students. The Program is delivered in a system of six three-month quarters, which are delivered in a hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line).

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Paralegal.

The Pharmacy Technician Degree Program provides training in the basic elements of the field of pharmacy such as medical abbreviations, prescription writing and interpretation, drug forms and routes of administration, sterile product mixtures and compounding, as well as developing relationships between the pharmacist and the pharmacy technician. The objective of this Program is to prepare graduates for entry-level positions such as pharmacy technician, pharmacy service representative, outpatient pharmacy technician, and inpatient pharmacy technician in work locations such as retail or mail-order pharmacies, hospitals, nursing homes, and assisted-living facilities.

The Program consists of 90 academic quarter credit hours and is designed to be delivered over twenty-four months, which are divided into eight three month quarters. The first four quarters consist of 12 one-month modules delivered in hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line). Some of the courses delivered residentially may contain on-line/distance education components, exercises, learning resources, assignments, etc. The final four quarters are delivered as four 12-week quarters, and are entirely on-line, with the exception of a 40-hour externship course component. The externship portion of the program is 200 hours comprised of a 160-hour one month course/module and a 40-hour one week course/module.

In order to be eligible for the externship courses, students must successfully complete all other 100- and 200-level courses and must have earned a minimum cumulative GPA of 2.0. Students must complete a minimum of 160 hours at their externship site to earn a passing grade in PT120A and PT120B.

Students enrolling in the Pharmacy Technician Program will be subject to one or more background check(s) and drug screening(s). All students in the Pharmacy Technician Program must register as pharmacy technician trainees with the Texas State Board of Pharmacy, which includes submitting to a criminal background check, in order to participate in the clinical externship and complete the Pharmacy Technician Program. Pharmacy technician trainee registrations expire two years from the date of registration. For individuals not certified as a pharmacy technician in another state, in order to become a registered pharmacy technician, the individual must take and pass the Pharmacy Technician Certification Board's National Pharmacy Technician Certification Examination. Additionally, the individual must register as a pharmacy technician with the Texas State Board of Pharmacy, which includes submitting to a criminal background check. The above is only a summary of the requirements for pharmacy technician trainees and pharmacy technicians. Additional information can be found on the Texas State Board of Pharmacy website: [www.TSBP.state.tx.us](http://www.TSBP.state.tx.us).

Upon successful completion of all areas of this Program, graduates will be awarded an Associate of Applied Science Degree in Pharmacy Technician.

CRIMINAL JUSTICE
Bachelor of Science
18 Months
(Completion Program)

The Criminal Justice Bachelor’s Degree Program provides training in forensic psychology, criminal justice management, vice and narcotics, investigative methods, security management, criminal justice ethics, and the application of computers to preventing crime. The objective of this Program is to prepare graduates for entry-level positions such as corrections, loss prevention, and security.

This Program requires completion of a minimum of 186 credit hours, including any transfer credits that have been accepted. Program completion normally requires 18 months for full-time students (assuming the student has met the prerequisite for admission).

For admission into bachelor degree programs, applicants must have an associate's degree with a minimum of 90 quarter credit hours, of which a minimum of 66 credit hours must be in core courses and a minimum of 24 credit hours must be in general education courses in the fields of math, English, social sciences, and communications. See Admissions Requirements and Procedures for the prerequisite for admission to this Program.

The Program is delivered in a system of six three-month quarters, which are delivered in a hybrid format. In the hybrid format, some courses are delivered residentially and some courses are delivered via distance education (i.e., on-line).

Upon successful completion of all areas of this Program, graduates will be awarded a Bachelor of Science in Criminal Justice.

BN2408  
**Accounting Principles II**  
This course is a continuation of Accounting Principles I. Students are instructed in the basic principles that businesses use to record business transactions in the double-entry bookkeeping system. Methods and procedures used in collecting, analyzing, and summarizing financial data and reporting financial information are covered.  
*Prerequisite(s):* BN1208

BN2410  
**Payroll Applications**  
Students are instructed in how various payroll records are generated and used. The payment of wages and salaries and the associated taxes are studied. The appropriate journal and ledger entries are covered as are the completion of all related government forms and the management of various types of employment benefits.  
*Prerequisite(s):* BN1208

BN2420  
**Business Law and Legal Procedures**  
This course is comprised of an in-depth study of legal and ethical components of business. Emphasis is placed on how to analyze and determine why successful companies have high standards for product quality, concern for employee safety, and reputations for fairness and good service. Students are instructed in procedures for conducting business effectively while conforming to the basic rules of society, both those embodied in law and those embodied in ethical customs. Case studies and selected readings are covered to reinforce critical issues. Written reports and oral presentations are used to strengthen communication skills.  
*Prerequisite(s):* None

BN2428  
**Computerized Spreadsheets**  
This course covers the theory of electronic spreadsheets. Topics include formula creation, template design, formatting features, statistical, mathematical and financial functions, file operations, report generation, graphics, and macros.  
*Prerequisite(s):* BN1108

BN2480  
**Personnel Management**  
This course addresses the skills that are critical for any manager’s success. These skills include a full range of personal, interpersonal, and organizational knowledge and competence. The course also focuses on relevant management skills that are useful in a technological work environment. A problem-based study helps to answer fundamental and specific management questions and analyze challenges that may arise on the job.  
*Prerequisite(s):* BN1610

BN2501  
**Computerized Accounting Applications**  
In this course, students study accounting principles applied through the use of the microcomputer. Emphasis is placed on practical experience and students are evaluated on their mastery of computerized accounting software including general ledger, accounts receivable, and accounts payable.  
*Prerequisite(s):* BN1208

BN2528  
**Relational Database Applications**  
This course covers the practical use of relational database programs. A computerized simulation project is designed to enable students to learn both manual and electronic records. Topics include relational databases, data manipulation, data control, datasheets, tables, queries, forms and macros.  
*Prerequisite(s):* BN1108

BN2558  
**Management and Information Processing**  
Instruction includes discussions on management concepts, organizational behavior, business ethics, supervisory skills, performance and productivity evaluations, and problem solving and decision making. Instruction also includes ways in which information technology and information systems are used by different organizational functions and at different management levels. Coursework includes individual and group assignments, projects and case studies, and written reports and oral presentations.  
*Prerequisite(s):* None

</tbody>
</table>
CAD175  
**Mechanical Drafting I**  
5.00 Quarter Credit Hours  
40/40/0  
This course involves the study and application of mechanical drafting techniques and geometry using computer-aided design software. Topics of study include the identification, use, and function of mechanical and machine components. Students receive instruction in how to design and draft machine elements such as threaded objects, gears, cams, and linkages.  
*Prerequisite(s):* CAD125, CAD135

CAD185  
**Electrical and Electronic Drafting**  
5.00 Quarter Credit Hours  
40/40/0  
This introduction to electrical and electronic drafting and design is intended to expose students to electronics applications and electrical drafting fundamentals. The drafting skills covered are directly related to the development of electrical, electronic, and electromechanical drawings. Students have the opportunity to learn the basic applications of electronic theory and symbology needed for drafting electronic circuitry. Electrical calculations are also addressed to offer students a background in calculating or computing proper electrical loading and wires for specific wiring applications in steel and wooden structures.  
*Prerequisite(s):* CAD125, CAD135

CAD192  
**Pipes and Piping**  
5.00 Quarter Credit Hours  
40/40/0  
This course involves the study and application of commercial and residential plumbing and piping. Students have the opportunity to learn how to use a computer-aided design program to draw layout and assembly applications for pipes, fittings, and valves used in wooden and steel construction.  
*Prerequisite(s):* CAD125, CAD135

CAD215  
**Mechanical Drafting II**  
5.00 Quarter Credit Hours  
40/40/0  
This course continues the study and application of mechanical drafting techniques and geometry using computer-aided design software. Students receive continued instruction in how to design and draft machine elements such as threaded objects, gears, cams, and linkages. The use of three-dimensional forms, geometric tolerances, and dimensioning practices is also reinforced.  
*Prerequisite(s):* CAD125, CAD135

CAD225  
**Civil Drafting and Mapping**  
5.00 Quarter Credit Hours  
40/40/0  
This course covers the basics of civil drafting and mapping technology, including survey types, plots, plans and profiles, contours, and earthworks. Mapping technology includes mapping scales and symbols, surveying types and fundamentals, and understanding location and direction, legal descriptions, plot plans, contour lines, profiles, and highway layouts.  
*Prerequisite(s):* CAD125, CAD135

CAD225  
**Career Portfolio**  
3.50 Quarter Credit Hours  
20/40/0  
In this final course, students have the opportunity to develop a portfolio of drafting designs learned and used throughout the Program. The drawings in the portfolio are representative samples from each drafting discipline studied. Additional instruction focuses on job search techniques and how to present oneself and one’s work to potential employers.  
*Prerequisite(s):* CAD115-CAD225

CD1101  
**Career Development**  
3.00 Quarter Credit Hours  
20/40/0  
This series of lectures and discussions concentrate on developing habits of personal success. Emphasis is placed on assessing qualifications, developing a job search network, preparing résumés, cover letters, and applications, as well as successful interviewing strategies and follow-up.  
*Prerequisite(s):* None

CD203  
**Career Development Fundamentals**  
1.00 Quarter Credit Hour  
20/0/0  
This series of lectures and discussions concentrates on developing habits of personal success. Emphasis is placed on assessing qualifications, developing a job search network, preparing résumés, cover letters, and applications, as well as successful interviewing strategies and follow-up.  
*Prerequisite(s):* None
CD204  
Career Development Principles  
1.00 Quarter Credit Hour  
20/0/0  
This series of lectures and discussions concentrates on developing habits of personal success. Emphasis is placed on problem-solving strategies to be used in the workplace, ethical decision making, personal money management, and employment law.  
Prerequisite(s): None

CJ0001  
Practicum I  
0 Quarter Credit Hours  
During this practicum experience, students are expected to apply criminal justice theories, techniques, and practices in a law enforcement or other criminal justice setting (such as a court, parole, probation, security, or insurance claims setting) under the supervision of a licensed officer or other qualified official or administrator. Students are expected to interact directly with one or more assigned, official representatives of the local criminal justice agency or office during activities such as ride-alongs and regular patrols, community events, administrative/telephone duties, and any other tasks or duties deemed appropriate by the specific agency or office.  
Prerequisite(s): Successful completion of first two quarters of Criminal Justice program coursework

CJ0002  
Practicum II  
0 Quarter Credit Hours  
During this practicum experience, students are expected to apply criminal justice theories, techniques, and practices in a law enforcement or other criminal justice setting (such as a court, parole, probation, security, or insurance claims setting) under the supervision of a licensed officer or other qualified official or administrator. Students are expected to interact directly with one or more assigned, official representatives of the local criminal justice agency or office during activities such as ride-alongs and regular patrols, community events, administrative/telephone duties, and any other tasks or duties deemed appropriate by the specific agency or office.  
Prerequisite(s): Successful completion of first two quarters of Criminal Justice program coursework

CJ0003  
Practicum III  
0 Quarter Credit Hours  
During this practicum experience, students are expected to apply criminal justice theories, techniques, and practices in a law enforcement or other criminal justice setting (such as a court, parole, probation, security, or insurance claims setting) under the supervision of a licensed officer or other qualified official or administrator. Students are expected to interact directly with one or more assigned, official representatives of the local criminal justice agency or office during activities such as ride-alongs and regular patrols, community events, administrative/telephone duties, and any other tasks or duties deemed appropriate by the specific agency or office.  
Prerequisite(s): Successful completion of first two quarters of Criminal Justice program coursework

CJ1500  
Criminal Law and the Constitution  
6.00 Quarter Credit Hours  
This course combines criminal law, criminal procedure and the Constitution into a survey course designed to provide a solid foundation in Criminal Justice legal systems studies. Students learn to analyze criminal justice situations from a legal perspective. Constitutional and U.S. Supreme Court decisions are discussed and how those decisions affect the criminal law processes across the country. The course builds on the relationship between criminal law, criminal procedure and the Constitution.  
Prerequisite(s): None

CJ1510  
Survey of the Criminal Justice System  
5.00 Quarter Credit Hours  
This course is designed to introduce students to criminal justice by exploring its past, present, and future operation in the United States. Instruction is designed to provide the contextual basis for a critical understanding of criminal justice in the United States by examining the nature of crime and its consequences, theories of crime and delinquency causation, and criminal law and its application.

<td>CJ1538</td>
<td>6.00</td>
<td>Criminal Investigations and Evidence Processing</td>
<td>This course is designed to enhance the students’ acquired skill levels pertaining to criminal investigative methods and procedures. Forensic collection and preservation of evidence, protocol of processing crime scenes, and interview and interrogations are discussed and demonstrated. This course is also designed to enhance the students’ knowledge of legal responsibilities and obligations in regard to criminal evidence as well as courtroom protocol and procedures. This course also expands on the various types of evidence, such as documentary evidence versus real evidence, admissibility of evidence and competency of evidence and witnesses. In the lab, the students participate in mock crime scene analysis, evidence processing and courtroom situations.</td>

CJ2738
Criminology and Victimology
6.00 Quarter Credit Hours
This course is designed to provide students with an overall knowledge and understanding of the concept of criminology. Additionally, this course explores the crime problem, its etiology, context, and causes, as well as expose students to various theories or explanations of crime. This course also explores the role of victimology in today's criminal justice system, examining the consequences of victimization and the various remedies now available for victims. Current research on the various types of abuse such as sexual assault, spousal abuse, child abuse, and elder abuse is explored as well. The internet is used in the lab for research activities.
Prerequisite(s): None

CJ2740
Security Management
5.00 Quarter Credit Hours
This course is an introduction to security and loss prevention in proprietary and governmental institutions. An overview of the historical, philosophical, and legal basis of private security and its role in a modern society is presented.
Prerequisite(s): None

CJ3611
Juvenile Law and Justice
5.00 Quarter Credit Hours
This course explores some of the most important current controversies in juvenile justice. Coursework includes a review of the major theories of juvenile delinquency and explores psychological and biological factors that may explain delinquent behavior. The course also explores the links between substance abuse and delinquency.
Prerequisite(s): None

CJ3613
Contemporary Corrections
5.00 Quarter Credit Hours
This course offers a survey of contemporary issues involving the administration of justice. Coursework includes the examination of current developments, controversies, and management issues as they pertain to correctional administration. Additional analysis and discussion centers on the use of prisons as the principal means of punishing criminal offenders and controlling criminal behavior.
Prerequisite(s): None

CJ3621
Selected Topics in Law Enforcement
5.00 Quarter Credit Hours
This course presents topics important to law enforcement and corrections. Discussion includes concepts and applications that pertain to managing hostage situations and critical incidents in both law enforcement and corrections, as well as the evolution and cultural response to the social issue of domestic violence with a focus on the “cycle of violence.” Additional topics include how technology and advances in technology are instrumental to criminal justice agencies, and common misconceptions regarding the portrayal of law enforcement and corrections with respect to today’s media coverage.
Prerequisite(s): None

CJ3623
Safety and Risk Management
5.00 Quarter Credit Hours
This course explores the roles, techniques, and strategies of safety and risk management in both the private and public sectors. Coursework includes an examination of the concepts, techniques, and strategies of asset protection, crime prevention, and loss reduction, with an emphasis on the selection and implementation of comprehensive prevention systems and loss-reduction strategies. Topics also include facility security, OSHA regulations, and topologies of fraud.
Prerequisite(s): None

CJ3631
Comparative Criminal Justice Systems
5.00 Quarter Credit Hours
This course is designed to provide students with a survey of worldwide criminal justice philosophies and practices, along with contemporary studies of criminal justice organizations and legal systems in major western and emerging nations.
Prerequisite(s): None

CJ3633
Criminal Justice Research Methods and Data Resources
5.00 Quarter Credit Hours
This course addresses the function of criminology-based research as well as the crime analysis function in law enforcement operations. Instruction is designed to develop analytical reporting skills and uses computer applications, metadata, statistical analysis, and field research techniques.
Prerequisite(s): None
CJ4641  
**Forensic Psychology**  
5.00 Quarter Credit Hours  
This course uses a case-study approach to investigate the field of forensic psychology. Coursework includes an examination of how forensic science is applied in the areas of serial crime and violent offenses, as well as the arena of courtroom defense and prosecution aspects of insanity pleas.  
*Prerequisite(s): None*

