

CANCELLATION, WITHDRAWAL, AND REFUND POLICIES

RIGHT TO CANCEL THE APPLICATION AND ENROLLMENT AGREEMENT AND TO RECEIVE A REFUND OF ALL PAYMENTS

Students may cancel their Application and Enrollment Agreement with the Campus without penalty and terminate their obligations by notifying the Campus in writing prior to midnight of the fifth business day after the Application and Enrollment Agreement is signed by the student.

If the student has not visited the Campus prior to execution of an Application and Enrollment Agreement, the student may cancel the Application and Enrollment Agreement without penalty and terminate the obligations hereunder within five business days following the earlier of (a) a regularly scheduled orientation or (b) a tour of the Campus facility and inspection of equipment.

If the student gives the required notice of cancellation (as described below), all payments made by the student pursuant to the Application and Enrollment Agreement will be returned within 30 days from the receipt of student's written notice of cancellation.

To be effective, student's notice of cancellation must be in writing and mailed or delivered to the Campus President.

CALIFORNIA WITHDRAWAL AND REFUND POLICY FOR DIPLOMA PROGRAMS

This withdrawal and refund policy applies only to students enrolled in a diploma program at the Remington College-San Diego Campus.

BUYER'S RIGHT TO CANCEL AND TO REFUND OF ALL PAYMENTS

Students may cancel the Application and Enrollment Agreement without penalty and terminate their obligations thereunder, by notifying the Campus in writing prior to midnight of the fifth business day after any of the following: (1) Attended the first class of the program, (2) Received a copy of the notice of cancellation as provided in Education Code §94868; or (3) Received a copy of the disclosures required by Education Code §94859(a). After this time, the student will be considered activated as a student and the refund policies below apply instead. Notice of cancellation must be in writing and given to the Director of Recruitment by personal delivery to his/her office at 123 Camino De La Reina, Suite 100 North, San Diego, CA 921808 or via fax at 619-686-8684 or sent by regular mail. If mailed, the notice is effective when mailed properly addressed with postage prepaid.

The written notice does not have to take a particular form and is effective if it indicates the student's desire to not be bound by the enrollment agreement.

If the student gives the required notice of cancellation (as described below), all payments made by the student pursuant to the Application and Enrollment Agreement, will be returned within ten days from the receipt of the student's written notice of cancellation.

For the purpose of determining the time within which a student may cancel that student's agreement for a course, "Business Day" means the following: (1) Except as provided in paragraph (2), a day on which that student is scheduled to attend a class session; (2) for home study or correspondence courses, any calendar day except Saturday, Sunday, or any holiday enumerated in section 6700 of the government code.

To be effective, a student's notice of cancellation must be in writing and be delivered or mailed to the Director of Recruitment in San Diego, California at the address set forth above.

CALIFORNIA VETERANS' REFUND POLICY

The College maintains a policy for the refund of the unused portions of tuition, fees, and other charges in the event the veteran or eligible person fails to enter the program or withdraws or is discontinued at any time prior to completion. Such a policy provides that the amount charged to the veteran or eligible person for tuition, fees, and other charges for a portion of the program shall not exceed the exact pro-rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the program bears to its total length. The exact pro-rata will be based on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the program.

RETURN OF MONIES PAID AS TUITION IF APPLICANT IS NOT ACTIVATED

If an applicant does not attend enough classes to be activated as a student or otherwise fails to meet the criteria for activation, the applicant will not be charged any tuition, and any monies previously paid as tuition will be refunded. The

Campus will make any refund to which a student may be entitled under this section within 30 days of the student's enrollment being cancelled.

EXIT CALCULATION AND REFUND POLICIES

Information regarding any applicable third party funding agency refund or return of funds policies (e.g., Title IV, Veterans Administration, WIA, etc.) may be obtained from the Campus Student Finance Department.

