ADDITIONAL MODIFICATIONS

Page 6: The second paragraph in Item 6 of the Admissions Requirements and Procedures has been amended:

Those interested in applying for admission into the Dental Hygiene Program may do so when all prerequisite courses have been completed with a grade of "C" or better.

Page 13: The following program has been added to the Types of Financial Aid Available to Those Who Qualify.

Economic Hardship Grant

The Economic Hardship Grant is available to new students enrolling on or after March 26, 2020 in one of the programs designated for participation in the Economic Hardship Grant for a class start occurring in April or May 2020. The Economic Hardship Grant is not available to re-enrolling or re-entering students. The amount of an Economic Hardship Grant is \$1,000, which will be applied to an eligible student's account as a tuition credit after the student has been activated. For a list of the programs designated for participation in the Economic Hardship Grant program or to obtain additional information, contact the Student Finance Department.

Page 29: The Database Management and Administration program was modified from an Associate of Occupational Studies degree program to an Associate of Applied Science degree program; however, the Campus is no longer enrolling in the Database Management and Administration program.