CJ4643  
**Criminal Justice Management**  
5.00 Quarter Credit Hours  
This course is designed to introduce students to administrative and management principles and practices applicable to criminal justice agencies, including law enforcement, the court system, and corrections. Topics focus on organizational structure and development, operations, technology trends, and management theories.  
*Prerequisite(s): None*

CJ4651  
**Selected Topics in Investigations**  
5.00 Quarter Credit Hours  
This course explores contemporary criminal justice issues that require expertise in specialized investigative methods. Computer-related criminal investigations such as child pornography, fraud, and identification theft are covered, with a focus on how the internet can be used as an investigative tool. A historical perspective of criminal terrorism as well as special investigative techniques associated with the investigation of terrorist activity are presented. Additional analysis and discussion centers on forensic advances as they relate to suspect identification and crime scene analysis.  
*Prerequisite(s): None*

CJ4653  
**Criminal Justice Information Systems**  
5.00 Quarter Credit Hours  
This course is an introduction to the field of computer information crime, basic criminal techniques, and relevant laws. Coursework includes components of computer forensics, detecting and interceding in computer crimes, techniques used by hackers, and techniques to detect and prevent hackers from attacking and infiltrating computer systems. Coursework also includes a discussion of communication techniques used by computer criminals, with an overview of encryption, stenography, and hacker slang. Topics presented include computer stalking, harassment and child protection methods and litigation, depositions, expert reports, and how to select an appropriate expert witness.  
*Prerequisite(s): None*

CJ4661  
**Restorative Justice**  
5.00 Quarter Credit Hours  
This course is designed to provide students with a fundamental understanding of the concepts and principles of restorative and community justice. Offender accountability, victim participation in various stages of criminal proceedings, community involvement, and restoration are emphasized.  
*Prerequisite(s): None*

CJ4663  
**Vice, Narcotics, and Crime Intelligence**  
5.00 Quarter Credit Hours  
This course is designed to provide an interactive opportunity for students to develop enforcement strategies for investigating vice, narcotics, and organized crime cases. The course focuses on the history and development of traditional and non-traditional organized crime, illegal narcotics trade and trafficking, the abuse and effects of illegal drugs, and enforcement methods. The operational strategies of law enforcement in combating crime, including electronic surveillance, intelligence operations, and covert operations, is discussed and applied in various role-play scenarios.  
*Prerequisite(s): None*

COS I-A  
**COS I-A**  
125 Instructional Hours  
40/85/0  
This course is an introduction to the cosmetology industry and the basic services cosmetologists perform. Coursework covers the history of cosmetology, levels of opportunity within the industry, rules and regulations set forth by the state board of cosmetology, communication, success skills, and professional image. The course also includes basic instruction and practice in manicure and pedicure procedures, skin care and facials, and scalp and hair care services. As a part of their training, students are expected to perform clean-up duties such as sweeping, mopping, cleaning counters and equipment, and laundering towels.  
*Prerequisite(s): None*
COS I-B  125 Instructional Hours
COS I-B  40/85/0
In this course, basic anatomy and physiology, properties of hair and scalp, and the basics of chemistry and electricity are studied. This course also includes practice in the skills of chemical relaxing, permanent waving, and hair color principles and techniques.
Prerequisite(s): None

COS I-C  125 Instructional Hours
COS I-C  25/100/0
This course focuses on the study and practice of hair design, hair shaping (cutting), thermal styling, product knowledge of shampoos and conditioners, shampooing techniques, draping, and client protection and safety.
Prerequisite(s): None

COS II-A  125 Instructional Hours
COS II-A  20/105/0
This course includes performing services for clients in a professional salon setting. Classroom and lab instruction and practice includes braiding and extensions, wig styling and care, and chemical texturizing, such as permanent waving concepts, and hair color theory and applications.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS II-B  125 Instructional Hours
COS II-B  20/105/0
This course includes performing client services and practicing shampooing and proper draping techniques. Hair color techniques such as frosting and tipping are introduced. Classroom and lab instruction includes histology of the skin, hair removal and facial services.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS II-C  125 Instructional Hours
COS II-C  20/105/0
This course includes facial make-up and artistry, structure and growth of the nails, nail art, and hair coloring techniques such as foil highlighting and framing. Practice continues in manicure and pedicure skills, as well as other services that may be requested by clients.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS II-D  125 Instructional Hours
COS II-D  20/105/0
This course provides an introduction to salon management and a refresher for state rules and regulations as they pertain to bacteriology and sanitation. Focus of instruction is on client services, skills practice, front desk procedures, and inventory control.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS II-E  125 Instructional Hours
COS II-E  20/105/0
This course is designed to refresh students on the subject of anatomy and physiology, and how cosmetology services and products can affect the body. Basic chemistry is reviewed through instruction on creating custom formulas of hair color and lighteners. Salon practice of hairstyling, cutting, and other basic services continues.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS II-F  125 Instructional Hours
COS II-F  20/105/0
This course includes the study of shampoos and conditioning products and the practice of styling, shaping, chemical relaxing and curl reformation. This course also includes performing services for clients and models in a professional salon setting.
Prerequisite(s): COS I-A, COS I-B, COS I-C

COS III-A  125 Instructional Hours
COS III-A  0/125/0
This course propels students further into the professional salon environment. Students are instructed to practice and perfect their skills in a salon setting, performing a variety of services for clients and models, scheduling appointments and practicing salon management. Focus of practice is on hair design and shaping.
Prerequisite(s): COS II-A, COS II-B, COS II-C, COS II-D, COS II-E, COS II-F
COS III-B  
125 Instructional Hours  
This course includes performing services for clients and models, and maintaining client records in a salon setting. Focus of practice is on hair lightening and framing, as well as nail and skin care.

Prerequisite(s): COS II-A, COS II-B, COS II-C, COS II-D, COS II-E, COS II-F

COS III-C  
125 Instructional Hours  
This course includes performing services for clients and models, and maintaining client records in the salon setting. Focus of practice is on permanent waving and chemical relaxing. This course also includes completion of a practical exam, or “Mini-Board” on all the previously taught courses to prepare students for licensing.

Prerequisite(s): COS II-A, COS II-B, COS II-C, COS II-D, COS II-E, COS II-F

DA112  
4.00 Quarter Credit Hours  
Basic Body Systems and Functions  
Coursework includes an introduction to the terminology and functions of body systems. Instruction includes specific terms relative to general anatomy and physiology of the human body, including systems, planes, cavities, and basic units.

Prerequisite(s): None

DA113  
1.00 Quarter Credit Hour  
Orientation to Dental Assisting  
This course addresses the history of dentistry. Instruction is provided in the skills performed by members of the dental team, as well as the educational requirements and professional organizations that represent each of the dental professions. Instruction also includes how to prepare a patient for care, including recording patient information and recording vital signs. Coursework includes an introduction to the law as it pertains to the dentistry field.

Prerequisite(s): None

DA122  
2.50 Quarter Credit Hours  
Oral Anatomy  
In this course, instruction is provided in location, structures, and functions of head and neck anatomy, including bones of the head and face, musculature, innervation, and the circulatory system. This course also provides instruction in the structure and forms of human teeth, and their location in the mouth as well as the eruption schedule and function of each tooth in the primary and permanent dentition and related terminology.

Prerequisite(s): None

DA123  
2.50 Quarter Credit Hours  
Oral Radiology Basics  
In this course, instruction is provided in the history and biological effects of radiation, safety precautions, components of the dental X-ray unit, and their function. This course is designed to explain how X-rays are produced and to describe the composition, sizes, types, and storage requirements of dental X-ray film.

Prerequisite(s): None

DA132  
3.50 Quarter Credit Hours  
Chairside Assisting I  
In this course, instruction addresses dental office design and working environment, and how to perform four-handed dental procedures. Instruction also addresses the requirements for special needs patients, instrument grasps and transfer. The scope of oral and maxillofacial surgery, orthodontics, pediatric dentistry and periodontics are covered. Students also receive instruction on how to identify the equipment used and procedures of oral and maxillofacial surgery, orthodontics, pediatric dentistry, and periodontics.

Prerequisite(s): DA112, DA113, DA122, DA123

DA133  
1.00 Quarter Credit Hour  
Dental Office Emergencies  
In this course, instruction includes how to prepare for and deal with common medical and dental emergencies, and be familiar with the necessary contents of an office emergency kit. Instruction also addresses procedures for performing cardiopulmonary resuscitation (CPR), treating patients with syncope, anaphylaxis, asthma attacks, heart conditions, cerebrovascular accident, and common dental emergencies. Students must pass the CPR exam and practicum to pass this course.

Prerequisite(s): DA112, DA113, DA122, DA123
DA142  
**Dental Science I**  
2.50 Quarter Credit Hours  
In this course, instruction includes information about the helpful and harmful microorganisms affecting humans. Instruction also addresses methods and instruments used to study microorganisms. The importance of prevention of oral disease and treatment of periodontal disease as well as infection control standards, including requirements of the OSHA Bloodborne Pathogens Standard, hazardous materials handling, labeling, inventory, housekeeping, laundry, and disposal of hazardous materials are covered.  
*Prerequisite(s):* DA112, DA113, DA122, DA123

---

DA143  
**Dental Materials I**  
2.50 Quarter Credit Hours  
In this course, instruction addresses the parts of dental hand instruments, categories and uses, functions of dental burs, abrasives, dental handpieces, and the importance and function of instrument tray systems and color coding. This course provides instruction in the types of restorative materials and cements used in general dentistry, the standards and organizations responsible for those standards, the role of the dental assistant in chairside restorative procedures, and the properties of dental materials.  
*Prerequisite(s):* DA112, DA113, DA122, DA123

---

DA153  
**Computer and Office Applications**  
3.50 Quarter Credit Hours  
This course provides instruction in the overall aspects of computerized business office systems pertaining to a dental office, dental office management, including patient reception, marketing, telephone technique, business office systems, patient scheduling, records management, accounts receivable, management of patients’ accounts, accounts payable, inventory control, and recall systems management. Patient scheduling, records management, accounts receivable, management of patient accounts, and accounts payable are emphasized. This course also provides instruction in the importance of accurate charting and interpretation for diagnosis, consultation, and financial and billing purposes.  
*Prerequisite(s):* DA112, DA113, DA122, DA123

---

DA162  
**Dental Science II**  
2.50 Quarter Credit Hours  
This course provides instruction in the process of inflammation, identification of oral lesions, oral diseases and related biological, physical, and chemical agents, as well as hormonal, developmental, and nutritional disturbances. Students are instructed in basic pharmacology and drugs associated with treating diseases, their use in dentistry, related terms, parts of a prescription, and types of anesthetics.  
*Prerequisite(s):* DA112, DA113, DA122 DA123, DA132, DA133, DA142, DA143, DA153

---

DA163  
**Dental Materials II**  
2.50 Quarter Credit Hours  
This course provides instruction in the scope and use of removable and fixed prosthodontics. This course also provides instruction in the steps in diagnosis and materials required in treatment, the importance of a consultation appointment, the advantages and disadvantages of partial and full dentures, the steps required in denture polishing, relining and repair, and the function of an overdenture. Instruction includes the definition of an endodontist and how endodontics relates to the dental practice.  
*Prerequisite(s):* DA112, DA113, DA122 DA123, DA132, DA133, DA142, DA143, DA153

---

DA173  
**Clinical Oral Radiology**  
1.00 Quarter Credit Hour  
In this course, students are instructed in how to expose and process diagnostically acceptable intraoral and extraoral dental films, using both the paralleling and bisecting techniques, common production errors, processing techniques, mounting procedures, identification of radiographic landmarks, the procedures and state policies required for dental offices to ensure quality radiographs, and the use of imaging systems for dental purposes.  
*Prerequisite(s):* DA112, DA113, DA122 DA123, DA132, DA133, DA142, DA143, DA153

---

DA174  
**Chairside Assisting II**  
2.00 Quarter Credit Hours  
This course provides instruction in a variety of expanded dental functions, many of which are specifically listed as allowable under individual state dental practice acts. Aspects addressed in the section include preparation, application, and removal of a dental dam; placement, application, and removal of a dental matrix and wedge; rationale and procedure for coronal polish; preparation, manipulation, and placement of dental cavity liners, cavity varnish and cements, suture removal and postoperative patient care following oral surgical procedures; placement and removal of gingival retraction devices; preparation and application of enamel sealant material, benefits and types of dental bleaching materials, application techniques, and patient education instructions.  
*Prerequisite(s):* DA112, DA113, DA122 DA123, DA132, DA133, DA142, DA143, DA153

</tbody>
</table>
HS111  3.50 Quarter Credit Hours
Health Science Essentials  30/30/0
This course encompasses the Occupational Safety and Health Administration (OSHA) and Health Insurance Portability and
Accountability Act (HIPAA) regulations, how to safely work with biohazardous materials and bloodborne pathogens, and an
overview of HIV and hepatitis as they relate to healthcare providers. The basics of medical terminology including word
roots, prefixes, suffixes, combining forms and word-building rules are presented along with terms used to describe and
define anatomical locations. Coursework also includes training in basic first aid and certification in cardiopulmonary
resuscitation (CPR) and automated external defibrillation (AED). Students must pass the CPR/first aid exam and practicum
to pass this course. Medical documentation is also covered in this course.
Prerequisite(s): None

HS112  3.50 Quarter Credit Hours
Health Science Business Procedures  30/30/0
This course is designed to introduce basic computer concepts and Microsoft office applications. The laboratory portion
offers the opportunity to create Word documents, Excel spreadsheets, and PowerPoint presentations. Students are
expected to apply the skills they learn to documents commonly used in the healthcare setting such as correspondence,
spreadsheets, and patient education.
Prerequisite(s): None

HS114  6.00 Quarter Credit Hours
Externship  0/0/160
The externship enables students to work with patients and apply the principles and practices learned in the classroom.
Externs work under the direct supervision of qualified personnel in participating institutions and under the supervision of a
person with appropriate instructor credentials. Current CPR certification, current first aid certification, and the externship
handbook standards for Hepatitis B vaccination must be obtained before beginning externship.
Prerequisite(s): CD203, CD204, HS115, MA133 or MAX115

HS115  3.00 Quarter Credit Hours
Law, Ethics, and Therapeutic Communication  10/50/0
This course focuses on guidelines affecting health laws and regulations on the federal and state levels. Emphasis is
also placed on foundational communication skills for healthcare professionals who provide patient care.
Prerequisite(s): HS111, HS112

MA111  5.00 Quarter Credit Hours
Fundamentals of Medical Assisting  40/40/0
This course provides an overview of the Occupational Safety and Health Administration (OSHA) and Health Insurance
Portability and Accountability Act (HIPAA) regulations to prepare students to work with biohazardous materials and
bloodborne pathogens. This course also covers the profession of medical assisting and introduces phlebotomy and
injections. Coursework includes an introduction to medical terminology and the structure, function, and pathophysiology of
the skeletal and muscular systems.
Prerequisite(s): None

MA114  3.50 Quarter Credit Hours
Medical Laboratory Procedures  30/30/0
This course introduces the concepts of hematology, blood glucose, cholesterol, blood chemistry, special laboratory testing,
blood typing, and Clinical Laboratory Improvement Amendments (CLIA)-waived testing. This course also covers the
anatomy, physiology and terminology of the hematological and lymphatic systems. Laboratory instruction includes using a
microscope, completing lab requisitions, and performing laboratory testing.
Prerequisite(s): HS111, HS112, MA111

MA115  3.50 Quarter Credit Hours
Specialty Exams, Urinalysis, and Microbiology  30/30/0
Specialty examinations are presented in this course, including obstetrics/gynecology, pediatrics, male reproductive,
gerontology, and other examinations of the body. Urinalysis, one of the most frequently performed procedures in the
medical office laboratory, is addressed in this course as well. Basic microbiology principles and procedures are also
covered. Coursework includes an introduction to medical terminology; the structure, function, and pathophysiology of the
urinary system; male and female reproductive systems; obstetrics; and child health.
Prerequisite(s): HS111, HS112, MA111
**MA116  2.00 Quarter Credit Hours**  
**Pharmacology**  
15/15/0  
This course addresses the pharmacology skills and procedures needed by medical assistants in the ambulatory care setting, including pharmacology uses, sources, forms, delivery routes and the laws governing controlled substances. In addition, this course addresses the administration of drugs and performance of basic medication conversions and dosage calculations. Coursework includes an introduction to medical terminology; the structure, function, and pathophysiology of the endocrine and integumentary systems; and the terminology of pharmacology.  
*Prerequisite(s): MA114, MA115*

