# FACILITY MAINTENANCE

## DIPLOMA

9 Months

The Facility Maintenance program provides training for servicing, maintaining, and operating a variety of equipment commonly found in residential and commercial facilities. The program also provides training on how to maintain and repair facility infrastructure and mechanical equipment such as carpentry, HVAC, and electrical.

The objective of this Program is to prepare graduates for entry-level positions in the Building Maintenance industry in areas such as residential living facilities, hospitals, commercial retail, office buildings, high-rise communities, hotels and schools, as well as working independently in variety of maintenance areas.

Program completion normally requires 9 months (36 weeks) for full-time students.

The Facility Maintenance Program is divided into 9 monthly academic periods. Upon successful completion of all areas of this Program, graduates will be awarded a Diploma in Facility Maintenance.