The following is a brief and general explanation of rules, regulations and policies applicable to the making of the Exit Calculation. In the event that any conflict exists between this explanation and the rules, regulations and policies applicable to the various financial aid programs, such rules, regulations and policies as modified and amended from time to time shall be applied. This explanation is not intended to be a complete and thorough explanation of all of the applicable components of the Exit Calculation, and should not be relied upon as such by any prospective student, applicant, or student. In the simplest terms, the Exit Calculation and refund process consists of four steps:

- 1) Computing the amount of tuition that a student is charged for a payment period in which the student drops or is dropped in accordance with the state refund policy as set forth below. (The method of determining the official date of termination is the date the student notified the Campus they were dropping or the last date the student attended class.)
- 2) Determining what, if any, amounts from financial aid and/or other financial assistance programs are required to be returned to the fund sources. For a discussion of amounts required to be returned under Return of Title IV Funds regulations see "Return of Title IV Funds" section below.
- 3) Adjusting the student's account based on the calculations of (1) and (2), making the appropriate refunds, if any, based on the calculations of (1) and (2) and determining whether the student owes the Campus any additional monies as a result of the adjustments, or whether the student has a credit balance (amount owed to the student's account) after applying any additional institutional and non-institutional charges, including any prior year balances, against the credit balance.
- 4) Refunding any credit balance to the student's lenders (see Refund Distribution Order for the Return of Title IV Funds section).

RETURN OF TITLE IV FUNDS

Up through the point in time when 60% of the calendar days in a "payment period," i.e. "quarter" has passed, a pro rata schedule is used to determine how much Title IV financial aid program funds "Title IV Funds" the student has "earned" (is entitled to retain) at the time the student drops or is dropped. After the 60% point, a student has "earned" 100% of the program funds.

For purposes of calculating any required return of Title IV Funds, the percentage of the payment period completed is the total number of calendar days in the payment period for which the assistance is awarded divided into the number of calendar days that have occurred in that period as of the day the student withdrew. "Calendar days" for these purposes is something of a term of art, and will be interpreted in accordance with applicable regulations, which may not represent the actual number of pure calendar days in every case. For example, scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period (denominator) and the number of calendar days completed in that period (numerator).

REFUND DISTRIBUTION ORDER FOR THE RETURN OF TITLE IV FUNDS

Refunds of unearned tuition payments will be made first to government agencies or lending institutions funding the student's financial aid. Refunds of Title IV funds will be made in the following order:

- 1) Unsubsidized Federal Stafford loans
- 2) Subsidized Federal Stafford loans
- 3) Unsubsidized Direct Stafford loans (other than PLUS loans)
- 4) Subsidized Direct Stafford loans
- 5) Perkins loans
- 6) Federal PLUS loans
- 7) Direct PLUS loans
- 8) Federal Pell Grants for the payment period for which a return of funds is required
- 9) Academic Competitiveness Grant (ACG)
- 10) National SMART Grant
- 11) Federal Supplemental Educational Opportunity Grants ("FSEOG") for the payment period for which a return of funds is required
- 12) Other assistance under this Title for which a return of funds is required (e.g. LEAP)

- 13) Alternative Loans (non-Title IV Funds)
- 14) Student

CALIFORNIA STATE REFUND POLICY FOR DIPLOMA PROGRAMS

- 1) The registration fee not to exceed seventy five dollars (\$75) paid to the school by the student may be retained as an enrollment or application fee.
- 2) If the student completes 60% or less of the course of instruction, then the refund (after deducting the enrollment or application fee) based on the program hours for classroom instruction or the number of lessons for on-line instruction shall be pro rata.
- 3) The refund shall be based on the cost for each payment period of the program. All tuition beyond the current payment period shall be refunded when a student terminates (drops or is dropped).
- 4) If the student notifies the school in writing on or before the first day of instruction of their intent to cancel, then the school shall refund 100% of the tuition, after deduction of an enrollment fee or application fee not to exceed seventy-five dollars (\$75).