**MA118  2.50 Quarter Credit Hours**  
**Cardiac Specialty Procedures**  
20/20/0  
This course examines the circulatory and respiratory systems including the structure and function of the heart, blood vessels, and lungs. The electrical pathways of the heart muscle are studied as a basis for electrocardiograms (EKGs).  
*Prerequisite(s): MA114, MA115*

**MA119  2.50 Quarter Credit Hours**  
**Reimbursement**  
20/20/0  
This course introduces reimbursement methodologies, electronic health records (EHRs), and reimbursement and coding for the largest insurance providers.  
*Prerequisite(s): MA114, MA115*

**MA122  2.50 Quarter Credit Hours**  
**Nervous and Digestive Systems**  
20/20/0  
Topics discussed in this course include the structure and function of the human digestive and nervous systems. Common digestive system and nervous system disorders are included in course discussions, as well as general nutritional requirements, guidelines, and disorders. The course covers appropriate medical terminology and abbreviations used for body systems presented. Patient ambulation skills as well as assisting with minor surgical procedures, autoclave, and wound care are included in this course. The laboratory portion includes the opportunity to continue practicing all previously learned skills.  
*Prerequisite(s): MA114, MA115*

**MA124  5.00 Quarter Credit Hours**  
**Coding and Billing**  
40/40/0  
This course integrates foundational coding concepts with disease classification and medical office coding procedures. It introduces Parts 1 and 2 of the ICD-9-CM, along with common procedural terminology (CPT) coding.  
*Prerequisite(s): MA114, MA115*

**MA133  3.00 Quarter Credit Hours**  
**Capstone and Certification Preparation**  
40/0/0  
This course is designed to review and integrate the medical assisting concepts taught throughout the program and to serve as preparation for the Certified Clinical Medical Assisting (CCMA) exam from the National Healthcareer Association (NHA). Remington College reserves the right to change which National Commission for Certifying Agents (NCCA) accredited examination is used.  
*Prerequisite(s): HS115, MA116, MA139, MA118, MA119, MA122, MA136, MA124*

**MA136  2.50 Quarter Credit Hours**  
**Healthcare Insurance Applications**  
20/20/0  
This course is designed to explain managed healthcare concepts such as processing an insurance claim, report generation, and scheduling.  
*Prerequisite(s): MA114, MA115*

**MA139  2.00 Quarter Credit Hours**  
**Healthcare Insurance**  
15/15/0  
This course is designed to introduce the skills required to specialize in health insurance, including computerized billing and office management techniques.  
*Prerequisite(s): MA114, MA115*

**MAX112  2.50 Quarter Credit Hours**  
**Radiographic Imaging Protocols and Positioning**  
20/20/0  
This course focuses on radiographic physics, radiation production principles of exposure, and image quality. This course also introduces radiographic positioning of the spine, skull, facial bones, and sinuses.  
*Prerequisite(s): MA114, MA115*
**MAX113**  
Radiographic Specialization and Positioning  
5.00 Quarter Credit Hours  
40/40/0  
This course discusses image quality critique, special procedures for working with pediatric and geriatric patients, management of acute care conditions, and the ethics and legal considerations of radiography. Positioning of the extremities, shoulders, and pelvis is also covered in this course.  
*Prerequisite(s): MA114, MA115*

**MAX115**  
Capstone and Certification Preparation  
3.00 Quarter Credit Hours  
40/0/0  
This course is designed to review and integrate the medical assisting concepts taught throughout the program and to serve as preparation for the Certified Clinical Medical Assisting (CCMA) exam from the National Healthcareer Association (NHA). Remington College reserves the right to change which National Commission for Certifying Agents (NCCA) accredited examination is used.  
*Prerequisite(s): HS115, MA122, MAX112, MAX113*

**MAX122**  
Radiology and Imaging  
2.50 Quarter Credit Hours  
20/20/0  
This course introduces radiological science and covers the value of effective communication. Patient care and OSHA and HIPAA regulations are presented. Law and ethics for the limited radiographer are discussed. Also covered are the safety and maintenance of radiological materials and equipment and radiographic positioning for the chest and abdomen.  
*Prerequisite(s): MA114, MA115*

**MI115**  
Anatomy and Physiology for Mechanical Structures  
5.00 Quarter Credit Hours  
40/40/0  
This course is designed to teach the structure and function of the human body. The systems studied in this class are the integumentary system, skeletal system, muscular system, and nervous system. This course introduces students to the language of medicine as it relates to these systems. Basic computer knowledge is also covered in this course.  
*Prerequisite(s): None*

**MI125**  
Anatomy and Physiology for Visceral Structures  
5.00 Quarter Credit Hours  
40/40/0  
This course includes instruction on the structure and function of the human body. The systems studied in this class are the endocrine system, circulatory system, respiratory system, digestive system, urinary system, and reproductive system. This course introduces students to the language of medicine as it relates to these systems. Basic computer knowledge is also covered in this course.  
*Prerequisite(s): None*

**MI135**  
Introduction to Medical Coding  
5.00 Quarter Credit Hours  
40/40/0  
This course is designed to provide students with a foundation of medical coding by integrating the basic concepts of disease classification and medical office coding with anatomy and physiology concepts.  
*Prerequisite(s): None*

**MI145**  
Medical Records Management  
3.50 Quarter Credit Hours  
20/40/0  
This course explains how to develop, evaluate, and implement a medical billing and record system used in a typical medical office compliant with the Health Insurance Portability and Accountability Act (HIPAA). This course also introduces the management, legal and compliance requirements and responsibilities of a medical office.  
*Prerequisite(s): None*

**MI155**  
Computerized Insurance and Billing  
5.00 Quarter Credit Hours  
40/40/0  
This course focuses on medical insurance billing as it relates to an office practice. The course is designed to teach students about computerized insurance forms and electronic insurance filing transmission.  
*Prerequisite(s): MI115, MI125, MI135, MI145*

**MI166**  
CPT Coding for Medical Office Applications  
2.50 Quarter Credit Hours  
20/20/0  
This course provides instruction in the coding rules for Current Procedural Terminology (CPT) and the Healthcare Common Procedure Coding System (HCPCS) and explains how to apply the rules to correctly code patient services related to a medical office environment.  
*Prerequisite(s): MI115, MI125, MI135, MI145*

MOA123  Medical Terminology
6.00 Quarter Credit Hours
90/0/0
This course describes the medical vocabulary used to create medical records.
Prerequisites: None

MOA131  Introduction to Coding
6.00 Quarter Credit Hours
90/0/0
This course is designed to introduce diseases, disorders, and drug treatments. Basic concepts in ICD-9-CM, ICD-10-CM, CPT, and Level II (HCPCS) coding are also introduced in the context of diagnoses, patient services, and insurance claims. It also offers students the opportunity to review for the certification examination.
Prerequisites: MOA111, MOA113, MOA121, MOA123

MOA132  Basic Medical Coding Applications
6.00 Quarter Credit Hours
90/0/0
This course offers students the opportunity to apply insurance, billing, and coding concepts. The process of transferring health information from the patient record to insurance forms, including use of diagnosis codes are covered in this course. Topics include ledger cards and the handling of unpaid claims. It also offers students the opportunity to review for the certification examination.
Prerequisites: MOA111, MOA113, MOA121, MOA123

NT100  Nail Tech Principles A
100 Instructional Hours
40/60/0
This course provides an industry overview as well as 75 hours of safety, infection control, and science concepts: sterilizing and sanitation.
Prerequisite(s): None

NT110  Nail Tech Principles B
100 Instructional Hours
40/60/0
This course covers Science Concepts: Basic Human Physiology and Nail Composition
Prerequisite(s): None

NT120  Nail Tech Principles C
100 Instructional Hours
40/60/0
This course covers topics including: Science Concepts (Chemistry, Skin), and Basic Electricity and Safety
Prerequisite(s): None

NT130  Nail Tech Procedures A
100 Instructional Hours
40/60/0
This course covers Procedure topics: Manicure, Pedicure, Basic Massage, as well as Supplies and Implements, Artificial Nail Technology, and provides salon practical hours
Prerequisite(s): None

NT140  Nail Tech Procedures B
100 Instructional Hours
40/60/0
This course covers Application and Repair of Artificial and Natural Nails and salon practical hours.
Prerequisite(s): None

NT150  Nail Tech Procedures C
100 Instructional Hours
40/60/0
This course covers the State Cosmetology Act, Rules and Regulations, Salon Career Planning, and salon practical hours.
Prerequisite(s): None

OGE1517  Literature
6.00 Quarter Credit Hours
This course introduces a range of narrative styles, including novels, drama, and poetry, with the goal of improving comprehension and engagement in literature. Text interpretation, analysis, and reflection are the focus of this course.
Prerequisite(s): None
OGE2930  
General Education Capstone  
6.00 Quarter Credit Hours  
This course is designed to facilitate an understanding of how individual and group values and norms affect the acceptance of “facts” within the fields of communication, psychology, and mathematics. Topics include interpersonal communication, human development, psychological health, and applied statistics.  
Prerequisite(s): None

PL111  
Introduction to Paralegal Studies  
6.00 Quarter Credit Hours  
This course provides an overview of legal principles and specific topics in the paralegal profession and discusses the common duties and responsibilities of practicing paralegals. Topics covered include an overview of contracts, civil and criminal law, procedure and discovery, legal research, real estate, decedents’ estates, and the ethical responsibilities of legal assistants. Also included in this course is a review of the available certification tests in the paralegal field.  
Prerequisite(s): None

PL1121  
Legal Research  
6.00 Quarter Credit Hours  
This course provides an opportunity for students to learn the fundamentals of effective research and analysis in the paralegal profession. Students are introduced to the process of conducting research and compiling their findings. Students are also taught to formulate an understanding of how to summarize those findings to draft client opinion letters, pleadings, contracts, office memos, memoranda of law, and appellate briefs.  
Prerequisite(s): None

PL1122  
Legal Writing  
6.00 Quarter Credit Hours  
This course provides an opportunity for students to learn the fundamentals of effective writing in the paralegal profession as they draft client opinion letters, pleadings, contracts, office memos, memoranda of law, and appellate briefs based on their compiled research.  
Prerequisite(s): PL1111, PL1121, PL1231

PL1123  
Legal Liability and Ethics  
6.00 Quarter Credit Hours  
This course discusses the important ethical issues facing paralegals today and reviews the most common ethical situations that paralegals may encounter on the job. Included is an analysis of regulations regarding the legal profession and the unauthorized practice of law, confidentiality and conflicts of interest, technical rule-driven concepts such as advertising, billing, and fees, and abstract rules such as competence, zealous representation, and integrity.  
Prerequisite(s): None

PL1241  
Civil Litigation and Trial Preparation  
6.00 Quarter Credit Hours  
The litigation process, from pre-lawsuit investigation to appeal, is covered in this course. Coursework provides instruction on how to assist attorneys during each phase of litigation and explains the importance of each step in relation to the client’s success. Topics covered include litigation principles, lawyer and client relationships and ethics, evidence gathering, depositions, civil trial preparation, the structure of a civil trial, and judgments and appeals. In addition, a case study provides the opportunity for students to learn the practical application of the concepts presented.  
Prerequisite(s): PL1122

PL2351  
Business and Contracts Law  
6.00 Quarter Credit Hours  
This course addresses the daily tasks and responsibilities of a paralegal involved in business/contract law. It presents a wide variety of typical business/contract problems and the legal methods used to address those problems. Areas of study include significant cases and their relevance, common issues faced by businesspeople and attorneys, and an in-depth analysis of contracts and the common clauses contained in them.  
Prerequisite(s): PL1122

PL2570  
Family Law  
6.00 Quarter Credit Hours  
This introduction to family law covers such topics as premarital and cohabitation agreements, annulment and divorce and the corresponding separation agreements, issues of child custody and child support, illegitimacy and paternity proceedings, and adoption.  
Prerequisite(s): PL1122

| PL2571      | 6.00         | Probate Law                                | This introduction to probate law covers such topics as an overview of wills, trusts, and estates, including how to draft wills and trusts, estate planning issues, elder care issues, right-to-die concerns, "do not resuscitate" orders, and other healthcare proxies.  
**Prerequisite(s):** PL1122                                                                 |
| PL2572      | 6.00         | Real Estate Law                            | This course covers the basics of real estate law and its current practice. Topics of study include buyer/seller transactions, the role of third parties, contingencies and conditions, deeds, mortgages and leases, closing and settlement procedures, the resolution of real estate disputes, and the reality of foreclosure.  
**Prerequisite(s):** PL1111, PL1121, PL1231                                                                 |
| PL2582      | 6.00         | Bankruptcy Law                             | The bankruptcy code and bankruptcy rules are explored in this course, including why bankruptcy law covers what it does, the written and unwritten rules of procedure that guide how a bankruptcy is implemented, the necessary tools for mastering the procedures of bankruptcy practice, and the role of the paralegal in this practice. Bankruptcy is examined from the perspective of the debtor, the trustee, and the creditor. An explanation of taxes in bankruptcy and the procedure for electronic filing are also covered.  
**Prerequisite(s):** PL1111, PL1121, PL1231                                                                 |
| PT111       | 5.00         | Pharmacy Practice                          | 40/40/0  
This course introduces essential skills and responsibilities of a pharmacy technician in various pharmacy settings. After providing an overview of the evolution of pharmacy practice, the course discusses foundational concepts such as basic pharmacy procedures, common drugs and abbreviations, and the pharmacy billing system.  
**Prerequisite(s):** None                                                                 |
| PT112       | 3.50         | Dosage Calculation                         | 40/20/0  
This course focuses on the prevention of medication misadventures in various pharmacy practice settings through accurate prescription interpretation and dosage calculations. Verification of the measurement, preparation, and packing of medications is also discussed in this course.  
**Prerequisite(s):** HS111, HS112, PT111                                                                 |
| PT115       | 3.50         | Therapeutics and Pharmacy Law              | 20/40/0  
This course addresses the structure, function, and pathology of the digestive, reproductive, skeletal, and endocrine systems. Drug classifications, medications, drug actions, and medication preparation for these systems are covered. Laws and standards regulating the field of pharmacy are also a focus of this course.  
**Prerequisite(s):** PT112, PT121                                                                 |
| PT117       | 5.00         | Therapeutics and Medical Safety            | 50/30/0  
This course addresses the structure, function, and pathology of the circulatory, cardiovascular, and respiratory systems. Drug classifications, medications, drug actions, and medication preparation for these systems are covered. Emphasis is also placed on prescription and over-the-counter medication safety.  
**Prerequisite(s):** PT112, PT121                                                                 |
| PT120       | 7.00         | Pharmacy Technician Externship            | 0/0/200  
This externship enables students to work with patients and apply the principles and practices learned in the classroom. Externs work under the direct supervision of qualified personnel in retail, community practice, or other appropriate settings under the supervision of a person with appropriate instructor credentials. Current CPR certification, current first aid certification, and the externship handbook standards for Hepatitis B vaccination must be obtained before beginning externship.  
**Prerequisite(s):** PT124                                                                 |
PT120A 5.50 Quarter Credit Hours
Pharmacy Technician Externship
This externship enables students to work with patients and apply the principles and practices learned in the classroom. Externs work under the direct supervision of qualified personnel in retail, community practice, or other appropriate settings under the supervision of a person with appropriate instructor credentials. Current CPR certification, current first aid certification, and the externship handbook standards for Hepatitis B vaccination must be obtained before beginning externship.
Prerequisite(s): PT124

PT120B 1.50 Quarter Credit Hours
Pharmacy Technician Externship
This externship enables students to work with patients and apply the principles and practices learned in the classroom. Externs work under the direct supervision of qualified personnel in retail, community practice, or other appropriate settings under the supervision of a person with appropriate instructor credentials. Current CPR certification, current first aid certification, and the externship handbook standards for Hepatitis B vaccination must be obtained before beginning externship.
Prerequisite(s): PT124

PT121 5.00 Quarter Credit Hours
Therapeutics, Prescription Entry, and Billing
This course addresses the structure, function, and pathology of the integumentary, ophthalmic, optic, nervous, and muscular systems. Drug classifications, medications, drug actions, and medication preparation for these systems are covered. Billing, payment collection, and reimbursement are also a focus of this course.
Prerequisite(s): HS111, HS112, PT111

PT122 4.00 Quarter Credit Hours
Sterile Products and Quality Assurance
This course is designed to introduce aseptic compounding and sterile products. Emphasis is also placed on the principles and procedures of quality assurance and on the risk levels for various compounded sterile preparations. Students must pass the Sterile Products Certification exam to pass this course.
Prerequisite(s): PT112, PT121

PT123 5.00 Quarter Credit Hours
Extemporaneous Compounding and Inventory Management
This course covers extemporaneous compounding equipment, techniques, preparation, and labeling. Management of inventory and purchasing systems is also included in this course.
Prerequisite(s): PT112, PT121

PT124 2.00 Quarter Credit Hours
Capstone and Certification Preparation
This course is designed to review and integrate pharmacy technology concepts taught throughout the program and to serve as preparation for a nationally accredited pharmacy technician certification examination.
Prerequisite(s): HS115, PT122, PT115, PT123, PT117
ACADEMIC STANDARDS

GRADING LEGEND

Academic standing at the Campus is based on the grading system below. The following grading scale shall apply to all students:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality</th>
<th>Score</th>
<th>Points</th>
<th>Included in GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>90% to 100%</td>
<td>4.0</td>
<td>Y</td>

</table>

*For exceptions, see Repeating a Course section.
**TR designates credits transferred from any college other than a Remington College campus.
***TR-A, TR-B, and TR-C designates credits transferred from another Remington College campus. The A, B, or C indicates the grade the student received at the other Remington College campus.

