

# 2020 REMINGTON COLLEGE CRIME & SECURITY REPORT

---

## Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), codified at 20 U.S.C. § 1092(f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private post-secondary educational institutions participating in federal student aid programs are subject to the Clery Act and compliance with the provisions of the Clery Act and applicable regulations does not constitute a violation of Section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

The Clery Act requires colleges and universities to publish an annual report every year by October 1<sup>st</sup> that contains three (3) years' worth of crime statistics and certain security policy statements, including sexual assault policies, which assure basic victims' rights, the law enforcement authority of campus security, where the students should go to report crimes, and domestic and sexual violence prevention and awareness education.

The complete text of the Clery Act along with the implementing regulations published by the U.S. Department of Education is available at the Clery Center for Security on Campus website located at <http://clerycenter.org/>.

## Reporting Crime and Other Emergencies on Campus

Remington College is committed to providing an environment that provides security for persons and property without the need for unduly burdensome policies and practices. No absolute guarantee of individual safety or security of property is possible, but with the cooperation of students, faculty, staff and visitors, it is possible to provide a level of security that is reasonable, effective, and relatively unobtrusive. All members of the Remington College community are expected to familiarize themselves with Campus security policies and procedures, adhere to these policies and procedures, and immediately report violations.

If you witness any non-emergency criminal incidents or safety concerns and/or are the victim of criminal behavior on property owned or controlled by Remington College, promptly report it to the local police jurisdiction office. In the case of an emergency, calls should be made to 911. Immediately after reporting the incident to the local police jurisdiction office, please report the incident to the Director of Campus Administration, or any other school official. For victims who are unable to make a report to local law enforcement, the Director of Campus Administration will accurately and promptly notify local law enforcement of a crime when the Director of Campus Administration is made

aware of the crime and the victim's inability to report the crime. Victims or witnesses of a crime or incident who wish to report that crime or incident for inclusion in the annual disclosure of crime statistics on a voluntary, confidential basis may do so by contacting the Director of Campus Administration and informing him/her of the crime or incident. At the time of publication of this report, Remington College has no pastoral and/or professional counselors working with the students and/or employees.

## **Campus and Community Notification of Criminal Activity (Timely Warnings)**

Remington College places a high priority on the safety and security of all members of the Campus community. It is the policy of Remington College to notify members of the Campus community of any reported crime(s) that are determined to pose a threat to the safety of students or employees. Anyone with information warranting a potential timely warning should report the circumstances to the local law enforcement, by phone on-campus at 911 or off-campus at 911. The Director of Campus Administration is responsible for determining the need for and implementing timely campus notifications. If the Director of Campus Administration deems it necessary to notify the Campus community of a threat, the notification will be posted in accordance with the Emergency Preparedness Plan. The bulletins will allow members of the Campus community to know what concerns currently exist so they can better protect themselves.

---

## **Emergency Response and Evacuation Procedures**

Remington College places a high priority on the safety and security of all members of the Campus community and will make efforts to immediately notify, either via verbal announcement, electronic notification, or Public Safety Bulletin, and facilitate the evacuation of members of the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on Campus property (unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency). The Director of Campus Administration will attempt to confirm the existence of a significant emergency or dangerous situation by contacting local law enforcement. After confirming the existence of a significant emergency or dangerous situation, the Director of Campus Administration will determine the appropriate segment or segments of the Campus community who will receive notification, determine the content of the notification, and will initiate the notification system. The Director of Campus Administration and his/her designees are responsible for implementing the actions required by the Emergency Response and Evacuation Procedures.

At least once per year, Remington College will test its emergency response and evacuation procedures. In conjunction with this test, Remington College will post or otherwise publicize a copy of its Emergency Response and Evacuation Policy to the Campus community.

## **Access to and Maintenance and Security of Campus Facilities**

Remington College is a private institution, and as such reserves the right to limit the use of its grounds and facilities as it deems appropriate. Access to any Remington College facility by any person or persons is strictly limited to those having legitimate business in that area or facility. Most Campus buildings and facilities are accessible to students, parents, employees, contractors, guests and invitees during normal hours of business, Monday-Friday. Access times will vary depending upon the nature of the building and its activity. Except for those students, faculty, and staff with keys or appropriately authorized access cards, access is generally restricted to Campus-affiliated personnel during recognized holidays. Outside of normal business hours, in some locations, alarms are also provided to sound if doors are opened or compromised. Many building high-risk areas are also equipped with intrusion alarms and/or duress alarm systems for the protection of staff. Remington College does not maintain any campus residences.

Motor vehicle parking lots, pedestrian walkways, and building exteriors are well lighted and the Campus's design criteria calls for a high level of illumination on all new buildings and surroundings. Members of the Campus community are encouraged to report any exterior lighting deficiencies to the Director of Campus Administration or other member of Campus Management. Exterior doors on Campus buildings are locked each evening by the Director of Campus Administration or his/her designee. Door and security hardware operating deficiencies should also be reported to the Director of Campus Administration. Parking lots and areas may be actively patrolled by a private security firm or employed security guards. Ask your Director of Campus Administration for more information.

Remington College does not have campus law enforcement and, for campuses that have them, security guards are not authorized to make arrests. If security guards witness or are informed of a crime being committed they will notify local law enforcement who will be responsible for the investigation of the alleged criminal offense(s).

---

## **Security Awareness and Crime Prevention Programs**

All students are required to attend the Campus's Orientation at which time they are cautioned to avoid loss of property and/or injury to self or others by reading and observing the safety and Campus security information that is posted in the designated campus locations, which includes but is not limited to, the student lounge, as well as disseminated at Orientation.