CALIFORNIA STATE REFUND POLICY FOR ON-CAMPUS DEGREE PROGRAMS

- 1) Deduct a registration fee, if applicable, not to exceed one hundred dollars (\$100) from the total tuition charge.
- 2) Divide this figure by the number of hours in the program.
- 3) The quotient is the hourly charge for the program.
- 4) The amount owed by the student for the purpose of calculating a refund is derived by multiplying the total hours attended by the hourly charge for instruction.
- 5) The refund shall be any amount in excess of the figure derived in number (4) that was paid by the student.

CALIFORNIA STATE REFUND POLICY FOR DISTANCE LEARNING PROGRAMS

- 1) Deduct a registration fee, if applicable, not to exceed one hundred dollars (\$100) from the total tuition charge.
- 2) Divide this figure by the number of lessons in the program.
- 3) The quotient is the per-lesson charge.
- 4) The amount owed by the student for the purpose of calculating a refund is derived by multiplying the total number of lessons received by the per-lesson charge calculated in number (3).
- 5) The refund shall be any amount in excess of the figure derived in number (4) that was paid by the student.

CALIFORNIA VETERANS' REFUND POLICY

The College maintains a policy for the refund of the unused portions of tuition, fees, and other charges in the event the veteran or eligible person fails to enter the program or withdraws or is discontinued at any time prior to completion. Such a policy provides that the amount charged to the veteran or eligible person for tuition, fees, and other charges for a portion of the program shall not exceed the exact pro-rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the program bears to its total length. The exact pro-ration will be based on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course.

RETURN OF STUDENT CREDIT BALANCES UPON GRADUATION

Upon graduation, if a credit balance still exists, the credit balance will be used to cover any additional institutional and non-institutional charges, including but not limited to current and/or prior year balances. Any amount remaining at that point will be refunded in the same order as described above under the Exit Calculation and Refund Policies.

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND

California law requires that this institution pay a fee each time a student enrolls. This fee supports the Student Tuition Recovery Fund ("STRF"), a special fund established by the California Legislature to protect any California resident who attends a private postsecondary institution and experiences a financial loss as a result of the closure of the institution, the institution's breach or anticipatory breach of the agreement for the course of instruction, a decline in the quality or value of the course of instruction within the 30 day period before the institution's closure, or the institution's refusal to pay a court judgment.

To qualify for an STRF reimbursement, applicants must be California residents and must have resided in California at the time the Application and Enrollment Agreement was signed, or when they received lessons at a California mailing address from an approved institution offering correspondence instruction. Students who are temporarily residing in California for the sole purpose of receiving an education, specifically those who hold student visas, are not considered California residents.

Students seeking an STRF reimbursement must file an application within one year of receiving notice from the Bureau for Private Postsecondary and Vocational Education that the school has closed. If students do not receive a notice from the Bureau, the application must be filed within four years from the date of closure. If a court judgment is obtained from the institution, students must file an STRF application within two years of the final judgment.

If Student is not a resident of California, then Student is not eligible for protection under, and recovery from, the California Student Tuition Recovery Fund.

RETURN OF TITLE IV (SFA PROGRAM) FUNDS

The Higher Education Amendments of 1998 require that if a recipient of Student Financial Aid Program ("SFA Program") assistance withdraws from a Campus during a payment period, or a period of enrollment in which the recipient began attendance, the Campus must calculate the amount of SFA Program assistance the student did not earn, and those funds must be returned. Up through the 60% point in each payment period or period of enrollment, a pro rata schedule is used to determine how much SFA Program funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the SFA Program funds.

The percentage of the payment period or period of enrollment completed is the total number of calendar days* in the payment period or period of enrollment for which the assistance is awarded divided into the number of calendar days* completed in that period as of the day the student withdrew.

*Scheduled breaks of at least five consecutive class days are excluded from the total number of calendar days in a payment period or period of enrollment (denominator) and the number of calendar days completed in that period (numerator).