At the successful completion of all courses in a program, the student is eligible to receive a degree or diploma provided the program has been completed with no less than a 2.0 Cumulative Grade Point Average ("CGPA"). The grade point average for the Grading Period is determined by multiplying the number of credit hours for each course by the number of points identified for each grade outline set forth above and dividing by the total number of credits for the Grading Period. Students will be provided progress reports of their academic status at the conclusion of each Grading Period.

WITHDRAWAL FROM A COURSE

Students who withdraw (voluntarily or involuntarily) from a course after the drop/add period will be assigned the following grade(s):

- A "W" if student drops/is dropped before 50% of Grading Period is completed.
- A "W" if more than 50% of the Grading Period has been completed AND student has a passing grade at the point in time when student drops/is dropped.
- An "F" if failing after 50% of Grading Period.

REPEATING A COURSE

If a required course is failed, it must be taken again. If a student repeats a course, without regard to whether the previous grade was a failing or a passing grade, the new grade will be used (and all prior grades will be ignored) in calculating the CGPA. Students who repeat courses will be charged to repeat the course at the cost per credit hour as set forth in the Application and Enrollment Agreement.

INCOMPLETE GRADES

If a student fails to complete a course, a grade of "I" (incomplete) may be temporarily recorded. Course requirements must be completed and submitted on or before the seventh day from the last day of the term (for example: if the term ends on Thursday, then all course requirements must be submitted not later than Thursday of the following week).

GRADES IN ERROR

If a student believes he/she received a grade in error, the student may request a review of the grade received. The request must be made in writing to the Campus Dean within 30 days of the end of the Grading Period for which the grade is disputed. (Students who are not satisfied with the results of the requested review may file a grievance. See Dispute Resolution Procedures and Alternatives Section.)
LEAVE OF ABSENCE
Remington College will allow a student enrolled in a program to apply for a leave of absence ("LOA") from their program of up to one hundred fifty (150) calendar days from the students last date of attendance prior to the commencement of the LOA. A student is only eligible for one LOA during each program of study. A LOA may only start at the beginning of a module. A written request for a LOA must be submitted by the student on an LOA Application Form which may be obtained from the Campus Dean or Administrator. An LOA will not be granted unless Remington College’s Provost (or designee) determines that there is a reasonable expectation the student will resume their program within the LOA period. Students enrolled in programs that are being discontinued will not be granted a leave of absence if, upon returning from a leave of absence, the student will not be able to complete the program prior to its termination because of limited course availability. All LOA requests must be reviewed and approved by Remington College’s Provost (or designee). If a medical emergency prevents the student from applying in writing in advance, the Provost (or designee) may approve an exception, in his/her sole discretion, based on the individual circumstances. A student’s failure to return from a leave of absence may impact the loan repayment terms of a student’s Title IV program loans including the exhaustion of the student’s entire grace period.

SATISFACTORY ACADEMIC PROGRESS POLICY AND REQUIREMENTS
All students must meet the Remington College’s minimum standards of academic achievement and course completion progress requirements while enrolled at Remington College. Remington College will provide for electronic notification to students via email or posting to the student portal of the results of a SAP evaluation that impacts Title IV eligibility, which includes notification to any student that may be eligible for Title IV aid, regardless of whether they currently receive aid. Remington College’s satisfactory academic progress standards ("SAP") have two primary components: one is qualitative and the other is quantitative. The qualitative component requires certain minimum cumulative grade point averages be achieved as of certain measuring points and the quantitative component requires completing courses at a certain pace in order to complete an educational program within the allowed maximum timeframe. The qualitative and quantitative components of SAP are evaluated as of each Minimum Measurement Point based upon grades, credit hours attempted and credit hours completed as indicated on a student’s transcript as of the end of the Grading Period ending contemporaneously with the most recent Minimum Measurement Point being reached. Minimum Measurement Points occur at the end of each Quarter and in addition thereto, at the applicable Minimum Measuring Point as a percent of Program Length indicated in the charts below.

Remington College’s satisfactory academic progress standards are the same for all students without regard to whether they receive financial assistance under Title IV, HEA programs ("Title IV") or other financial aid and applied consistently to all students without regard to whether they are a full-time or part-time student. A student that fails to satisfy the SAP requirements at any Minimum Measuring Point and is not placed on either Financial Aid Warning or Financial Aid Probation status shall no longer be eligible to receive assistance under the Title IV programs.

SATISFACTORY ACADEMIC PROGRESS DEFINITIONS
“Appeal” means the appeal by a student of a determination by the School that a student has not meet the SAP requirements and is commenced by submitting an Appeal Request in compliance with the Appeal Procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog.

“Appeal Procedures” means the procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog that a student must follow to Appeal a determination that a student has failed to satisfy SAP standards and to obtain Financial Aid Probation status.

“Appeal Request” means a written document that contains the information required by the Appeal Procedures set forth below in the Satisfactory Academic Progress Appeals and Waivers section of this Catalog.

“CGPA” means a student’s cumulative grade point average calculated as set forth below in the Qualitative Component of Satisfactory Academic Progress section of this Catalog.

“Grading Period” is a period of instruction for which the student receives a final grade that is recorded on a student’s transcript for a particular course.

“Financial Aid Probation” means the status assigned by the School to a student who (i) is on Financial Aid Warning status and fails to make satisfactory academic progress at the end of the first Quarter or other Minimum Measuring Point occurring after student was placed on Financial Aid Warning status; (ii) has appealed the SAP failure determination made by the School and (iii) after considering the Appeal, the School has determined the student should be able to meet SAP requirements in the next Quarter or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.
“Financial Aid Warning” means the status assigned to a student who is on SAP Met status and subsequently fails to satisfy SAP requirements at the end of a Quarter or as of any other Minimum Measuring Point.

“Minimum CGPA” shall have the meaning consistent with the set forth below in the Qualitative Component of Satisfactory Academic Progress section of this Catalog, which is the minimum cumulative grade point average.

“Minimum Percentage of Total Clock Hours in Program Completed Requirement” shall have the meaning consistent with the meaning set forth below in the Quantitative Component of Satisfactory Academic Progress section of this Catalog, which is the number of completed clock hours required as a percentage of the total clock hours in the program as of each Measuring Point in Clock Hours Attempted. The specific Minimum Percentage of Total Clock Hours in Program Completed Requirement as of each Minimum Measuring Point for various programs are delineated in Minimum Clock Hours Completed Requirements (Diplomas Cosmetology) chart set forth below in the Quantitative Component of Satisfactory Academic Progress section of this Catalog.

“Minimum Pace of Completion” shall have the meaning consistent with the meaning set forth below in the Quantitative Component of Satisfactory Academic Progress section of this Catalog, which is the minimum number of credits hours earned after attempting a certain number of credit hours (degree and non-cosmetology/nail technician, diploma programs) or a minimum number of clock hours earned after attempting a certain number of clock hours. The specific Minimum Pace of Completion Requirement as of each Minimum Measuring Point for various programs are delineated in the Minimum Satisfactory Academic Progress charts set forth below.

“Minimum Measurement Point” shall mean the end of each Quarter as defined herein for each program classification and in addition thereto the applicable Minimum Measuring Point as a percent of Program Length and Minimum Measuring Point in Credit Hours Attempted indicated in the charts set forth below.

“MTF” shall have the meaning consistent with the meaning set forth below in the Satisfactory Academic Progress section of this Catalog, which is maximum timeframe for completion of a program.

**Quarter Definitions**
The term “Quarter” is defined differently for students based upon program type or date the student starts class. “Quarter” means a period of time which generally consists of twelve (12) weeks of instructional time, but never less than ten (10) weeks of instructional time.

**Qualitative Component of Satisfactory Academic Progress**
The qualitative component of SAP requires the achievement of specified minimum cumulative grade point average (“Minimum CGPA”) as of certain measuring points which are defined above as the Minimum Measuring Points. Except as provided below, the cumulative grade point average, CGPA, is calculated using the grades for all courses for which a grade was received, other than a “W”, or “I” during the Grading Periods in which the courses were completed as of the time a Minimum Measurement Point is reached.

If a student receives the temporary grade of “I”, the grade received upon completion of the course or “F” if the course is not completed within time allowed for completion will be used to calculate the CGPA. However, if a student repeats a course, without regard to whether the previous grade was a failing or a passing grade, the new grade will be used and all prior grades for the repeated will not be included in the grades used to calculate the CGPA. The grades received for credit or clock hours from another institution, other than another Remington College campus, that are accepted for transfer towards a student’s program will not be included in the calculation of the CGPA but will be included in the determination of the Minimum Measurement Point. The grades received for credit or clock hours from another Remington College campus, that are accepted for transfer towards a student’s program will be included in the calculation of the CGPA and will be included in the of the determination of the Minimum Measurement Point. The Minimum Satisfactory Academic Progress chart below lists program lengths and the Minimum CGPA required at the end of the Grading Period wherein each of the Minimum Measurement Points is initially met or exceeded.

If a student’s CGPA falls below the minimum required CGPA at any Minimum Measuring Point, the student will be notified in writing of the consequences of not maintaining satisfactory academic progress including if such failure will impact a student’s Title IV eligibility, cause the student to receive a Financial Aid Warning or require student to Appeal the determination to be placed on Financial Aid Probation to have Title IV eligibility reinstated.
**Quantitative Component of Satisfactory Academic Progress**

The quantitative component of SAP requires the completion, as of the Minimum Measuring Points, of either a minimum number of credits hours after attempting a certain number of credit hours (degree and non-cosmetology/nail technician, diploma programs) or a minimum number of clock hours after attempting a certain number of clock hours. For degree programs, the Quantitative Component is measured at each Minimum Measuring Point as a percentage credits earned out of the total credits attempted in the program. For diploma Cosmetology and Nail Technician programs the number of clock hours required to be completed as of each Minimum Measuring Point is measured as a percentage of the total clock hours required to complete the program that will have been attempted by a student at each Minimum Measuring Point is reached which is defined below as the Minimum Percentage of Total Clock Hours in Program Completed Requirement. The quantitative component of SAP measures whether a student is progressing through the program at a rate that will ensure the student graduates within a maximum timeframe. The maximum timeframe (“MTF”) for completion of a program is one and one-half times the program length. The MTF is measured in credit hours for credit hour courses and clock hours for clock hour courses.

The number of credit hours or clock hours required to be completed depends upon the length of the program. A credit hour or clock hour is completed when a grade other than “W” or “I” is assigned to the credit or clock hour. If a student receives the temporary grade of “I”, the grade received upon completion of the course or “F”, if the course is not completed within time allowed for completion, will be used to determine the number of completed credit or clock hours used to measure whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measuring Point. The credit or clock hours assigned to courses for which a student receives a “W” will be included in the determination of the number of credit or clock hours attempted that is used to measure whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measuring Point. The credit or clock hours from another institution, including another Remington College campus, that are accepted for transfer towards a student’s program will be included as both credit or clock hours attempted and completed in the determination of whether the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point. Courses repeated will be included as both credit or clock hours attempted and completed in the determination of whether the Minimum Percentage of Total Program Credit Hours Completed Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point. The number of credit or clock hours completed and attempted as indicated on a student’s transcript at the end of the Grading Period ending contemporaneously with the most recent Minimum Measurement Point being reached will be used to determine if the Minimum Pace of Completion Requirement or Minimum Percentage of Total Clock Hours in Program Completed Requirement has been satisfied as of a Minimum Measurement Point.

The Minimum Satisfactory Academic Progress Requirement chart below lists program lengths and the Minimum Pace of Completion Requirement that must be satisfied as of each respective Quarter for degree and non-cosmetology, diploma students. The Minimum Clock Hours Completed Requirement charts below lists program lengths, measuring points in clock hours attempted and the Minimum Percentage of Total Clock Hours in Program Completed Requirement that must be satisfied as of each respective Minimum Measuring Point for cosmetology and nail technician diploma students.

If a student cannot complete the program within the MTF, the student will be notified in writing that the student will not be able to meet the SAP requirements and that as a consequence the student will be dropped and such failure will impact a student’s eligibility to receive assistance under the Title IV programs.

**Satisfactory Academic Progress Statuses**

**SAP Met Status**
A “SAP Met” status indicates that at the established measurement points the student satisfied all SAP evaluation criteria. A student with SAP Met status remains eligible for Title IV funding.

**Financial Aid Warning Status**
A Financial Aid Warning status indicates a student who was on SAP Met status subsequently fails to satisfy satisfactory academic progress standards at the end of a Quarter or any other Minimum Measuring Point.

**Financial Aid Probation Status**
A Financial Aid Probation status indicates a student who is on Financial Aid Warning status fails to meet satisfactory academic progress standards at the end of the Quarter or other Minimum Measuring Point first occurring after student was placed on Financial Aid Warning status; that has appealed the SAP failure determination and the School has determined the Student should be able to meet SAP requirements in the next Quarter or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.

**Financial Aid Warning**
A student on SAP Met status who subsequently fails to meet a qualitative or quantitative component of the SAP requirements set forth above will be placed on Financial Aid Warning status. If the student satisfies the requirements of a failed SAP component as of the next Minimum Measuring Point for the component failed, the student will be acknowledged as having met SAP requirements for that component. If a student fails both components the student must satisfy the SAP requirements applicable to each component to be removed from Financial Aid Warning and gain SAP Met status. A student removed from Financial Aid Warning will be classified as SAP Met status.

The student remains eligible for Title IV while on Financial Aid Warning status.
**Financial Aid Probation**

If a student on Financial Aid Warning status does not meet the minimum SAP requirements for a failed component at its next Minimum Measuring Point and the student Appeals the determination that the student failed to meet SAP standards, the student will be placed on Financial Aid Probation status if the School determines the student should be able to meet the SAP requirements by the end of the next Quarter or other Minimum Measuring Point or the School has developed an academic plan that if followed will insure the student is able to meet SAP requirements by a specific time.

A student on Financial Aid Probation will have their Title IV eligibility reinstated and be eligible to receive Title IV disbursements.

If a student placed on Financial Aid Probation status satisfies the requirements of a failed component as of the next Minimum Measuring Point for the component failed occurring after the student is placed on Financial Aid Probation status, the student will be acknowledged as having met SAP requirements for that component. If a student fails both components the student must satisfy the SAP requirements applicable to each component to gain SAP Met status and be removed from Financial Aid Probation status. A student removed from Financial Aid Probation status will be classified as SAP Met status.

A student Dropped for failing to meet SAP requirements unless a waiver is granted by the Provost for Remington College.

A student Dropped for failing SAP requirements will not be eligible to re-enroll or re-enter in any program at any Remington College campus. (See Re-Enrollment and Re-Entry Policy regarding application to Satisfactory Academic Progress Policy.)