In addition to the Annual Campus Security Report which is posted in the student lounge area, Remington College makes literature available that is provided by community and government agencies which describes various programs and help numbers for personal safety, health, and emergency counseling. Information is contained in the appendices at the end of this report. Literature is displayed in the designated areas of the school.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

---

## **Criminal Activity by Students at Off-Campus Locations**

Remington College does not have any recognized off-campus facilities. All criminal activity observed by students at off-campus locations should be immediately reported to local law enforcement.

---

## **Drug and Alcohol Policy**

Remington College is committed to having a Campus that is free of the illegal or abusive use of drugs and alcohol. In keeping with this commitment, it is the policy of Remington College that the possession, sale, use or distribution of illicit drugs, alcohol, or other intoxicants in Campus buildings and facilities and at official Campus functions held on Campus is prohibited. Any violation of state or federal drug, alcohol, or underage drinking laws or the violation of the Campus's policies regarding alcoholic beverages or illegal drugs by students, staff, or faculty shall be subject to disciplinary action up to and including termination and/or expulsion. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public is illegal.

Excessive use of alcohol and other drugs is a serious health problem in itself, but alcohol and drug abuse can also contribute to a host of other physical and mental health problems such as unwanted pregnancy, violent behavior, HIV infection and other sexually transmitted diseases, and psychological depression.

Remington College encourages students and employees who are experiencing substance abuse problems to seek assistance from resources available to them on Campus, as well as from agencies and self-help groups available in the community. A list of these resources is available from the Director of Campus Administration. Please see either the Director of Campus Administration or student Remington College Drug and Alcohol Abuse policy for more detailed information.

## **Sex Offender Registry and Access to Related Information**

In accordance with the Adam Walsh Child Protection and Safety Act of 2006, the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, and the Family Educational Rights and Privacy Act of 1974, Remington College is providing a link to State Sex Offender Registries in Appendix 1. The "Campus Sex Crimes Prevention Act" requires institutions of higher education to issue a

statement advising the Campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student.

---

## **Sexual Harassment Policy**

Consistent with Remington College's Non-Discrimination Notice and the U.S. Department of Education's implementing regulations for Title IX of the Education Amendments of 1972 ("Title IX") (see 34 C.F.R. § 106 et seq.), the College prohibits Sexual Harassment that occurs within its education programs or activities. As such, the College has implemented a Sexual Harassment Policy and Hearing Procedures to address allegations of Sexual Harassment. The Sexual Harassment Policy is available for viewing and download at <https://www.remingtoncollege.edu/documents/Remington-Sexual-Harassment-Policy.pdf>, and the Hearing Procedures are available for viewing and download at <https://www.remingtoncollege.edu/documents/Remington-Sexual-Harassment-Hearing-Procedure.pdf>.

---

## **Domestic Violence, Dating Violence, Sexual Assault, and Stalking Policy**

It is the policy of Remington College to prohibit domestic violence, dating violence, sexual assault, and stalking and to prevent sex offenses committed against students, employees, visitors to the Campus, and other persons who use the Campus facilities. Sexual assault is not only a criminal act of violence, aggression, or coercion against a single individual, but is also an attack on human dignity, a value essential to our Campus community. For these reasons, Remington College encourages individuals who believe they have been a victim of domestic violence, dating violence, sexual assault, or stalking to report these incidents to appropriate Campus and governmental authorities as outlined in the Sexual Harassment policy. Domestic Violence, Dating Violence, Sexual Assault, and Stalking are all a form of sexual harassment. Sexual harassment is prohibited by the Campus's policy and is a form of sex discrimination prohibited by Title VII of the Civil Rights Act of 1964 and by Title IX of the Education Amendments of 1972.

---

## **Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

Several programs and resources are available to members of the Campus community on the topics of sexual harassment, rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. Remington College hosts prevention and awareness programs for all incoming students and new employees as well as an ongoing prevention and awareness campaign for all current students and employees. For the initial prevention and awareness program, incoming students will receive information and have a short discussion about prevention and awareness of sexual harassment, rape,

acquaintance rape, domestic violence, dating violence, and sexual assault, and stalking and will be provided a Clery Act Education Program Handout at Student Orientation and new employees will be provided with the same information, handout, and opportunity for short discussion at New Employee Orientation. Due to the way Remington College offers its education programs, the Campus has a Student Orientation every month. For the ongoing prevention and awareness campaign, Remington College will provide notice, via email, via the student portal, and/or by posting notices on the bulletin boards throughout Campus, to all current students notifying them that they may attend the portion of the Student Orientation containing the domestic violence, dating violence, sexual assault and stalking prevention program and will also conduct annual prevention and awareness training for all current employees to ensure that all students and employees receive ongoing prevention and awareness education. Further, Remington College will provide a website link on the notices provided to students where they can re-watch Remington College's Campus Sexual Violence Elimination Act (SaVE Act) training video that is played during the Student Orientation and employees can access the SaVE Act video via Remington College's employee intranet.

The initial and ongoing prevention and awareness programs and campaign will also cover safe and positive options for bystanders to intervene to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking as well as information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks. Further, the prevention and awareness programs and campaign will cover possible sanctions and protective measures if it is determined a domestic violence, dating violence, sexual assault, or stalking incident has occurred involving a student or employee; procedures victims should follow in the event domestic violence, dating violence, sexual assault, or stalking occurs; procedures for institutional disciplinary action in cases of alleged domestic violence, dating violence, sexual assault, or stalking; information about how Remington College will protect the confidentiality of victims; and written notification of existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid assistance, and other services for victims as well as victims options for, and available assistance in, changing academic, living, transportation, and working situations.

Further prevention programs can be arranged through the Director of Campus Administration and/or any of the counseling services located in Appendix 2, the Resource, Counseling, and Assistance Contact Information page.