RETURN OF UNEARNED SFA PROGRAM FUNDS

The Campus must return the lesser of:

- The amount of SFA Program funds that the student does not earn; or
- The amount of institutional costs that the student incurred for the payment period or period of enrollment multiplied by the percentage of funds that was not earned.

The student (or parent, if a Federal PLUS loan) must return or repay, as appropriate:

- Any SFA Program funds in accordance with the terms of the loan; and
- The remaining unearned SFA Program grant (not to exceed 50% of the grant) as an overpayment of the grant.

RETURN OF UNEARNED SFA PRIORITY

Refunds to Title IV programs will be made in the following order:

- 1) Unsubsidized Federal Stafford loans
- 2) Subsidized Federal Stafford loans
- 3) Unsubsidized Direct Stafford loans (other than PLUS loans)
- 4) Subsidized Direct Stafford loans
- 5) Perkins loans
- 6) Federal PLUS loans
- 7) Direct PLUS loans
- 8) Federal Pell Grants for the payment period for which a return of funds is required
- 9) Federal Supplemental Educational Opportunity Grants (FSEOG) for the payment period for which a return of funds is required
- 10) Other assistance under this Title for which a return of funds is required (e.g. LEAP)
- 11) Alternative Loans
- 12) Student

DETERMINATION OF STUDENT BALANCES

As a result of the return of Title IV funds calculation, in some circumstances, funds previously received on behalf of the student may be required to be returned to grantors or lenders. **This can result in the student owing a balance to the Campus even though the student's account might have shown no balance due while the student was still attending.** As set forth in the Application and Enrollment Agreement, the student is responsible for any balance owed the Campus, and the Campus is responsible for the payment of any refunds.

STATE REFUNDS

Once the return of Title IV funds calculation is made and the unearned portion, if applicable, is returned to the lender, then the state refund policy may be applied, if applicable.

POST-WITHDRAWAL DISBURSEMENTS

If a student is eligible for a post-withdrawal disbursement, a letter will be mailed identifying the source and the amount of the Title IV aid. The student will have 14 days in which to decline to accept the disbursement. If there is no response, the funds will be returned to the appropriate funding source. The return of these funds will not reduce the obligation of the student to the Campus for any unpaid tuition.

RETURN OF ADDITIONAL FUNDS

Upon graduation, if a credit balance still exists, the refund shall be made to the funds in accordance with the Return of Title IV Funds Distribution Order.

If the student withdraws from the Campus, and after the return of Title IV calculation has been applied, any credit balance remaining will be used to cover any additional institutional and non-institutional charges including but not limited to current and/or prior year balances. Any credit balance remaining on the student's account will be refunded in accordance with the Return of Title IV Funds Distribution Order.

If an applicant or current student has a disability that might require an accommodation, notice must be given to the Campus so that the disability can be evaluated and reasonable methods for accommodating the disability can be investigated and developed. While the Campus will make an effort to accommodate all disabilities, certain disabilities may not be capable of a reasonable accommodation.

Applicants for admission should notify their recruiter of their disability and immediately schedule a meeting with the Campus President. The Campus President will assist them in having their disability evaluated and in determining what reasonable accommodations can be made to enable them to participate in the programs offered by the Campus. Some accommodations may take time to implement, and thus, applicants must give the Campus notice of their disability

The Campus has certain facilities and services available to enable disabled individuals who are otherwise qualified for admission to the Campus to participate in the Campus' educational programs. The facilities physical accommodations for disabled students include, but are not limited to: disabled student parking, wheelchair ramps for access to the facility, accessibility for disabled students to classrooms, laboratories, the Information Resource Center, student break rooms, restrooms, and support services areas at the Campus. If the Campus has multiple floors either an elevator is available or classes will be taught on floors accessible by disabled students or some other accommodation will be made.

Any student with an impairment of sensory, manual, or speaking skills will be assisted with the provision of auxiliary educational aids when necessary. Auxiliary aids include interpreters or other effective methods of making orally delivered materials available to students with hearing impairments. The Campus accepts third-party payment for auxiliary aids and services from agencies such as rehabilitation services or charitable organizations.