**Satisfactory Academic Progress Appeals and Waivers**

Students may Appeal a determination that they have not met SAP requirements by submitting an Appeal in writing to the Provost for Remington College or his/her designee in accordance with the Appeal Procedures set forth below. The determination of the Provost for Remington College or his/her designee is final.

**Appeal Procedures**

To Appeal a determination that SAP requirements have not been met a student must submit a written Appeal request to Provost for Remington College. The Appeal request may be sent by email to academic.sap@remingtoncollege.edu, mailed to the Provost, 1800 Eastgate Drive, Garland, TX 75041 or hand-delivered to the Campus Dean at the Campus the student attends. The Appeal request must be received by the School on or before end of the Drop/Add period of applicable to the class start date following the notice given to student of their failure to meet SAP requirements. A student on Financial Aid Warning status that fails to meet the SAP requirements as of the end of the Quarter during which the student was on Financial Aid Warning status or by the next Minimum Measuring Point if it occurs before the end of said Quarter must file an Appeal in order to be placed on Financial Aid Probation status and have their Title IV eligibility reinstated. For an Appeal to be granted, the Appeal must be based upon the death of a relative, an injury or illness of the student, or other special circumstances. The student must set forth in the Appeal Request the basis for the Appeal, why the student failed to make satisfactory academic progress, and what has changed in the student’s situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation point.

**Waiver Procedures**

Students who fail to meet SAP requirements while on Financial Aid Probation status, as a result of failing to meet the terms and conditions of the academic plan agreed to as a condition to being placed on Financial Aid Probation status, will be Dropped unless the Student is granted a waiver by the Provost of Remington College. A Student must submit a written request for a waiver to the Campus Dean at the Campus. If the Campus Dean at the Campus determines the waiver request has merit, the waiver request shall be forwarded to the Provost of Remington College for review. A Student will not be eligible to participate in Title IV programs if the waiver is granted until the Student regains eligibility to participate in Title IV programs. See Regaining Title IV Eligibility Section below.

**Regaining Title IV Eligibility with Remington College**

Students who lose eligibility to participate in Title IV programs as a result of failure to meet SAP requirements after being placed on Financial Aid Probation status can regain eligibility to participate in Title IV programs at Remington College as follows:

1. Absent a change of programs, eligibility to participate in Title IV programs can only be reinstated for a Quarter that occurs after the Student has completed a Quarter while being ineligible to participate in Title IV programs. Students will therefore have to complete at least one Quarter without being eligible to participate in Title IV financial aid programs to regain eligibility to participate in Title IV programs. The determination of the amount of Title IV funds a Student that regains eligibility to participate in Title IV programs after having lost eligibility is eligible to have disbursed will not include the charges incurred while the student had no Title IV eligibility.
2. Students who have two or more Quarters remaining after the Quarter in which the Student lost eligibility to participate in Title IV programs may regain eligibility by meeting SAP requirements at the end of Quarter that occurs after the Quarter in which the Student’s eligibility to participate in Title IV programs terminated.

3. Students who do not have two or more Quarters remaining after the Student lost eligibility to participate in Title IV programs may regain eligibility by enrolling in a different program.

4. Students successfully appealing a determination that the student was not making satisfactory progress.

Students who elect to enroll in a program that is different from the one in which the Student was enrolled at the time the Student lost eligibility to participate in Title IV programs will be eligible to participate in Title IV financial aid programs for all Quarters in the new program provided the Student meets the SAP and all other eligibility requirements while enrolled in the new program.

**Regaining Title IV Eligibility at Another Post-Secondary Educational Institution**

Students may be eligible to regain Title IV eligibility at another post-secondary educational institution.

**GRADUATION REQUIREMENTS**

A student is eligible for graduation if:

- The student has completed all required courses with a passing grade;
- The student has accumulated the total number of credits required for graduation from the program of study, for programs other than the Cosmetology diploma and Nail Technician diploma programs; or the student has accumulated the total number of clock hours required for graduation from the program of study, for the Cosmetology diploma and Nail Technician diploma programs; and
- The student has achieved a Cumulative Grade Point Average of 2.0 or better.
- ATB students in the Medical Office Administration program must attempt the GED test.

A graduate who is not current on their financial obligations to Remington College will not be eligible to receive their graduation certificate or be permitted to participate in graduation ceremonies but may receive an unofficial transcript only.

**UNIT OF CREDIT/ACADEMIC HOUR DEFINITION**

An academic hour or class in programs other than the Cosmetology diploma and Nail Technician diploma programs is 50 minutes of instruction in a 60-minute period. An academic hour or class in the Cosmetology diploma and Nail Technician diploma programs is 60 minutes of class, lecture, laboratory instruction and practice or recitation in a 60-minute period. Academic hours are converted into credit hours for programs other than the Cosmetology diploma and Nail Technician diploma programs to allow for comparison with other post-secondary institutions.

For students enrolled in programs other than the Cosmetology diploma and Nail Technician diploma programs, one quarter credit hour equals 30 units comprised of the following academic activities:

- one clock hour in a didactic learning environment equals 2 units;
- one clock hour in a supervised laboratory setting of instruction equals 1.5 units;
- one hour of externship equals 1 unit; and
- one hour of out-of-class work and/or preparation designed to measure the student’s achieved competency relative to the required subject matter objectives equals 0.5 unit.

**ATTENDANCE POLICY FOR PROGRAMS OTHER THAN THE COSMETOLOGY DIPLOMA AND NAIL TECHNICIAN DIPLOMA PROGRAMS**

Remington College considers attendance important to its students’ ability to receive the maximum benefit from the educational programs in which they are enrolled. Accordingly, Remington College routinely takes attendance in all its programs and classes, and students are expected and encouraged to attend all the classes for which they are scheduled.

Remington College makes no distinction between excused and unexcused absences. In addition to the academic value students receive from attending as many of the scheduled class sessions as possible, Remington College believes that demonstrating regular and consistent attendance and punctuality helps students to develop good work habits and may improve students’ ability to obtain gainful employment upon completion of their educational program.

Prospective employers are often interested in a student’s attendance record when making hiring decisions or selecting candidates to interview for employment. Success in the workplace requires more than just knowledge. It also requires that employees be reliable, punctual, and committed. Some employers consider a student’s attendance history as the best available indicator of whether a student has demonstrated those highly desirable traits.

Students are hereby advised that excessive absences in any class will negatively impact the grade the student receives in that class, with the resultant impact on the student’s Cumulative Grade Point Average ("GPA") as set forth below.
Make-up work (i.e. assignments or other class-related work) is not a substitute for attendance. Any make-up work performed by a student shall have no effect on the student’s attendance record. In no circumstance shall make-up work be recorded as attendance or be used as a basis for modifying a student’s attendance records.

**METHOD OF RECORDING ATTENDANCE IN RESIDENTIAL COURSES**

Remington College takes attendance for each class session shortly after the beginning of each class session. The exact time when attendance is taken in each class session is at the discretion of the instructor. A student will be considered present only if, in the judgment of the instructor, the student attends “substantially all” of the class, without regard to whether the student is present at the time attendance is taken. Accordingly, a student who is present at the time attendance is taken may be considered absent if the student left the class before having attended “substantially all the class,” as determined in the sole judgment of the instructor. Conversely, a student who was absent when attendance was taken but arrives after that point and who, in the sole judgment of the instructor, attended “substantially all the class” may be considered “present.” Students are encouraged to arrive on time for all classes and to stay in class for the duration of the class session in order to achieve the maximum benefit of the instruction provided and avoid being marked absent for classes in which they attended less than the entire class session. A student who disagrees with the instructor’s attendance determination may discuss the instructor’s determination with the instructor and request that the instructor reconsider his or her determination. Students whose grades are affected by the attendance policy as a result of an attendance determination should seek redress as set forth in the “Grades in Error” section of this Catalog.

Attendance in any off-Campus instructional portion of a program (e.g., externship or clinical courses) is recorded based on appropriate documentation provided.

**METHOD OF RECORDING ATTENDANCE IN ONLINE COURSES**

Students enrolled in courses that are delivered via a computer ("Online") do not "attend" classes in the same way as resident students whose programs are delivered in the classroom. The courses in online programs are conducted asynchronously, meaning that not all students in a particular course are online at the same time. Instead, students "attend" on their own schedule by interacting with the instructor and other students through a variety of online methods, such as bulletin boards, e-mails, etc.

**ATTENDANCE REQUIREMENTS**

“Term” is defined for all diploma program students and degree program students with start dates in the months of January, April, July, or October as the academic period that generally consists of 12 weeks of instructional time, but never less than 10 weeks of instructional time. “Term” is defined for degree program students with start dates in the months of March, June, September, or December as the academic period that generally consists of 18 weeks of instructional time but never less than 16 weeks of instructional time.

A student enrolled in a residential course will be dropped for attendance if he or she does not attend at least one class within the period of time which is the lesser of: (a) 10 consecutive scheduled class days or (b) 14 consecutive calendar days (excluding scheduled break periods or unscheduled break periods resulting from inclement weather or cancellations of scheduled days). A student enrolled in an online course who has failed to enter the online classroom for 14 consecutive calendar days during a course will be dropped (the 14 day limitation excludes scheduled break periods).

**Grade Adjustments for Participation in Residential Courses**

The maximum grade a student will be eligible to receive for each course in the student’s program will be based upon class participation. Students should monitor their participation grades in their canvas course. Active participation in the course includes participating in classroom discussions, lab participation, and attending class regularly.

**ATTENDANCE POLICY FOR THE COSMETOLOGY DIPLOMA PROGRAM**

Distinctly different from the attendance policies of other programs offered by the Campus, state regulations require that students must attend a minimum of 1500 clock hours. Remington College addresses the “hours attended” component of the Attendance Policy for the Cosmetology Program in the following way:

- Attendance of at least 125 clock hours in each module of the Cosmetology Program is mandatory in order to receive a passing grade;
- Up to 12.5 clock hours of absences in each module may be excused, which, if approved, will be included in the per module hour requirement as having been attended; however, excused absences do not apply to the state board required hours; and
- Opportunities to make-up clock hours for missed attendance (unexcused) will be available each module. Completion of make-up clock hours sufficient to replace missed attendance must be done in the module within which the Grading Period falls.
**Excused Absence Policy**
- Excused absences may be approved for reasons such as: medical, family emergency, military, or jury duty.
- Excused absences must be requested no later than two weeks after the absence via the Excused Absence Request form, which must be approved by the Campus Dean or Cosmetology Program Chair.
- No student that is behind more than 25 clocked-in hours in relation to the normal rate of progress towards state hour requirements (125 hours per module) will be eligible for excused absences, until which time they are back within at least 25 clocked-in hours in relation to the normal rate of progress towards state hour requirements.

The Campus will use an electronic system in which students will be logged into the building and out of the building. Students are required to log out at any time they leave the building for break and will only be counted present for the time they are in the building and in the classroom, performing procedures or receiving other instruction. Remington College is required to provide attendance information by an attendance reporting system to the Texas Department of Licensing and Regulation (TDLR).

**Attendance Policy for the Nail Technician Diploma Program**
Distinctly different from the attendance policies of other programs offered by the Campus, state regulations require that students must attend a minimum of 600 clock hours. Remington College addresses the “hours attended” component of the Attendance Policy for the Nail Technician Diploma Program in the following way:

- Attendance of at least 100 clock hours in each module of the Nail Technician Diploma Program is mandatory in order to receive a passing grade;
- Up to 10 clock hours of absences in each module may be excused, which, if approved, will be included in the per module hour requirement as having been attended; however, excused absences do not apply to the state board required hours; and
- Opportunities to make-up clock hours for missed attendance will be available each module. Completion of make-up clock hours sufficient to replace missed attendance must be done in the module within which the Grading Period falls.

**Excused Absence Policy**
- Excused absences may be approved for reasons such as: medical, family emergency, military, or jury duty.
- Excused absences must be requested no later than two weeks after the absence via the Excused Absence Request form, which must be approved by the Campus Dean or Cosmetology Program Chair.
- No student that is behind more than 20 clocked-in hours in relation to the normal rate of progress towards state hour requirements (100 hours per module) will be eligible for excused absences, until which time they are back within at least 20 clocked-in hours in relation to the normal rate of progress towards state hour requirements.

The Campus will use an electronic system in which students will be logged into the building and out of the building. Students are required to log out at any time they leave the building for break and will only be counted present for the time they are in the building and in the classroom, performing procedures or receiving other instruction. Remington College is required to provide attendance information by an attendance reporting system to the Texas Department of Licensing and Regulation (TDLR).

**Attendance Policy for the GED Test Preparation Course**
The GED Test Preparation Course consists of 16 hours of instruction per each four-week module and is typically delivered in one-hour sessions four days per week. Students must attend at least 50% of the scheduled GED Test Preparation Course sessions each module. A student who does not attend at least 50% for two consecutive modules will be dropped from the GED Test Preparation Course AND the corresponding career training diploma program.

**Program Changes**
Students are required to complete a new Application and Enrollment Agreement in order to change programs.

**Independent Study**
As a general rule, Remington College does not offer “Independent Study” to students. As previously discussed in this Catalog, Remington College believes that interaction between the student, the instructor, and other students is an important part of the learning environment and helps the student develop other skills important to career success. Independent Study, which is offered only on a voluntary basis, is available only in degree programs and only in rare circumstances. (For example, when the Campus is no longer enrolling students for a particular course or program and the student needs only a relatively small number of credits to complete the program.)
No one at the Campus is authorized to approve an Independent Study for a student. Together, the Campus Dean and the Director of Campus Administration must submit a request for an Independent Study to the Provost for Remington College.

If the Provost approves an Independent Study, the Independent Study will be supervised by a faculty member, and credit hours for the Independent Study will be the same as the credit hours normally earned in the course.

To qualify for Independent Study, students must:
- Be actively pursuing a degree,
- Be in good standing with the Satisfactory Academic Progress and Attendance Policies, and
- Have a history of good attendance and academics.
CANCELLATION, WITHDRAWAL, AND REFUND POLICIES

RIGHT TO CANCEL THE APPLICATION AND ENROLLMENT AGREEMENT AND TO RECEIVE A REFUND OF ALL PAYMENTS FOR PROGRAMS OTHER THAN THE COSMETOLOGY DIPLOMA AND NAIL TECHNICIAN DIPLOMA PROGRAMS
Students may cancel their Application and Enrollment Agreement with Remington College without penalty and terminate their obligations by notifying the Campus prior to midnight of the third business day after the Application and Enrollment Agreement is signed by the student.

If the student has not visited the Campus prior to execution of an Application and Enrollment Agreement, the student may cancel the Application and Enrollment Agreement without penalty and terminate the obligations hereunder within three business days following a tour of the Campus facility and inspection of equipment.

If the student gives the required notice of cancellation, all payments made by the student pursuant to the Application and Enrollment Agreement will be returned within 30 days from the receipt of student's notice of cancellation.

RIGHT TO CANCEL THE APPLICATION AND ENROLLMENT AGREEMENT AND TO RECEIVE A REFUND OF ALL PAYMENTS FOR THE COSMETOLOGY DIPLOMA AND NAIL TECHNICIAN DIPLOMA PROGRAMS
Students may cancel their Application and Enrollment Agreement with Remington College without penalty and terminate their obligations by notifying the Campus prior to midnight of the third business day after the Application and Enrollment Agreement is signed by the student.

If the student has not visited the Campus prior to execution of an Application and Enrollment Agreement, the student may cancel the Application and Enrollment Agreement without penalty and terminate the obligations hereunder within three business days following the earlier of (a) a regularly scheduled orientation or (b) a tour of the Campus facility and inspection of equipment.

If the student gives the required notice of cancellation, all payments made by the student pursuant to the Application and Enrollment Agreement will be returned within 30 days from the receipt of student's written notice of cancellation.

RETURN OF MONIES PAID AS TUITION IF STUDENT IS NOT ACTIVATED
If a Student does not attend enough classes to be activated or otherwise fails to meet the criteria for activation, he or she will not be charged any Tuition, and any monies previously paid as Tuition will be refunded. (See Catalog for the Campus’ Activation Policy.) Remington College will make any refund to which a Student may be entitled under this section within thirty (30) days of the end of the Activation Period.

