## ADDITIONAL MODIFICATIONS

Page 3: The 2020 calendar has been amended to remove the references to Database Management and Administration. The Campus does not offer Database Management and Administration.

Page 13: The following program has been added to the Types of Financial Aid Available to Those Who Qualify.

*Economic Hardship Grant*

*The Economic Hardship Grant is available to new students enrolling on or after March 26, 2020 in one of the programs designated for participation in the Economic Hardship Grant for a class start occurring in April or May 2020. The Economic Hardship Grant is not available to re-enrolling or re-entering students. The amount of an Economic Hardship Grant is \$1,000, which will be applied to an eligible student's account as a tuition credit after the student has been activated. For a list of the programs designated for participation in the Economic Hardship Grant program or to obtain additional information, contact the Student Finance Department.*