The use of the grievance procedure set forth in this Catalog is also available to address the concerns and needs of disabled students. The Campus has designated the Campus President to function as the "Campus Section 504 Coordinator" to both receive discrimination complaints from disabled students and to coordinate with the Campus' Title IX Director and Section 504 Compliance Coordinator, Mr. Robert Acre, Vice-President Human Resources, regarding the Campus' compliance with the Rehabilitation Act of 1973 (504), 29 U.S.C. §794, as amended and the American with Disabilities Act of 1990. Mr. Acre's address is: Remington Administrative Services, Inc., 500 President Clinton Avenue, Suite 315, Little Rock, Arkansas, 72201, and his toll-free telephone number is 800-333-2755.

SATISFACTORY ACADEMIC PROGRESS ("SAP")

All students must meet the minimum standards of academic achievement and successful course completion while enrolled at the campus. SAP is the same for all students without regard to whether they receive financial assistance under Title IV, HEA programs or other financial aid and without regard to whether they are full time or part time.

SAP consists of two elements: the qualitative component and the quantitative component. The qualitative component requires certain minimum Cumulative Grade Point Averages ("CGPA") and the quantitative component requires completing the educational program within the maximum timeframe ("MTF").

The qualitative and quantitative components of SAP are calculated at the end of the grading period wherein each Minimum Measurement Point is initially met or exceeded, as shown in the charts below.

SATISFACTORY ACADEMIC PROGRESS DEFINITIONS

A "Term" at Remington College is one quarter for degree programs (twelve weeks of instruction) and one quarter (consisting of three four-week modules or twelve weeks of instruction) for diploma programs. Term is synonymous with Payment Period.

A "Grading Period" or module is a period of instruction for which the student receives a final grade that is recorded on a student's transcript for a particular course. Students will be notified of their grades as soon as is practical after the end of each Grading Period.

Accordingly, a Term and a Grading Period are the same for degree programs, but not for diploma programs (diploma programs will have three Grading Periods in each Term).

QUALITATIVE COMPONENT OF SATISFACTORY ACADEMIC PROGRESS

The qualitative component of SAP consists of achieving a minimum Cumulative Grade Point Average ("CGPA") at the end of the grading period wherein each Minimum Measurement Point (measured in credit hours completed) is initially met or exceeded, as shown in the chart below.

Minimum Measurement Point (as a percent of Program Length)	Minimum CGPA
25%	1.00
50%	1.50
100%	2.00

The CGPA is calculated using the grade for all courses attempted. (The calculation of the CGPA would include the grade from any course the student has attempted in the current program. However, if a student repeats a course, without regard to whether the previous grade was a failing or a passing grade, the new grade will be used [and all prior grades will be ignored] in calculating the CGPA.)

The Minimum CGPA Requirement chart below lists program lengths and the minimum CGPA required at the end of the grading period wherein each of the Minimum Measurement Points is initially met or exceeded.

MINIMUM CGPA REQUIREMENT

Program Length (Minimum # of Credits Required to Complete Program)	Minimum Measurement Point in Credits Completed	Minimum CGPA Requirement
44	11	1.00
	22	1.50
	44	2.00

	48	1.50
	96	2.00
99	24.75	1.00
	49.5	1.50
	99	2.00

If a student's CGPA falls below the minimum required CGPA, the student is notified in writing regarding the consequences of not maintaining satisfactory academic progress.

QUANTITATIVE COMPONENT OF SATISFACTORY ACADEMIC PROGRESS

The quantitative component of SAP consists of completing a minimum number of credits at the end of the grading period wherein each Minimum Measurement Point (measured in credit hours attempted) is initially met or exceeded, as shown in the chart below. The maximum timeframe (“MTF”) for completion of a program is one and one-half times the program length (measured in credit hours completed).