WITHDRAWAL NOTIFICATION
In the event a Student intends to withdraw from the Student’s program, the Student is urged to provide withdrawal notification to one of the following individuals: the Student's Instructor, the Program Chair for the program in which the Student is enrolled (if any), the Campus Dean, the Director of Student Finance or any other member of the Student Finance Department. Failure to provide withdrawal notification will result in the withdrawal date of determination being based upon the Campus’ attendance policy, as set forth in the College Catalog, and most likely will result in any refunds due to the Student being made at a later date than would have been made had the Student provided the withdrawal notification.

EXIT CALCULATION AND REFUND POLICIES
Information regarding any applicable third party funding agency refund or return of funds policies (e.g., Title IV, Veterans Administration, WIA, etc.) may be obtained from the Campus Student Finance Department.

The following is a brief and general explanation of rules, regulations and policies applicable to the making of the Exit Calculation. In the event that any conflict exists between this explanation and the rules, regulations and policies applicable to the various financial aid programs, such rules, regulations and policies as modified and amended from time to time shall be applied. This explanation is not intended to be a complete and thorough explanation of all of the applicable components of the Exit Calculation, and should not be relied upon as such.
In the simplest terms, the Exit Calculation and refund process consists of four steps:

1) Computing the amount of Tuition that a student is charged for a payment period in which the student drops or is dropped in accordance with the state refund policy as set forth below. (The method of determining the official date of termination is the date the student notified the Campus he/she was dropping or the last date the student attended class.)

2) Determining what, if any, amounts from financial aid and/or other financial assistance programs are required to be returned to the fund sources. For a discussion of amounts required to be returned under Return of Title IV Funds regulations see “Return of Title IV Funds” section below.

3) Adjusting the student’s account based on the calculations of (1) and (2), making the appropriate refunds, if any, based on the calculations of (1) and (2) and determining whether the student owes Remington College any additional monies as a result of the adjustments, or whether the student has a credit balance (amount owed to the student’s account) after applying any additional institutional and non-institutional charges, including any prior year balances, against the credit balance.

4) Refunding any credit balance to the student’s lenders (see Refund Distribution Order for the Return of Title IV Funds section).

RETURN OF TITLE IV FUNDS FOR PROGRAMS OTHER THAN THE COSMETOLOGY DIPLOMA PROGRAM

Up through the point in time when 60% of the calendar days in a Financial Aid Payment Period has passed a pro rata schedule is used to determine how much Title IV financial aid program funds “Title IV Funds” the student has “earned” (is entitled to retain) at the time the student drops or is dropped. After the 60% point, a student has “earned” 100% of the program funds.

For purposes of calculating any required return of Title IV Funds, the percentage of the Financial Aid Payment Period completed is the total number of calendar days in the Financial Aid Payment Period for which the assistance is awarded divided into the number of calendar days that have occurred in that period as of the day the student withdrew. “Calendar days” for these purposes is something of a term of art, and will be interpreted in accordance with applicable regulations, which may not represent the actual number of pure calendar days in every case. For example, scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a Financial Aid Payment Period (denominator) and the number of calendar days completed in that period (numerator).

Any required refunds of Federal Title IV Funds will be made within forty-five (45) days after the earlier of the date on which it has been determined that a Student Drops, has been Dropped, or is deemed to have been Dropped. Any refund of funds other than of Federal Title IV Funds will be made in accordance with applicable law.

RETURN OF TITLE IV FUNDS FOR THE COSMETOLOGY DIPLOMA PROGRAM

Once 60% of the scheduled clock hours in a payment period have occurred, the Student has “earned” (is entitled to retain) 100% of the Title IV Funds for the payment period. If less than 60% of the clock hours in a payment period have occurred, then a pro-rata schedule is used to determine the amount of Title IV Funds the Student is entitled to retain at the time the Student Drops or is Dropped.

For purposes of calculating any required return of Title IV Funds, the percentage of a payment period completed is the amount of clock hours scheduled to be completed from the beginning of a payment period until the Student’s last date of attendance divided by the total number of clock hours in the payment period for which the Financial Aid is awarded.

Any required refunds of Federal Title IV Funds will be made within forty-five (45) days after the earlier of the date on which it has been determined that a Student Drops, has been Dropped, or is deemed to have been Dropped. Any refund of funds other than of Federal Title IV Funds will be made in accordance with applicable law.

REFUND DISTRIBUTION ORDER FOR THE RETURN OF TITLE IV FUNDS

Refunds of unearned Title IV Funds will be made in the following order: 1) Unsubsidized Direct Loans (other than Direct PLUS Loans); 2) Subsidized Direct Loans; 3) Direct PLUS Loans; 4) Federal Pell Grants for the Financial Aid Payment Period for which a return of funds is required; 5) Iraq and Afghanistan Service Grant, for which a return of funds is required.
INSTITUTIONAL REFUND POLICY
Remington College charges a $100 administrative fee for any Student who Drops or is Dropped before 60% of the calendar days in a Payment Period. The table below indicates the amount of Tuition the Applicant will be charged (the amount Remington College has earned) if the Applicant is activated and Drops or is Dropped.

REFUND POLICY FOR STUDENTS CALLED TO ACTIVE MILITARY SERVICE
A student who withdraws as a result of the student being called to active duty in a military service of the United States or the Texas National Guard may elect one of the following options for each program in which the student is enrolled:
1) If Tuition and fees are collected in advance of the withdrawal, a pro rata refund of any Tuition, fees, or other charges paid by the student for the program and a cancellation of any unpaid Tuition, fees, or other charges owed by the student for the portion of the program the student does not complete following withdrawal;
2) A grade of incomplete with the designation “withdrawn-military” for the courses in the program, other than courses for which the student has previously received a grade on the student’s transcript, and the right to re-enroll in the program, or a substantially equivalent program if that program is no longer available, not later than the first anniversary of the date the student is discharged from active military duty without payment of additional Tuition, fees, or other charges for the program other than any previously unpaid balance of the original Tuition, fees, and charges for books for the program; or
3) The assignment of an appropriate final grade or credit for courses in the program, but only if the instructor or instructors of the program determine that the student has:
   a) Satisfactorily completed at least 90 percent of the required coursework for the program; and
   b) Demonstrated sufficient mastery of the program material to receive credit for completing the program.

TDLR REFUND POLICY
For the Cosmetology diploma and Nail Technician diploma programs only, the TDLR Refund Policy takes the place of the Institutional Tuition Charging Policy.
1) The refund is based on the student’s enrollment, computed on the basis of course time expressed in clock hours completed divided by the total Program clock hours.
2) The effective date of the termination for refund purposes is the earliest of:
   a) The last day of attendance, if the student is terminated by the school;
   b) The date the Campus receives the student’s written notice of withdrawal; or
   c) Ten school days after the last date of attendance.
3) Remington College may not retain more than $100 if Tuition is collected before the course of training begins and the student fails to withdraw from the course of training before the cancellation period expires.
4) If the student begins the Program at the Campus and during the last 50% of the Program, withdraws from the Program or their enrollment terminates for any other reason, Remington College:
   a) May retain 100% of the Tuition and fees paid by the student and
   b) Is not obligated to refund any additional outstanding Tuition.
5) If the student begins the Program at the Campus and before the last 50% of the Program, withdraws from the Program or their enrollment terminates for any other reason, Remington College shall refund:
   a) 90% of any outstanding Tuition for a withdrawal or termination that occurs during the first week or first one-tenth of the Program, whichever period is shorter;
   b) 80% of any outstanding Tuition for a withdrawal or termination that occurs after the first week or first one-tenth of the Program, whichever period is shorter, but within the first three weeks of the Program;
   c) 75% of any outstanding Tuition for a withdrawal or termination that occurs after the first three weeks of the Program, but not later than the completion of the first 25% of the Program, and;
   d) 50% of any outstanding Tuition for a withdrawal or termination that occurs not later than the completion of the first 50% of the Program.
6) A refund owed under the TDLR Refund Policy will be paid not later than the thirtieth day after the date the student becomes eligible for a refund.
RETURN OF STUDENT CREDIT BALANCES UPON GRADUATION

TITLE IV CREDIT BALANCES
Upon graduation, if a Title IV Credit Balance ("TIV Credit Balance") exists, not more than $200 of the TIV Credit Balance will be applied to any balance remaining from prior year institutional and non-institutional charges. Any amount remaining after application of the TIV Credit Balance to prior year charges will be refunded directly to the Student, unless the Student informs the Student Finance office of the Campus that the Student wishes to have all or a portion of the TIV Credit Balance returned to the lender(s) to reduce the Student's outstanding loan balance. In such case, the Student will need to sign an authorization directing Remington College to refund to the lender(s) the entire Title IV Credit Balance, or a lesser amount if the Student wants to retain a portion of the Title IV Credit Balance. Amounts returned to lenders shall be disbursed to lender(s) in accordance with the Refund Distribution Order for Return of Title IV Funds.

NON-TIV CREDIT BALANCES
Upon graduation, if a non-TIV credit balance exists, the non-TIV credit balance will be refunded in accordance with the requirements of the third party lender, if any. If no lender exists, the credit balance will be refunded directly to the Student.

RETURN OF STUDENT CREDIT BALANCES UPON WITHDRAWAL
If the student withdraws from Remington College, and after the return of Title IV calculation has been applied, any credit balance remaining will be used to cover any additional institutional and non-institutional charges including but not limited to current and/or prior year balances. Any credit balance remaining on the student’s account will be refunded in accordance with the Return of Title IV Funds Distribution Order.

DETERMINATION OF STUDENT BALANCES
As a result of the return of Title IV funds calculation, in some circumstances, funds previously received on behalf of the student may be required to be returned to grantors or lenders. This can result in the student owing a balance to Remington College even though the student’s account might have shown no balance due while the student was still attending. As set forth in the Application and Enrollment Agreement, the student is responsible for any balance owed Remington College, and Remington College is responsible for the payment of any refunds.

INSTITUTIONAL REFUNDS
Once the return of Title IV funds calculation is made and the unearned portion, if applicable, is returned to the lender, then the institutional refund policy may be applied, if applicable.

STATE REFUNDS
Once the return of Title IV funds calculation is made and the unearned portion, if applicable, is returned to the lender, then the state refund policy may be applied, if applicable.

POST-WITHDRAWAL DISBURSEMENTS
If a student is eligible for a post-withdrawal disbursement, a letter will be mailed identifying the source and the amount of the Title IV aid. The student will have 14 days in which to decline to accept the disbursement. If there is no response, the funds will be returned to the appropriate funding source. The return of these funds will not reduce the obligation of the student to Remington College for any unpaid Tuition.

FORCE MAJEURE
Remington College will not be liable for any damages including but not limited to consequential damages resulting from Remington College’s inability to fulfill Remington College’s obligations under the Application and Enrollment Agreement including but not limited to the failure to provide the instruction and other resources necessary to enable a student to complete the program in which a student has enrolled or receive a graduation award where such inability or failure is directly or indirectly caused by or results from a fire, war, terrorist act, strike, work stoppage, riot, utility failure or shortage, damage by the elements, act of nature, acts of God or any other cause beyond the control of Remington College. In the event Remington College is unable to perform any of the obligations under the Application and Enrollment Agreement, for any of the reasons set above, Remington College shall not be responsible for any damages including but not limited to consequential damages or have an obligation to issue Tuition refunds, other than as required by an applicable refund policy.

ACTIVATION OF MILITARY RESERVIST
Upon receipt of a copy of official military orders evidencing a call to active military duty prior to the completion of a term, Remington College will reverse all charges related to the interrupted term. The student’s transcript will reflect the student’s withdrawal as a "W" and no grade or credit will be issued for the courses that were not fully completed.
ADMINISTRATIVE POLICIES

CANCELLATION OF CLASSES
It is Campus policy to remain open and to hold classes as scheduled whenever weather conditions allow. The Campus Administrators shall determine when classes will be cancelled due to weather conditions. An announcement of a decision to cancel classes may be broadcast on local radio and/or television stations. Students are responsible for contacting the Campus to determine if the Campus has been closed due to weather.

STUDENT CONDUCT AND DISCIPLINE
Students are expected to conduct themselves in a mature, courteous manner at all times. Any student whose conduct, academic standing, or attendance is regarded as unsatisfactory or unacceptable may be dropped from Remington College.

Specifically, the following conduct may result in disciplinary action, which will vary depending on the severity of the infraction:
1) Academic dishonesty such as cheating, plagiarism, or knowingly furnishing false information to Remington College.
2) Forgery, alteration, misuse, or mutilation of Campus documents, records, identification, educational materials, or Campus property.
3) Obstruction or disruption of teaching, administration, disciplinary procedures, or other Campus activities including public service functions or other authorized activities on or off premises.
4) Physical or verbal abuse of any person or conduct which threatens or endangers the health or safety of another.
5) Theft of or damage to property of Remington College or using or attempting to use Campus property in a manner inconsistent with its designed purpose.
6) Unauthorized entry to, use of, or occupation of Campus facilities.
7) Intentional or unauthorized interference with a right of access to Campus facilities, or freedom of movement, or speech of any person on the premises.
8) Use or possession of firearms, ammunition, or other dangerous weapons, substances, or materials, or bombs, explosives, or incendiary devices.
9) Disorderly conduct or lewd, indecent, or obscene conduct or expression.
10) Hazing.
11) Violation of a federal, state, or local ordinance including, but not limited to, those covering alcoholic beverages, narcotics, gambling, sex offenses, or arson, on Campus property or at a Campus function. (Please refer to the Drug-Free and Smoke-Free School Policies as set forth in this catalog.)
12) Rioting, aiding, abetting, encouraging, or participating in a riot on Campus property.
13) Failure to comply with the verbal or written directions of any Campus official acting in the performance of his/her duty and in the scope of his/her authority or resisting a security officer while acting in the performance of his/her duties.
14) Aiding and abetting or inciting others to commit any act of misconduct set forth herein.
15) Conviction of a crime which is of a serious nature. Upon filing of charges in court involving an offense which is of a serious nature and it is administratively determined that the continued presence of the student would constitute a threat or danger to the students, faculty or staff of Remington College, such student may be temporarily suspended pending disposition of the charges in court.
16) Engaging in inappropriate sexual behavior on Campus or violating the Student Sexual Harassment Policy.
17) Violation of Remington College policy applicable to use of computers or online services, including:
   a) Failure to comply with the provisions in the Application and Enrollment Agreement pertaining to the use of computers, networks and online services;
   b) Copyright infringement or violation of patent, trademark, proprietary information, or confidentiality agreements;
   c) Misrepresentation of identity through alteration of e-mail names;
   d) Posting unsolicited advertisements to public meetings or private in-boxes (no spamming);
   e) Transferring computer viruses, intentionally or unintentionally, or other code that disrupts or interferes with other users’ use of the online environment or personal computers, systems, or networks.
18) Identity theft or misrepresentation of identity, including, but not limited to, educational fraud related thereto.
19) Abuse, intimidation or other forms of online bullying of any person, such as personal attacks on other students or individuals in synchronous or asynchronous sessions (e.g. in chat rooms, by instant message or on bulletin boards).

Remington College reserves the right to delete content or discontinue Campus-provided internet accounts for any reason.

Violation of any of the above may subject the student to any of the following:
1) Reprimand.
2) Imposition of specific restrictions.
3) Disciplinary probation. Further infractions during the probationary period may result in suspension.
4) Suspension.
5) Termination.
After being suspended, a student may be allowed to resume attending classes only after a written request is submitted to the Director of Campus Administration, and the Director of Campus Administration approves the student's request. Any further infraction of Campus policies may result in expulsion. (See Re-Enrollment and Re-Entry Policy regarding application to Student Conduct and Discipline.)

**STUDENT SEXUAL HARASSMENT POLICY**

Sexual harassment is illegal and will not be tolerated at any Campus. Sexual harassment is a violation of state and federal law including Title IX of the Educational Amendments of 1972 and in some cases may constitute sexual abuse under state criminal statutes. Remington College is committed to providing an environment that is free from sexual harassment.

Sexual harassment should always be reported, if possible, to Remington College's Vice President of Human Resources and Title IX Civil Rights Coordinator, either by telephone at 1-800-333-2755 or in writing, delivered to 7131 Business Park Lane, Lake Mary, Florida, 32746, or by email at vphrtitleixcoordinator@remingtoncollege.edu.

**WHAT CONSTITUTES SEXUAL HARASSMENT**

Conduct that constitutes sexual harassment is difficult to define. What may be considered appropriate conduct by one may be considered sexual harassment by another. It depends upon the vantage point of the individual involved. Students should report any conduct that they believe constitutes sexual harassment.

Sexual harassment of a student involves the behavior of an individual of either sex against an individual of the opposite or same sex. Sexual harassment occurs when such behavior constitutes unwelcome sexual advances, unwelcome requests for sexual favors, and other unwelcome verbal, written or physical behavior of a sexual nature. Sexual harassment includes situations where submission to sexually offensive conduct or a request for sexual favors is made either explicitly or implicitly a term or condition of a student's educational advancement or other educational decisions made about the student, or such conduct is sufficiently severe and pervasive so as to alter the conditions of, or have the purpose or effect of substantially interfering with a student's academic performance by creating an intimidating, hostile, or offensive educational environment. Sexual harassment can result from the behavior of visitors, parents, vendors or other third parties. Sexual Harassment can occur both on and off Campus premises.

The following are examples of behavior that generally can constitute sexual harassment:

- direct or indirect threats, bribes, or demands for unwanted sexual activity;
- sexual innuendo and comments;
- asking or commenting about a person's sexual activities;
- humor or jokes about sex or females/males in general;
- sexually suggestive sounds or gestures, including sucking noises, winking, and throwing kisses;
- pestered a person for dates or sexual behavior;
- touching, patting, pinching, stroking, squeezing, tickling, or brushing against a person;
- giving a neck or shoulder massage;
- ogling or leering, such as staring at a woman's breasts;
- insulting and belittling a person – sexual ridicule;
- letters, notes, telephone calls, or materials of a sexual nature;
- displaying pictures, calendars, cartoons, or other material with sexual content;
- stalking a person either inside or outside an institution; and
- attempted or actual sexual assault.

Sexual harassment can occur between students. Behaviors that can constitute peer sexual harassment include all of the behaviors listed above as well as the following:

- leaving obscene messages or pictures on Campus computers;
- shouting obscenities;
- snapping a female's bra or elasticized waist of pants, shorts, or skirt;
- persistent unwanted sexual attention, such as continually asking a person for a date long after the person has indicated no interest;
- telling someone what sexual behaviors the speaker would like to engage in with that person; and
- threatening rape.
REPORTING SUSPECTED SEXUAL HARASSMENT
An initial course of action for any student who feels that he or she is being sexually harassed is for the student to inform the harasser that the conduct is not welcome and must stop. However, in some circumstances, this course of action may not be feasible, may be unsuccessful, or the individual may be uncomfortable dealing with the matter in this manner. Remington College will always assist a student in resolving violations of this policy. Sexual harassment should always be reported, if possible, Remington College’s Vice President of Human Resources and Title IX Civil Rights Coordinator, either by telephone at 1-800-333-2755 or in writing delivered to 7131 Business Park Lane, Lake Mary, FL 32746 or by email at vphrtitleixcoordinator@remingtoncollege.edu.

Any sexual harassment incident should be reported within three business days of the occurrence or event giving rise to the incident if possible. But a student should always report the incident even if not done within the requested three days. It is always best to make a written report but oral reports will be acted upon.

INVESTIGATION AND RESOLUTION OF SEXUAL HARASSMENT COMPLAINTS
Unless a student or the alleged harasser request the matter be addressed through the formal grievance procedures described below, sexual harassment complaints can be resolved informally. The manner in which a student desires to have a complaint resolved can be addressed when it is first reported.

A thorough investigation into any alleged incident of sexual harassment will be conducted by the Title IX Civil Rights Coordinator. Every effort will be made to conduct the investigation in a discreet manner in order to protect the privacy of both the complainant and the accused. The name of the reporting party may be kept confidential, if requested, provided maintaining confidentiality does not interfere with the ability to investigate or take corrective action. Upon the conclusion of the investigation, which normally will be accomplished within 30 days from the receipt of the report, the Title IX Civil Rights Coordinator will issue findings and determine whether there was a violation of Remington College’s sexual harassment policy and will inform both parties of the action Remington College will take based on these findings. If it appears warranted, action may be taken on an interim basis while the investigation is in progress.

If the Title IX Civil Rights Coordinator issues a finding that a violation of this policy has occurred, appropriate disciplinary action will be taken ranging from a verbal or written warning or reprimand to expulsion of a student or dismissal of an employee for cause. Students may also be transferred to other classes.

If either party disagrees with the findings of the investigation, such objections must be submitted in writing to Remington College’s Title IX Civil Rights Coordinator, 7131 Business Park Lane, Lake Mary, Florida, 32746 within 15 days of the date of the receipt of the findings, specifying the particular findings to which the party objects. The objections will be considered and a written report will be issued in response to the objections within 15 days of the date the objection is received.

FORMAL GRIEVANCE PROCEDURES
If students do not want the incident resolved informally they may utilize the formal grievance procedures set forth in this Catalog. Use of the formal grievance procedures may also be initiated by either party after receipt of the investigator’s finding when the informal procedures described above are used.

Use of the formal grievance procedures to resolve a sexual harassment incident requires the submission of a written grievance to the Title IX Civil Rights Coordinator at the address set forth above. Students should indicate in their grievance the names of any person who is aware of or witnessed the occurrence or has independent or collaborative knowledge of the incident or incidents giving rise to the grievance.

Students should include with their grievance the best method for contacting them to discuss the grievance and the best time of day for such contact, and whether they object to being contacted at the Campus. A Remington College official will attempt to make contact with the student, as instructed by the student, upon receipt of the grievance by the Title IX Civil Rights Coordinator, Director of Campus Administration or Program Chair.

The Title IX Civil Rights Coordinator will conduct such investigation, inquiry and research into the grievance as deemed necessary to reach a conclusion as to how the grievance should be resolved. The Title IX Civil Rights Coordinator will contact the student promptly to inform the student of Title IX Civil Rights Coordinator’s decision, and in any event, not later than 30 days after the initial contact, unless the Title IX Civil Rights Coordinator determines more time is necessary to complete the required inquiry, in which case the student will be notified.

The student may also file a complaint with the accrediting commission or appropriate state board as set forth in this Catalog or the student may also obtain this information from the Title IX Civil Rights Coordinator. If the student is not satisfied with the resolution of the sexual harassment claim resulting from the use of the grievance procedures, the student may commence arbitration proceeding as set forth in this Catalog and in the student’s Application and Enrollment Agreement.
An informational packet with instructions on how to institute arbitration will be provided to the student upon request to the Title IX Civil Rights Coordinator.

Both the written objection to findings of the Title IX Civil Rights Coordinator or the written request for resolution by formal grievance must be provided to the Vice President of Human Resources, Remington College’s Title IX Civil Rights Coordinator, by certified mail, through the United States Postal Service to 7131 Business Park Lane, Lake Mary, Florida, 32746 within 15 days after receiving notice of the findings of the investigation.

**NON-REPRISAL FOR REPORTING SEXUAL HARASSMENT**
No student may be subjected to restraint, interference, coercion or reprisal for action taken in good faith to seek advice about sexual harassment matters, for filing a complaint of sexual harassment or for otherwise assisting in an investigation of a sexual harassment complaint.

**EMPLOYEE/STUDENT RELATIONSHIPS**
Remington College strictly prohibits employees from fraternizing or socializing with students, except as a part of organized Campus social events or activities and students are prohibited from fraternizing or socializing with employees, except as a part of organized Campus social events or activities. This policy prohibits students and employees from dating. This policy applies to students currently enrolled at any campus. Employee/student relationships must maintain the highest level of professional respect. Accordingly, it is inappropriate, and violates this policy, for employees or students to engage in any type of relationship that is outside of the professional student/employee relationship, regardless of whether such inappropriate relationship also violates Remington College’s sexual harassment policy as set forth above. This policy does not apply to students married to an employee prior to becoming a student.

**DISPUTE RESOLUTION PROCEDURES AND ALTERNATIVES**
From time to time, students may have disputes with Remington College resulting from the student’s recruitment, enrollment and/or attendance, or otherwise arising out of a student’s relationship with Remington College. It is the goal of Remington College to resolve all such disputes promptly, fairly and directly with the student without the intervention of third parties. If this method of resolution is unsuccessful, then such unresolved disputes shall be resolved by one of the methods described below. In order to provide a chance to resolve disputes directly between Remington College and the student without the intervention of third parties, a student may not pursue claims in court or by arbitration until student has fully exhausted the Remington College, State Board, or Commission grievance procedures as described below.

**REMINGTON COLLEGE GRIEVANCE PROCEDURES**
A grievance is defined as any dispute between the student and the Campus. Should a student have a grievance concerning any aspect of his or her recruitment, enrollment, attendance, education, or career services assistance, the student should first contact the faculty or staff member to whom the grievance or complaint refers.

If a solution satisfactory to the student is not reached with the faculty or staff member, the student may submit his or her grievance, in writing, to the Campus Dean, clearly describing the grievance. The Campus Dean will notify the Remington College Department of Student Affairs of the grievance, review the grievance, seek resolution, and notify the student of the remedy within ten business days of receipt of the grievance, unless it is determined more time is necessary to perform a thorough and objective investigation into the allegations raised in the grievance, in which case the student will be notified of that fact by the Campus Dean. In the event the student is not satisfied with the resolution provided by the Campus Dean, the student may appeal to the Director of Campus Administration in writing within ten days of receiving the decision of the Campus Dean. The Director of Campus Administration will notify the Department of Student Affairs of the appeal and will review the pertinent facts and evidence presented.

The Director of Campus Administration will formulate a resolution within ten business days of receipt of the student appeal, unless it is determined more time is necessary to perform a thorough and objective review of the pertinent facts and evidence presented, in which case the student will be notified of that fact by the Director of Campus Administration. Students who wish to contest the Director of Campus Administration’s resolution may submit a written appeal to the Remington College Department of Student Affairs as the final entity seeking a resolution to a reported grievance.

The Department of Student Affairs will review the facts and evidence presented and, if necessary, will conduct additional investigation into the allegations raised in the grievance. The Department of Student Affairs will formulate a resolution, within ten business days of receipt of the student appeal, unless it is determined more time is necessary to perform a thorough and objective review of the pertinent facts and evidence presented, in which case the student will be notified of that fact by the Department of Student Affairs. Once the review is complete, the Department of Student Affairs will promptly inform the student of the decision, including what steps, if any, the Campus will take to resolve the allegations raised in the grievance. At any time in the grievance process, the student may contact the Remington College Department of Student Affairs for additional support via email at student.affairs@remingtoncollege.edu.
Notwithstanding the foregoing, if the grievance involves discrimination including sexual harassment, the grievance should be immediately reported to the person stated below who has been designated to handle grievances regarding violations of Remington College’s non-discrimination policies and the student should submit any such grievance to this person as well as any person indicated above. Any sexual harassment grievance will be handled in accordance with the Campus’ sexual harassment policy as set forth herein.

**Vice President-Human Resources/Title IX Civil Rights and Age Discrimination Act Coordinator**

7131 Business Park Lane  
Lake Mary, FL 32746  
(407) 562-5500  
(800) 333-2755  
legal@remingtoncollege.edu

Students should indicate in their grievances any person the student is aware of who has witnessed the occurrence or has independent or collaborative knowledge of the incident or incidents giving rise to the grievance. Students should be sure to include with their grievances the best method of contacting them to discuss the grievance and the best time of day for such contact, and whether the students object to being contacted at Remington College. A Remington College official will attempt to make contact with the student, as per the instructions provided by the student, within three business days of receipt of the grievance by a Remington College official.

A Campus official will conduct such investigation, inquiry and research into the matter of the grievance as the official deems necessary to perform a thorough and objective investigation into the allegations raised in the grievance. During this investigation phase of the grievance process, the student will have the opportunity to present witnesses and other evidence in support of his/her allegations. The investigation phase of the grievance process will not last more than seven (7) calendar days, unless the official determines more time is necessary to perform a thorough and objective investigation into the allegations raised in the grievance, in which case the official will notify the student of that fact. Once the investigation has been completed, the Campus official will contact the student promptly to inform the student of the official’s decision, including what steps, if any, the Campus will take to resolve the allegations raised in the grievance, including but not limited to, measures to prevent the recurrence of any discrimination and/or otherwise correct any discriminatory effects on the student and others, as deemed appropriate by the Campus.

**ACCREDITING COMMISSION AND STATE AGENCY/STATE BOARD COMPLAINT AND GRIEVANCE PROCEDURES**

Notwithstanding the Remington College (sometimes referred to in this section as a "School(s)"") grievance procedure, Students may submit grievances or complaints at any time to the appropriate accrediting commission, applicable state regulatory board ("State Board"), or applicable state consumer protection agency ("State Agency").

**Accrediting Commission**

**STUDENT COMPLAINT/GRIEVANCE PROCEDURE**

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

**Accrediting Commission of Career Schools and Colleges**

2101 Wilson Boulevard, Suite 302  
Arlington, VA 22201  
(703) 247-4212  
www.accsc.org

A copy of the Commission’s Complaint Form is available at the school and may be obtained by contacting the Director of Campus Administration or online at www.accsc.org.

**State Agency/State Board**

**Cosmetology and Nail Technician Diploma Programs**

Complaints related to the Cosmetology and Nail Technician diploma programs may be submitted to:

**Texas Department of Licensing and Regulation**

P.O. Box 12157  
Austin, Texas 78711  
Telephone: (512) 463-6599  
Toll-Free (in Texas): 800-803-9202
**Degree Programs**

Any current student enrolled in a degree program, any former student who was enrolled in a degree program, or any prospective student considering enrollment in a degree program, may submit complaints to the Texas Higher Education Coordinating Board ("THECB") via the Student Complaint policy set forth on the THECB’s website at: http://www.thecb.state.tx.us/index.cfm?objectid=AC6FA0BC-F5DB-16DE-6B667C085DFB5B98. Specifically, students may obtain a THECB Student Complaint Form (as well as other forms which it will be necessary for students to complete in order to submit a complaint to the THECB) at the Uniform Resource Locator ("URL") set forth in the previous paragraph (or by going to the THECB’s main home page at http://www.thecb.state.tx.us/ and entering the search term "complaints"). Following completion of the THECB Student Complaint Form (and other required forms, also provided at the URL set forth above), students (or former or prospective students) may submit their complaint using one of the following three options:

- Completing the THECB’s online student complaint form (available at the URL for the THECB’s website set forth above) and uploading the required supporting documentation in Portable Document Format (PDF).
- Sending the required THECB Student Complaint Form and supporting documentation as PDF attachments by email to studentcomplaints@thecb.state.tx.us.
- Mailing printed forms and documentation to:
  
  Texas Higher Education Coordinating Board,
  Office of General Counsel
  P.O. Box 12788
  Austin, Texas 78711-2788

Facsimile transmissions of the student complaint forms are not accepted.

The THECB will require any complainant to exhaust all grievance and appeal procedures that Remington College has established (such policies being set forth in detail in the Catalog) to address student complaints prior to initiating any investigation. All complaints submitted to the THECB must include a completed student complaint form as well as a signed FERPA Consent Release form, and a THECB Consent and Agreement Form (all of which are provided at the URL set forth above). Submitted complaints regarding students with disabilities shall also include a signed Authorization to Disclose Medical Record Information form, which is also provided at the URL set forth above. The THECB does not handle, investigate, or attempt to resolve complaints concerning actions that occurred more than two years prior to filing a student complaint form with the Agency, unless the cause of the delay in filing the student complaint form with the THECB was the complainant’s exhaustion of Remington College’s grievance procedures. Former students shall file a student complaint form with the THECB no later than one year after the student’s last date of attendance at the institution, or within 6 months of discovering the grounds for complaint, unless the cause of the delay in filing the student complaint form with the THECB was the complainant’s exhaustion of the institution’s grievance procedures.

Once the THECB receives a student complaint form, the THECB may refer the complaint to other agencies or entities as appropriate (for example, the Consumer Protection Division of the Office of the Attorney General of Texas or to the Accrediting Commission of Career Schools and Colleges, in appropriate circumstances), or the THECB may initiate an investigation itself if the student complaint concerns compliance with the statutes and regulations that the THECB administers. As part of any investigation, the THECB will request a response from Remington College, and may also contact other persons or entities named in the student’s complaint or in Remington College’s response, in order to ascertain all relevant facts. In appropriate cases, the THECB will also attempt to facilitate an informal resolution to the complaint that is mutually satisfactory to the student and to Remington College. In cases in which an informal resolution between the student and Remington College is not feasible, THECB will evaluate the results of the investigation of the student complaint and recommend a course of action to the Commissioner of Higher Education (the “Commissioner”). The Commissioner will consider the recommendation regarding the complaint and render a written determination either dismissing the complaint or requesting Remington College to take specific actions to remedy the complaint. The Commissioner may also request the Board to review and decide issues that regard institutional integrity.