The Minimum CGPA Requirement chart below lists program lengths and the minimum number of credits that must be completed at the end of the grading period wherein each of the Minimum Measurement Points is initially met or exceeded.

MINIMUM CREDITS COMPLETED REQUIREMENT

Program Length (Minimum # of Credits Required to Complete Program)	Minimum Measurement Point in Credits Attempted	Minimum Credits Completed Requirement
44	33	11
	44	22
	66	44
46	34.5	11.5

	96	48
	144	96
99	74.25	24.75
	99	49.5
	148.5	99

If a student cannot complete the program within the MTF, the student is notified in writing regarding the consequences of not maintaining satisfactory academic progress.

SATISFACTORY ACADEMIC PROGRESS STATUSES

SAP Met

A SAP Met status indicates that at the established evaluation point the student passed SAP evaluation criteria. A student's status is SAP Met and the student remains eligible for Title IV funding if the student achieves the minimum SAP requirements, as shown in the Minimum CGPA Requirement and Minimum Credits Completed Requirement charts above.

SAP Probation One

A student who fails to meet the above minimum SAP requirements will be placed on SAP Probation One. If the student meets the minimum SAP requirements during the SAP Probation One grading period, the student will be acknowledged as having met SAP requirements. If the student does not meet the minimum SAP requirements during the SAP Probation One grading period, the student will be placed on SAP Probation Two.

The student remains eligible for Title IV funding during this academic probation period.

SAP Probation Two

A student placed on SAP Probation One who fails to meet the above minimum SAP requirements in the following grading period will be placed on SAP Probation Two. If the student meets the minimum SAP requirements during the SAP Probation Two grading period, the student will be acknowledged as having met SAP requirements. If the student does not meet the minimum SAP requirements during the SAP Probation Two grading period, the student will be placed on SAP Dismissal.

The student remains eligible for Title IV funding during this academic probation period.

SAP Dismissal

A student placed on SAP Probation Two who fails to meet the above Minimum SAP Requirements in the following grading period will be placed on SAP Dismissal. (See Re-Enrollment Policy regarding application to Satisfactory Academic Progress Policy.)

The student is not eligible for future Title IV funding and will not be eligible to re-enroll in any program at any Remington College campus.

SATISFACTORY ACADEMIC PROGRESS APPEALS AND WAIVERS

Students may appeal a determination that they are not meeting sap by submitting an appeal in writing to the chief academic officer for all remington colleges or his/her designee. The determination of the chief academic officer for all remington colleges or his/her designee is final.

SATISFACTORY ACADEMIC PROGRESS ("SAP") FOR VETERAN STUDENTS

Veteran students are required to maintain a different minimum CGPA requirement than the minimum CGPA requirement for non-Veteran students.

The minimum measurement point for Veteran students and the accompanying minimum CGPA is provided in the chart below.

Minimum Measurement Point (as a percent of Program Length)	Minimum CGPA
25%	1.50
50%	2.00
100%	2.00

The Minimum CGPA Requirement for Veteran Students chart below lists program lengths and the minimum CGPA required at the end of the grading period wherein each of the Minimum Measurement Points is initially met or exceeded.

Minimum CGPA Requirement for Veteran Students

Program Length (Minimum # of Credits Required to Complete Program)	Minimum Measurement Point in Credits Completed	Minimum CGPA Requirement
48	12	1.50
	24	2.00
	48	2.00
90	22.5	1.50
	45	2.00

Program Length (Minimum # of Credits Required to Complete Program)	Minimum Measurement Point in Credits Completed	Minimum CGPA Requirement
	90	2.00
96	24	1.50
	48	2.00
	96	2.00

In addition, Veteran students who have earned a GPA below 2.0 will be placed on probation for a maximum of two evaluation periods (i.e., four weeks for students enrolled in Diploma programs and 12 weeks for students enrolled in Degree programs). Students who have not achieved the required minimum standard by the end of the second probation period will have their VA benefits terminated.