**Diploma Programs Other than the Cosmetology Program**

Any current student enrolled in a diploma program other than the Cosmetology Program, any former student who was enrolled in a diploma program other than the Cosmetology Program, or any prospective student considering enrollment in a diploma program other than the Cosmetology Program, may submit complaints to the Attorney General of Texas, Consumer Protection and Public Health, at the following address or phone number:

- The Attorney General of Texas
  Consumer Protection & Public Health
  Houston Regional Office
  808 Travis, Suite 1520
  Houston Texas, 77002-1702
  (713) 223-5886

  Texas Attorney General’s Consumer Protection Hotline
  1(800) 621-0508

Page 77
Remington College’s Houston North Campus (Greenspoint Area) Location
**Complaint Policy for Students Receiving VA Education Benefits**

Any complaint against the school should be routed through the VA GI Bill Feedback System by going to the following link: [http://www.benefits.va.gov/GIBILL/Feedback.asp](http://www.benefits.va.gov/GIBILL/Feedback.asp). The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactory.

**ALTERNATIVE DISPUTE RESOLUTION FOR PROGRAMS OTHER THAN THE COSMETOLOGY PROGRAM**

In the event that the above grievance procedures do not result in a satisfactory resolution of the dispute, or students are not satisfied with any response to their written complaint filed with a Commission, Council or State Board, pursuant to the terms of the Application and Enrollment Agreement, any "Claim", as hereinafter defined, by either the student or Remington College against the other, or against the employees, agents, owners or officers of Remington College or any affiliates of Remington College or any officers of the owners of Remington College or assigns of the other, shall be resolved by binding arbitration conducted by American Arbitration Association ("AAA").

The Student may contact the Legal Department at Remington College between 8:30 a.m. and 5:00 p.m. Eastern time at 7131 Business Park Lane, Lake Mary, FL 32746, (407) 562-5582 to obtain additional information regarding how to commence arbitration. Remington College will, upon request, provide the student with a package of information on how to contact the AAA and obtain a copy of the AAA Rules (defined below).

By way of general information, under the AAA Rules, an arbitration may be commenced by notifying the other party in writing of the desire to arbitrate a dispute or claim (a "Demand") and submitting two copies of the Demand to the AAA at the time it sends the Demand to the other party along with a copy of the Application and Enrollment Agreement and the required fees and deposits. Upon request, Remington College will provide a Demand form, the address where the form should be sent along with a schedule of the required fees. "Claim" means any claim, dispute, or controversy, whether in contract, tort or otherwise, whether pre-existing, present or future, and including statutory, common law, tort or equitable claims between a student and Remington College including, but not limited to, one arising from or relating to any of the following: (i) student's execution of the Application and Enrollment Agreement and the obligations of the student or Remington College hereunder, or the validity, enforceability or scope of the Application and Enrollment Agreement (ii) student's recruitment and application for admittance, including, but not limited to, any advertisement, promotions, or other oral or written statements relied upon by student in deciding to attend Remington College, (iii) student's attendance at Remington College and the quality of the instruction or education provided to the student, (iv) any financial obligations incurred by the student as a result of student's enrollment and/or attendance at Remington College, or matters related to student's financial assistance or the provision or performance of career services, and (v) any discrimination, civil rights, or sexual harassment claims.

The arbitration shall be governed by the Federal Arbitration Act ("FAA"), 9 USC Sections 1-16 and the AAA's Consumer Arbitration Rules ("AAA Rules") (collectively the “Arbitration Rules”). The arbitrator appointed by the AAA (the "Arbitrator") shall apply applicable substantive law consistent with the FAA, the Arbitration Rules and applicable statutes of limitation and honor claims of privilege recognized by law. The Arbitrator shall not conduct class arbitration; that is, the Arbitrator shall not allow the student to serve as a representative in any capacity for others in the arbitration. Judgment upon the award rendered by the Arbitrator may be entered in any court having jurisdiction. Arbitration is mandatory and the Arbitrator's decision is binding.

**ALTERNATIVE DISPUTE RESOLUTION FOR THE COSMETOLOGY PROGRAM**

In the event that the above grievance procedures do not result in a satisfactory resolution of the dispute, or students are not satisfied with any response to their written complaint filed with a Commission, Council or State Board, pursuant to the terms of the Application and Enrollment Agreement, any "Claim", as hereinafter defined, by either the student or Remington College against the other, or against the employees, agents, owners or officers of Remington College or any affiliates of Remington College or any officers of the owners of Remington College or assigns of the other, shall be resolved by binding arbitration conducted by American Arbitration Association ("AAA") or, in the alternative, in Small Claims Court as defined in the Application and Enrollment Agreement, if the Claim is within the scope of the Small Claims Court's jurisdiction. Pursuant to the terms of the Application and Enrollment Agreement, any Claim pursued in Small Claims Court shall be filed in the Small Claims Court within the municipality where the Campus attended by the student is located. The binding arbitration provision of the Application and Enrollment Agreement precludes the student or Remington College from pursuing a Claim in a court other than Small Claims Court, or in any manner other than by arbitration.

The Student may contact the Legal Department at Remington College between 8:30 a.m. and 5:00 p.m. Eastern time at 7131 Business Park Lane, Lake Mary, FL 32746, (407) 562-5582 to obtain additional information regarding how to commence arbitration or where to file a Small Claims Court complaint. Remington College will, upon request, provide the student with a package of information on how to contact the AAA and obtain a copy of the AAA Rules (defined below). This packet will contain information on the address of the appropriate Small Claims Court and where the student can obtain a complaint form.
By way of general information, under the AAA Rules, an arbitration may be commenced by notifying the other party in writing of the desire to arbitrate a dispute or claim (a "Demand") and submitting two copies of the Demand to the AAA at the time it sends the Demand to the other party along with a copy of the Application and Enrollment Agreement and the required fees and deposits. Upon request, Remington College will provide a Demand form, the address where the form should be sent along with a schedule of the required fees. "Claim" means any claim, dispute, or controversy, whether in contract, tort or otherwise, whether pre-existing, present or future, and including statutory, common law, tort or equitable claims between a student and Remington College including, but not limited to, one arising from or relating to any of the following: (i) student’s execution of the Application and Enrollment Agreement and the obligations of the student or Remington College hereunder, or the validity, enforceability or scope of the Application and Enrollment Agreement (ii) student’s recruitment and application for admission, including, but not limited to, any advertisement, promotions, or other oral or written statements relied upon by student in deciding to attend Remington College, (iii) student’s attendance at Remington College and the quality of the instruction or education provided to the student, (iv) any financial obligations incurred by the student as a result of student’s enrollment and/or attendance at Remington College, or matters related to student’s financial assistance or the provision or performance of career services, and (v) any discrimination, civil rights, or sexual harassment claims.

The arbitration shall be governed by the Federal Arbitration Act ("FAA"). 9 USC Sections 1-16 and the AAA’s Consumer Arbitration ("AAA Rules") (collectively the "Arbitration Rules"). The arbitrator appointed by the AAA (the "Arbitrator") shall apply applicable substantive law consistent with the FAA, the Arbitration Rules and applicable statutes of limitation and honor claims of privilege recognized by law. The Arbitrator shall not conduct class arbitration; that is, the Arbitrator shall not allow the student to serve as a representative in any capacity for others in the arbitration. Judgment upon the award rendered by the Arbitrator may be entered in any court having jurisdiction. Arbitration is mandatory and the Arbitrator's decision is binding, unless student pursues a Claim in Small Claims Court in lieu of arbitration.

TIME FOR COMMENCING ARBITRATION OR OTHER ACTION FOR THE COSMETOLOGY PROGRAM
The Application and Enrollment Agreement provides that the prosecution by arbitration or otherwise of any Claim, must be commenced within one year from the last date student attended Remington College, unless the student has payment obligations to Remington College that extend beyond such one year period. In the event student has payment obligations to Remington College that extend beyond the one year period, Remington College or the student may prosecute a Claim limited solely to the collection or payment of such financial obligation within the applicable statute of limitations.

In some states, the aforesaid one year limitations period will not be enforceable under applicable law. Students are advised to investigate their rights under applicable state law. If the aforesaid one year limitation period is unenforceable, the student and Remington College shall have the period allowed by applicable law to commence a Claim.

LIMITATION OF LIABILITY AND DAMAGES FOR THE COSMETOLOGY PROGRAM
The terms of the Application and Enrollment Agreement provide that to the extent allowed by applicable law, the liability of Remington College and its employees, agents, officers, owners and assigns, and the employees, agents, officers, owners and assigns, of any affiliates of Remington College (collectively the "Third Parties"), is limited to the amount paid to Remington College by the student, or on student’s behalf, excluding any grants or scholarships that student has no obligation to repay ("Damage Limitation Amount"). This Damage Limitation Amount shall apply to any and all damages of student including legal fees and costs recoverable against Remington College or any Third Party due to any Claim. Remington College shall have no liability for consequential damages suffered by student as a consequence of any Claim. In some states this limitation of damages may not be enforceable and student should investigate whether this provision is enforceable.

EXAMINATION OF STUDENT RECORDS
The Family Educational Rights and Privacy Act ("FERPA") affords students certain rights with respect to their education records. These rights include:

The right to inspect and review the student’s education records within forty-five (45) days of the day Remington College receives a request for access.

A student who wishes to inspect his/her education records should submit a written request to the Registrar’s Office, identifying the records the student wishes to inspect. The Registrar’s Office, after determining that access to the requested records is appropriate, will make arrangements for access to the records and notify the student of the time and place where the records may be inspected. If Remington College determines that access to the requested records (or any portion thereof) is not appropriate or permitted under FERPA, then those records will not be provided to the student.

The right to request an amendment to the student’s education record(s), which the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
A student who wishes to request an amendment to any education record should submit a written request to the Registrar's Office, clearly identifying the part(s) of the record(s) the student wants amended, as well as the reason(s) for the requested amendment(s). If Remington College decides not to amend the record as requested, Remington College will notify the student in writing of its decision and the student's right to a hearing regarding the request for amendment, as well as additional information regarding the hearing procedures.

The right to provide written consent before Remington College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

For example, Remington College discloses education records and/or personally identifiable information from those records without a student's prior written consent under the FERPA exception for disclosure to school officials with a legitimate educational interest. A "school official" is: (1) a person employed by Remington College in an administrative, supervisory, academic, research, or support staff position (including security personnel); or (2) a person, company, partnership or other entity with whom Remington College is affiliated with or has contracted with as its agent to provide a service instead of using Remington College employees or officials (e.g. attorney, accountant, auditor, collection agent, Title IX Coordinator, etc.). A school official has a "legitimate educational interest" if the school official needs to review an education record or records in order to fulfill his/her/its professional responsibilities for Remington College.

Additionally, Remington College has designated the following categories of student information as "directory information":
- Name
- Address
- Telephone Number
- Date and Place of Birth
- Program(s) Undertaken
- Dates of Attendance
- Degree/Diploma Awarded
- Academic and Attendance Awards

Remington College may disclose any of these items at its discretion, without the prior written consent of the student, unless the student provides written notice to the Registrar's Office, objecting to the disclosure of all or part of the directory information, within thirty (30) days after enrollment. Any written notice from a student objecting to the disclosure of directory information shall be effective as of the date the written request is received by the Registrar's Office unless and until rescinded in writing by the student.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by Remington College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC  20202-5901.

SMOKE- AND TOBACCO-FREE CAMPUS
In keeping with the Campus' intent to provide a safe and healthy educational environment, smoking and the use of tobacco products are prohibited within any Campus building. This policy applies equally to all employees, students and visitors.

STUDENT DRUG AND ALCOHOL ABUSE POLICY
All Remington College properties are designated as drug-free and alcohol-free environments. For purposes of this policy “Remington College activities” include those activities that are planned, promoted, or sponsored by Remington College and/or student externship sites, including student organization events, and “Remington College property” includes Remington College owned or leased land, facilities, vehicles, and/or equipment.

Students may not manufacture, possess, use, sell, distribute, dispense, receive, or transport any controlled substances, illicit drugs or alcohol while on Remington College property and/or participating in Remington College activities. This includes all forms of narcotics, hallucinogens, depressants, stimulants, and other drugs whose use, possession, or transfer is restricted or prohibited by law. Additionally, students may not be under the influence of alcohol, illegal drugs, or un-prescribed and/or improperly used controlled substances in any manner while on Remington College property and/or participating in any Remington College activities, whether or not consumed on campus premises or outside of the campus' operating hours.

Students who engage in such behavior will be considered to be in violation of the Student Conduct and Discipline Policy and will be subject to disciplinary action, up to and including expulsion, as well as possible referral for prosecution. Sanctions may also include referrals for appropriate rehabilitation.
Remington College reserves the right to implement several kinds of drug/alcohol testing for students at all locations. The following is a list of drug and alcohol tests that Remington College reserves the right to conduct in accordance with state and federal laws:

1) Pre-Enrollment Testing
2) Pre-Externship Testing
3) Reasonable Suspicion Testing
4) Random Testing
5) Post-Rehabilitation Testing

**LEGAL SANCTIONS**

Local, state, and federal laws prohibit the unlawful possession, use, distribution, and sale of illegal drugs and underage possession, use, distribution and sale of alcohol.

The Federal Controlled Substances Act provides penalties of up to 15 years imprisonment and fines up to $25,000 for unlawful distribution or possession with intent to distribute narcotics. For unlawful possession of a controlled substance, a person is subject to up to one year of imprisonment and fines up to $5,000. Any person who unlawfully distributes a controlled substance to a person under twenty-one (21) years of age may be punished by up to twice the term of imprisonment and fine otherwise authorized by law.

Students who are under twenty-one (21) years of age and who use, sell, or who are in the possession of alcoholic beverages are subject to the penalties of that State’s underage drinking laws.

**HEALTH RISKS**

Specific serious health risks are associated with the use of illegal drugs and alcohol. Some of the major risks are:

- **Alcohol and other depressants (barbiturates, sedatives, and tranquilizers):** Addiction, vehicle or other accidents as a result of impaired ability and judgment, overdose which can result in death, damage to a developing fetus, heart and liver damage.
- **Marijuana:** Addiction, panic reaction, impaired short-term memory, increased risk of lung cancer and emphysema and impairment of driving ability.
- **Cocaine:** Addiction, heart attack, seizures, lung damage, severe depression, paranoia, psychosis. Similar risks are associated with other stimulants such as speed and uppers.
- **Hallucinogens (Acid, LSD, PCP, Ecstasy, etc.):** Unpredictable behavior, emotional instability, violent behavior, organic brain damage in heavy users, convulsions, and coma.
- **Narcotics (Heroin, Demerol, Morphine, Codeine, etc.):** Addiction, accidental overdose, and risk of hepatitis and AIDS from contaminated needles.
- **Inhalants (harmful gases and aerosols, glue, nitrous oxide, etc.):** Loss of consciousness, suffocation, damage to the brain and central nervous system, sudden death, nausea and vomiting, nosebleeds, impaired judgment.

**AVAILABLE DRUG AND/OR ALCOHOL COUNSELING/TREATMENT**

Students are encouraged to seek professional help should they need assistance with drug and/or alcohol problems. The following are groups which can be contacted for help:

1-800-COCAINE – Cocaine Helpline
Around the clock information and referral service. Recovering cocaine/addict counselors answer the phones, offer guidance and refer drug users and parents to local public and private treatment centers and family learning centers.

1-800-NCA-CALL – National Council on Alcoholism Information Line
The National Council on Alcoholism, Inc. is the national nonprofit organization combating alcoholism, other drug addictions, and related problems. It provides information about NCA’s State and local affiliate’s activities in their areas, and it also provides referral services to families and individuals seeking help with an alcohol or other problem.

1-800-662-HELP – National Institute on Drug Abuse Hotline
NIDA Hotline operated by the National Institute on Drug Abuse is a confidential information and referral line that directs callers to cocaine abuse treatment centers in the local community. Free materials on drug use are distributed in response to inquiries.
